## CANDIDATES NAMED FOR DELEGATION TO IOWA CONVENTION

Campaign Rolls Along Toward Success; Votes Will Be Cast Thursday

### POLLS IN JOHNSON HALL

Other Institutions Arrange to Send Full Quota of Students to Volunteer Meeting.

These are the nominees nominated to represent the University at the convention in Des Moines.

#### SENIORS.

Two men and women will be selected.

Stan Anderson,	Era Godfrey
Don Newberry	Maybel Weller
Harvey Madden	Ethel Wakefield
Guy Armantrout	Louise Davis

#### JUNIORS.

Two men and one woman will be elected.

John Houston	Ella Rawlings
John Gamble	Grace Rugg
Nish Chapman	Florence Riddle
Harris Ellsworth	
Odine Michelson.	

#### SOPHOMORES.

Two women and one man.

Roy Veatch	Eleanor Spall
Elston Ireland	Margaret Goodin
Wayne Aker	Helen Clark
	Eileen Thompkins
	Dorothy Reed
	Ruth Flegel

#### FRESHMEN.

One man and one woman.

Harrison Huggins	Mildred Weeks
Hobart Belnap	Imogene Letcher
Rutherford Brown	
Del Obersteufer	Gene McEchern

The student volunteer campaign is being renewed with added vigor. The delay caused by Homecoming events must be made up by increased activity on the part of the students.

There is yet much confusion among the students concerning this campus undertaking and it is hoped to make clear the purpose and manner in which this campaign is being conducted on the campus before the end of the campaign.

The student body elected its own delegates to attend this convention in Des Moines from December 31 until January 4. The nominating committee definitely decided last night that 12 candidates should be elected by the students. These choices being made from a list of 30 students. There will be four seniors sent, three juniors, three sophomores and two freshmen. The number of men and women will be equal.

#### Polis Open Thursday.

The voting will be held in the administration building this coming Thursday, \$1 allowing an individual to cast his choice for twelve nominees. The pledge and vote cards which were distributed at assembly some time ago have been slow in coming in, the number which have been returned to date being 250. This plan was thought to be the most feasible one to raise the necessary \$1,000.

The national committee has not announced the speakers of the convention, but it has assured the colleges that men of learning, men foremost in the affairs of the nation well versed in the social, political and industrial problems of the day will address the student gathering in a systematic way. The benefits to be derived from the sending of these delegates to this monstrous student assembly cannot be estimated in figures. But it is certain that the influence which the Oregon men and women will bring back from this

(Continued on page 4)

## \$75 WORTH OF BOXES BURNED IN BONFIRE

E. C. Lake Accepts \$25 for Property Mistaken by Freshmen for Flame-Feeding Fuel.

The sum of \$25 has been accepted by E. C. Lake of the Lake Marble and Granite Works, 1035 Willamette street, in compensation for the destruction of forty monument packing cases burned in the Frosh bonfire last Friday night.

The cases, which were valued at \$75, were taken by mistake by members of the freshman class while collecting fuel for the big blaze. An arrangement has been made with numerous merchants throughout the city that all boxes and old packing crates which were available for the fire should be placed in the alleys in the middle of the downtown blocks where they would be collected.

### ALUMNI NAME COMMITTEE

Aid to Be Given in Making Plans for Student Memorial.

A committee of alumni to act with the faculty and student body committee in arranging plans for a memorial for University of Oregon students who died in the service was appointed at the meeting of the alumni executive council during the Homecoming week-end. Chester A. Moores of Portland is chairman. Acting with him will be Robert Kuykendall and Ralph A. Fenton of Portland, Walter Winslow of Salem and Professor Frederick Dunn.

Dr. James Gilbert was elected permanent-campus reporter to aid Miss Charlie Fenton Fenton, alumni secretary, in gathering material for "Old Oregon."

## CLASSES WILL MEET AT ASSEMBLY HOUR

AMOUNT OF BUSINESS ON HAND GIVES PROMISE OF LIVELY SESSIONS

Assembly on Thursday morning is to be given over to class meetings, according to information given out by Karl Onthank, secretary to the president. All classes have enough business on hand to make worth-while meetings, Mr. Onthank declared, and the purpose in allowing the assembly hour for class meetings is to give every member an opportunity to attend.

The class loyalty of the individual student is at stake, he said, and all students are urged to attend their respective class gatherings. In each case the business to be transacted makes desirable the presence of every member of the class.

The places of class meetings as given out by Mr. Onthank are as follows: Seniors, Professor Howe's room, Villard; juniors, Guild hall, sophomores, "Y" hut; freshmen, Villard hall.

### FULL UNIFORM REQUIRED

Cadets to Be Disciplined for Failure to Comply.

Some disciplinary measures will be taken with the cadets who report to R. O. T. C. drill without complete uniforms, according to an announcement made at drill period Monday. Hooks have been provided in the company rooms where the cadets may keep their blouses and campaign hats in order to avoid the necessity of wearing them during the entire day.

Those who reported in civilian clothes yesterday were held for extra drill after the dismissal of the companies.

## Impromptu Rally Bursts Forth Walkout Disapproved by Deans

Celebrating the victory that the Oregon football team scored over the representatives of O. A. C. Saturday the students gathered at the armory yesterday afternoon for an impromptu dance and general good time. All formality was cast to the winds and the men allowed to go coatless and programs were "not being done."

During the course of the afternoon "Slim" Crandall introduced himself and after getting the gang going nicely introduced "Shy" Huntington, Bill Hayward, Bart Spellman and a number of the members of the Oregon team. Carl Mautz and Captain Brandy Brandenburg could not be found when the time came for them to make their debut before the audience. "Slim" pulled one for the book when after calling loud and long for "Brandy" he remarked that

he guessed "the captain had gone below."

Stan Anderson made a hit when he was called upon to say a few words to the friends and relatives. Stan lost a couple of teeth from the front section of his face in the fracas last week-end and caused a general outburst of merriment when he started to talk.

The celebration originated on the campus and seems to have been the idea of several people at the same time. All the students who were so fortunate as to have classes yesterday afternoon were relieved of the obligation of attending them by the members who brought them out to join the crowd. In the course of the rounds, it is understood, Dean Straub was left out, and he announced that double cuts will be given to those who left classes yesterday afternoon.

## BASKETBALL TEAMS PUT IN THREE LEAGUES FOR DOUGHNUT SERIES

Schedules All Arranged and Contests Will Start Next Week

Final arrangements for the doughnut basketball leagues have been completed and all that remains now is for the schedule to be drawn up and active work to commence. Three leagues have been decided upon as the only feasible method of handling the many teams and the drawing for places on these leagues took place Friday last. The first league will consist of teams from the Bachelor club and Friendly hall and the Sigma Nu, Sigma Chi and Beta fraternities; league number two will be made up of the faculty team, the S. A. E.'s and the Oregon, Owl and S-MaraJda clubs; the third league will be the A. T. O's Fijis, Kappa Sigs, Phi Delt and Delta Taus.

"Bill" Hayward, who has charge of arranging the schedules and practice hours for the teams, will announce these within a few days and it is thought probable that the teams can begin playing off the schedules by the first part of next week. The winners of the various leagues will then meet in the semi-finals and the two best will then contest for the honors in a three-game series. It is hoped that the schedule may be completed by the first part of December, before the varsity begins regular practice.

All the games will be played in the afternoon as usual, and three courts can be secured if necessary, two in the outdoor gym and one in the indoor gym. This will be an aid to completing the schedule on time. A number of the teams have already been practicing at odd hours in the gym and from the looks of the material which has been turning out there will be some hard-fought contests in the doughnut leagues this season.

### HOT AIR WARMS BARRACKS

Furnaces to Enable R. O. T. C. Staff to Defy Winter.

The threat of wintry breezes doesn't worry the R. O. T. C. staff stationed at the barracks. Two hot-air furnaces are being installed in the basement of the building.

The excavation of the basement has been in progress for the last week, and the installation is expected to be completed by Saturday.

## 16 OFFICERS NAMED FOR R.O.T.C. UNITS

Two Lieutenants and 14 Non-Coms By Capt. Baird for Cadet Company.

Two commissioned officers and fourteen non-coms were appointed on Monday by Commandant R. C. Baird of the R. O. T. C. Harold Quayle was appointed first lieutenant and Daniel R. Welch second lieutenant. Both serve with Company C.

Sergeant appointments in Company C include Claire Keeney, D. Obersteufer, Owen Callaway and Carey Medley. Corporals appointed were E. Clark, H. Prescott, James Say, Daniel Lucas, Sterling Patterson and Glen Wakeley.

Sergeants appointed in Company D were made as follows: Edward B. Twining, John Dierdorf, Ofecene Farris and Boyd Iseminger. Jay Butler and Eugene Kelley were appointed corporals.

### BIOLOGY FILM TO BE SEEN

Professor Sweetser to Illustrate Talk on "How Life Begins."

Prof. A. R. Sweetser will give a lecture illustrated by moving pictures Wednesday evening in Villard hall on "How Life Begins." Although the lecture is primarily for the biology classes, it is open to the public. The film has been shown before in Eugene as part of the instruction classes in sciences and personal hygiene.

These films are a series of educational films which are being shown at the university in several departments including military, geology and journalism.

## STATE DEBATERS TO BE CHOSEN TUESDAY

DOUGHNUT SERIES POSTPONED - WORK FOR ORATORICAL CONTEST TO BEGIN

Owing to the postponement of the doughnut debating series, eliminations for the triangular state debate between the Oregon Agricultural college, Reed college and the University of Oregon, will be held next Tuesday at 4 o'clock in Professor Prescott's room in Johnson hall. It had previously been the plan of Professor Prescott to select the debaters for the triangular state contest from participants in the doughnut series and to a certain extent depend upon the old varsity debaters.

Anyone who wants to try out for the triangular state debate must turn in his name to Professor Prescott not later than noon Friday of this week; however, in the event that six or less hand in their names, the number required to compose the three teams for the debate, there will be no tryouts.

Professor Prescott also urges those who are expecting to take part in the oratorical contest early in January to hand in their names to him so that work may begin at once.

### DR. BOYNTON WRITES BOOK

Treatise On Thermodynamics to Be Published at End of Year

Professor W. P. Boynton, of the department of Physics, is preparing a treatise on the subject of Thermodynamics, which he will offer to publishers at the end of the year as an advanced text book on the subject.

Dr. Boynton first began work on this subject at the University of California in 1898.

## OREGON HAS CHANCE TO REPRESENT WEST AT PASADENA GAME

Coaching Staff During Saturday's Game Well Satisfied With Showing

### VARSITY CLIMAX REACHED

Huntington Gives Out Word That Players Will Rest Until Thursday.

While the varsity was downing the Aggie phalanx for the second consecutive time Saturday, the University of Washington came back and placed three elevens in the triangular tie for the coast championship. Up till that time, the Washington State eleven was conceded the logical aggregation to represent the west at Pasadena, but when Coach "Jump" Hunt's warriors took advantage of the hard schedule of the eastern Washingtonians, as the Cougars did Oregon a week before, the tables were upset and it now remains for Washington elevens to take on the California and O. A. C. respectively.

The contest Saturday marked the climax of the season for Oregon. For three straight games the teams had been struggling to uphold its honor against their hardest rivals in the conference, and as a result, this week will be one of relaxation.

Baz Williams Suffers Injuries. Coach "Shy" Huntington announced yesterday afternoon that no work will be done until Thursday. The only contest that remains on the schedule is the Multnomah game in Portland Thanksgiving day. This scrap does not call forth the spirit that a conference clash does and, unless Oregon is chosen to represent the west at Pasadena, the workout from now on will be comparatively light.

"Baz" Williams came out of the O. A. C. mix in a worse condition than any of his team-mates. The fighting tackle received a severe blow on his left shoulder and is still suffering from it. He will probably be out the lineup for the Multnomah game. Several others were slightly injured.

Aggies Outplayed at All Angles. The coaching staff which sat on the Oregon bench during the clash against the collegians was well satisfied with the showing the varsity made against the old-time opponents. There was not a doubt in the world that the Aggies were outplayed in every department of the game. The ball was in their territory during almost all of the game. "Oregon fight" was there in abundance, and the "old hands" who feared that the spirit of the past years was on the decline soon saw that such was not the case, for from whistle to whistle the Corvallis eleven was out-done.

It now remains to be seen how the conference will be settled in the next two weeks. Oregon's conference schedule is a thing of the past and while the varsity is resting on her laurels, the other members of the conference will have to show their calibre for another fortnight.

### GREGORY TO GATHER DATA

Salaries of Oregon Teachers to Be Compared With Others.

C. A. Gregory professor of education in the university, has been appointed by the State Teachers' Association as a member of the committee to gather data regarding teachers' salaries in the state of Oregon.
