

NEW PACT MADE WITH O. A. C. FOLLOWING DISAPPEARANCE OF 'IRON WOMAN' FROM AG CAMPUS

Committees Meet and Verify Oregon's Innocence. High School Men Take Statue.

TO THE STUDENT BODY OF O. A. C.:

Regretting the incident very much of the loss of the "Iron Woman" from your campus on the night of October 30, we wish to state on behalf of the Student Body of the University of Oregon that this was without our sanction or knowledge.

We desire that the pact of two years ago be upheld by both schools and we assure you that we will do all in our power to see that it is kept.

We desire that a copy of this statement be published in both the "Barometer" and "Emerald."

Signed: LINDSAY McARTHUR, Vice-President.

CURTISS A. PETERSON

HARRY D. JAMIESON

ELMO W. MADDEN,

Senior Members Student Council.

TO THE STUDENT BODY OF THE UNIVERSITY OF OREGON:

As official representatives of the student assembly of the Oregon Agricultural College we are satisfied that the stealing of the "Iron Woman" from the O. A. C. campus on the night of October 30, 1919, was not known to the student body of the University and did not receive its sanction.

We wish to express our appreciation of the attitude of the officers of the student body of the University in trying to maintain the present friendly relations that exist between the two institutions.

We further indorse the agreement made between the University and O.A.C. two years ago which was made to eliminate such occurrences.

Signed: WM. L. TEUTSCH, President Student Assembly.

JACK H. GRAFTON, President Vigilance Ass'n.

(By Earle Richardson)

Such are the resolutions made late last night by representatives of the University of Oregon and Oregon Agriculture college in a conference held in Eugene. The conference was held following the disappearance of the famous "Iron Woman" statue from the Aggie campus Thursday night to clear up the suspicion that Oregon students had committed the deed, thus breaking a pact made between the two institutions two years ago when Oregon students stole away the statue and brought it to Eugene a few days prior to the annual Oregon-O. A. C. game.

O. A. C. Students Enraged

Feeling ran high yesterday at O. A. C. when the disappearance of the "Iron woman" from the campus cast suspicion on Oregon as having broken the pact in which it was agreed that the University of Oregon should never molest the statue again, and that O. A. C. should make no more attempts to paint the Oregon "O."

All classes were suspended at the Oregon Agricultural college, according to Mr. Teutsch, and every effort was made to see if the statue was hidden on the campus. A committee consisting of W. L. Teutsch, president of the O. A. C. student body, and Jack Grafton, president of the vigilance committee, came to Eugene and conferred with Lindsay McArthur, vice-president of the student body and senior member of the student council.

In a meeting of the student council at 6:30 yesterday evening all knowledge of sanction of the plot was disclaimed, and the council immediately took steps to help find the missing statue. At 9:30 last night high school students of Eugene high school told searchers from the University where the iron woman was hidden and confessed that they had driven to Corvallis in a machine on Thursday night and taken the statue from the O. A. C. campus. They had buried the statue near the end of Alder street.

The committee from O. A. C. took the statue back to Corvallis with them. Before they left a new state-

"WINNAGEN" SPREADS HOMECOMING PEP IN YELLOW AND GREEN

Stores Asked to Declare Holiday on Afternoon of Nov. 15

BONFIRE PILE STARTED

Prominent Alumni and University Officials on Speakers List For Rally

Promise of the biggest Homecoming which the University has ever witnessed is contained in The Winnagen, official Homecoming sheet just off the press. Four pages of pep printed on lemon-yellow with emerald green ink, The Winnagen spreads a sunny smile and calls the graduates of old Oregon back to their alma mater on November 15.

John DeWitt Gilbert is the inspiration of the publication. Dorothy Duniway, Neil Morfitt, Louise Davis, Percy Boatman, Earle Richardson, Eva Bagley and Bob Case are the contributors to the big idea.

Town to Accommodate 1500

The estimates that 1500 former Oregon students will gather to participate in Homecoming festivities are far from exorbitant, according to Miss Charlie Fenton, secretary of the Alumni association. Provisions to accommodate this number, and then some, are being made. The fruit of Oregon enthusiasm is to be manifested in the return of its alumni in a body—"Home to Win Agin."

Stores and business houses throughout the city will be asked to declare a holiday on the afternoon of Nov. 15. Herman Lind was appointed at a meeting of the Homecoming committee Thursday night to make this request of the merchants. Posters bearing the information that the store has closed and its employees have gone to see Oregon win will be placed in all of the windows.

Laraway Donates Cup

Edwin Durno announces that the cup to be awarded to the house on the campus having the best stunt at the rally on the Friday night preceding the game is to be donated by Laraway's jewelry shop. Four minutes has been allotted each house in which to produce a winning demonstration.

The speakers' list for the big rally will consist of University officials, prominent alumni and men of statewide reputation. Members of the class of '23 are rallying to the cause and completing arrangements for a record-breaking bonfire. Collection of material for the blaze was started yesterday, when a number of Frosh relieved the down town district of all its spare boxes and inflammable material. Music to grace the occasion will be furnished on both Friday and Saturday by the University's new 40-piece band.

\$140 IS GIVEN MEMORIAL

University's Contributions Toward Roosevelt Fund Completed.

Complete returns for the Roosevelt Memorial campaign which came to an end last Monday brings the University's contributions to about \$140. Mrs. P. L. Campbell, who has been acting as treasurer of the committee, is greatly pleased with the final results obtained, and feels that continued interest will result in the formation of a Roosevelt club on the campus.

"I feel that such a club would be a splendid thing for the study of good citizenship, both among the men and women of the University," Mrs. Campbell said, "if it were kept clear of politics." She especially emphasized its value to the women as a means for broadening and uplifting influence in the duties of citizenship.

U. OF O. REGISTRATION LEADS IN PROPORTION OF GAIN OVER 1916

Figures Place Oregon at Head of List Among Big Universities

INCREASE 48.8 PERCENT

Number of Students Expected to Reach 2900 by End of Year, President Estimates

Late reports of registration in several of the large universities of the country, as reported from the University of California on the basis of returns received from the various institutions, indicate generally heavy increases since the last normal year, 1916-17. Figures obtained from the records in the office of the registrar of the University of Oregon show that this University, on the basis of early registration this year, has increased at a greater rate than any of half a dozen of the large institutions of the country.

The enrollment in the University of Oregon in the 1916-17 term was 1036 for the academic departments on the campus at Eugene. The enrollment in the first month of the 1919-20 year is 1542. This gain of 506 represents a percentage of growth of 48.8.

Washington Second

In the corresponding period the gain reported from the University of California was 39.4 per cent; University of Washington, 46.5; University of Minnesota, 38.3; University of Michigan, 35 per cent; University of Illinois, 36.2 per cent; University of Wisconsin, 39.8.

Oregon's showing would be relatively even better were it possible to obtain the figures for the opening week of 1916, which was much smaller than the total for the year, the figure used as the base on which to compute the increase.

The total number of students expected on the campus of the University during the present year, according to President Campbell's estimate, is 1900. All these figures are exclusive of the school of music and the summer school. These totals added bring the grand total expected for the year up to 2900, as against 1470 for 1917, again of almost 100 per cent.

PORTLAND ENROLLS 375

Extension Division Conducts Night Classes in Commerce

A total of 375 students have enrolled in the school of commerce branch conducted by the extension division of the University in Portland, according to the figures submitted this week by Dean Morton, head of the commerce department of the University, who also supervises the work of the Portland branch.

Eight instructors are employed and the classes meet five nights a week. Courses are offered in foreign trade, commercial French and Spanish, advertising, business law, accounting, business mathematics, solution of certified public accountant's problems, salesmanship and business organization and management.

Prof. C. V. Dymont of the University school of journalism, who is also executive secretary of the Portland center, holds office hours for the students in the commerce school. Professors Hopkins, Edmonds and Dean Morton of the commerce department in the University, go to Portland every week to hold classes in their particular subjects.

A number of state aid men have enrolled in Portland and to these students tuition and books necessary for the course are donated free of charge.

VARSITY GRIDSTERS DEFEAT WASHINGTON IN HARD GAME AT SEATTLE FINAL SCORE IS 24 = 13

NOTED CHURCHMAN TO VISIT UNIVERSITY

Dean C. S. Quinton of Vancouver, B. C., to Deliver Service Homecoming Sunday

C. S. Quinton, dean of the Episcopal cathedral at Vancouver, B. C., will be on the University campus Sunday, November 16, to conduct the first vesper service of the year according to announcement made by Karl Onthank, secretary to President Campbell. Dean Quinton has been called to Corvallis to take part in the State Episcopal convocation and will come here afterwards. Bishop Walter T. Summer in a letter to President Campbell states that the dean ranks high in the Episcopal church, having been twice on the faculty of the clergy summer school.

The vesper service will be another attraction for Homecoming week-end and it is expected that there will be a large attendance of graduates and former students remaining over Sunday after the festivities.

It has been customary to provide a special musical program for the University vespers which are conducted several times throughout the year. The men's and women's glee clubs have already been secured for choral numbers and arrangements are under way for obtaining soloists.

Y. W. BOOSTERS ORGANIZE

Dorothy Reed, President—Meetings to be Held Twice a Month

The Y. W. Boosters club was fully organized and officers elected at a dinner given for the purpose at the Y. W. bungalow Wednesday night, according to Dorothy Reed, president of the organization.

"They're a mighty peppy bunch and I think we'll do a lot this year," said Miss Reed in speaking of the meeting Wednesday night. "The object is to boost the Y. W. and its activities and get girls acquainted with and interested in the Y work."

Meetings will be held every other Wednesday evening at 5:15 in the Y. W. bungalow, according to Miss Reed. The club consists of 31 members, one sophomore and one freshman girl chosen from each house on the campus, three sophomores and two freshmen from Hendricks hall, one from each annex, and two town girls, she says.

Besides Miss Reed, president, the following officers were elected: Vice-president, Phoebe Gage; secretary, Maurine Elrod, and treasurer, Ruth Flegal.

Recognition pins were decided upon and will soon be worn by all members, said Miss Reed.

GIRLS' GLEE CLUB TO TOUR

Twenty-three Members to Appear in Recitals in Nearby Towns

The girls' glee club is to make a week's tour of nearby towns after Christmas vacation. The girls have been asked to report at the University the Saturday following Christmas day and the tour will begin at once. The programs are now being planned, and will include piano and violin solos and readings.

All but five members in the club this year are new. Out of seventy girls who tried out only twenty-three were chosen, and Mr. L. A. Coon, director of girls' glee club, says he has some exceptionally good material. Rehearsals are being held three times a week, and the girls are working hard in anticipation of the tour.

Steers Makes First Touchdown In Initial Period

MANERUDE DROP-KICKS FROM 22 YARD LINE

Northerners Make First Down Five Times In Succession

(Special to the Emerald)

FIRST QUARTER

Steers' big noise, his 15-yard run around right end, paved the way for touchdown. After eight minutes of play he was down on 10-yard line. Huntington gained two a half yards on two line smashes. Steers placed ball over, going seven and a half yards through Washington left tackle. Huntington kicked goal.

Score, Oregon 7; Washington 0.

SECOND QUARTER

Oregon line blocked Blake's punt from behind his own goal. Harding scooped up the ball and carried it four yards for touchdown. Huntington kicked goal.

Washington made first down five times in succession. Abel put the ball over and Faulk missed goal.

Steers went out of play due to injuries. He was taken off the field with his left eye closed. "Skeet" Manerude went in to replace him.

Score, Oregon 14; Washington 6.

THIRD QUARTER

The third quarter started with both teams bucking the line and punting. By a series of line plunges and passes Washington worked the ball to Oregon's goal line, pushing it over and scoring with a kick made by Faulk.

After the next kick-off Oregon started down the field with a series of line gains and passes. Near the 10-yard line Manerude passed to Jacobberger who fumbled, Huntington recovering the ball and carrying it across the line for a touchdown. Leslie kicked goal.

Brandenberg was laid out in a line buck play and Chapman was sent in to take his place.

Score, Oregon 21; Washington 13.

FOURTH QUARTER

In the fourth quarter Manerude scored a drop kick from the 22-yard line.

Many substitutes were sent in but no change was made in the score. The game ended

Oregon 24; Washington 13.

Reed to Debate

Reed college has decided to consider a contract providing for a triangular debate with Oregon and O. A. C. on Dec. 12. Negotiations were also under way for a triangular debate next spring between the freshmen of Reed, University of Washington, and Puget Sound.
