

STUDENT COUNCIL PUTS UNAUTHORIZED RALLIES UNDER BAN

Committee Named to Act With Faculty in Checking Abuse in Future

DANCING PATRONS NEEDED

Student Affairs Committee to Help; Report Is Made on Seabeck Convention.

Members of the student council went on record at the meeting Wednesday night as not favoring unauthorized rallies and to provide for such occasions in the future. Don Newbury, Slim Crandall and Mabel Weller were appointed to act as a committee in conjunction with the faculty to authorize or refuse rallies proposed.

The question of provision of patrons and patronesses at student body dances was brought before the council by Era Godfrey as a member of the social affairs committee. Miss Godfrey stated that patrons and patronesses had not been properly provided for past student body dances and made a motion which was adopted by the council that the student affairs committee with the addition of two junior members and a senior man be responsible for this matter in the future. Jack Dundore was appointed by Mr. Anderson as a member of this committee and Nish Chapman and Madeline Slotboom were the junior members appointed.

Anderson Heads Organization

Stanford Anderson was elected President of the Northwest Association of Student Body executives when this body was organized at Seabeck at the time of the Y. M. C. A. and Y. W. C. A. conference held there during the early part of June, 1919. Mr. Anderson brought the fact of his election to this office to light in the course of his report of the work done by the student body presidents and editors present at the Seabeck conference at the meeting of the student council Wednesday at eight o'clock in the library.

W. L. Teutch, president of the Oregon Agricultural College, was elected vice president. Mr. Townsend of Montana was elected secretary-treasurer and E. H. Lindley of Idaho corresponding secretary.

Common Interest Considered

The purpose of the organization, according to Mr. Anderson is to bring the student executives of the northwestern colleges together for discussion and action on questions of common interest such as student government, athletic systems, fraternities, student papers, system of health fees and hospital service, the point system and the honor system. Discussion of these subjects was begun by the organization during the first session which will be held yearly.

The work undertaken by the organization, Mr. Anderson said, is well worth the while and to date, he personally and the other student presidents have been able to advise one another on important matters coming up during the year. Mr. Townsend, corresponding secretary, Mr. Anderson assured members of the council, has been collecting data from different parts of the country with regard to student government and is forwarding this matter to the different members of the organization.

Almack Goes to Coos Bay

John C. Almack of the extension division of the University of Oregon left Thursday morning for Coos Bay, where he will spend three days. He is to speak before the Business Women's club of Marshfield, the Women's club of North Bend, and the high school at Coquille.

R.O.T.C. BAN EXPECTS INSTRUMENTS SOON

Non-Coms Appointed Among Musicians—Lee Bown Selected as Drum-Major.

A consignment of 48 band instruments for use of the R. O. T. C. band is to be shipped from Philadelphia, according to word received yesterday by Captain R. C. Baird. When the shipment arrives, which will probably not be for another five weeks, the band will have its full equipment. Pouches and stands are on the way here from San Francisco.

Five noncommissioned officers were appointed in the band company Wednesday by Captain Baird. Lee M. Bown was appointed drum major, ranking as first sergeant. Herbert T. Hacker was appointed assistant band leader. Sergeant appointments were given Charles Allen, Wayne M. Akers and A. W. Campbell.

FIELD WORKER SPEAKS

Presbyterian Church Secretary Talks to College Women

Miss Mary Ashby Cheek of New York, field secretary of student work in the Presbyterian church, spoke in the Bungalow at 5 o'clock today. Miss Cheek, who was formerly Y. W. C. A. secretary of Mount Holyoke, Massachusetts, is now visiting all the colleges and universities in the west. She will stay in Eugene over Sunday.

Arrangements for her entertainment while on the campus have been made by the Y. W. C. A. cabinet meeting. Besides Miss Cheek's talk, special music was furnished to aid the program.

NEOPHYTE OPPOSES O. P. BRAND TOBACCO

CHEWING GUM ALSO ATTACKED BY ALPHA KAPPA PSI ORATOR

"What, oh what's the use of chewing your tobacco and spitting out the juice?" coyly orated Bart Laughlin (Alpha Kappa Psi neophyte) to his assembled followers in the art this morning from the steps of Deady hall. "If your constitution is strong, swallow it." He made allowance for the women, who, he conceded, had a right to spit if they wanted to. For them he recommended Masterpiece as a superior brand of mild chew.

W. B. Right Cut, combined with Star, he favored, he declared, principally because it gives a bulge to the prosperity. When you go to class, he soliloquized, slip a little of the concentrated weed under the lip, and if you must spit, there is always a convenient open window.

Some University men go about chewing O. P. tobacco exclusively, he remarked, and gave point to his argument by explaining that O. P. stands for "Other People's". He suggests for them another brand; any one of a thousand may turn out to be just what their systems require.

Chewing gum Bart abominates. It is discordant with American ideals. Chewing gum, he revealed, is put on the market as camouflage for tobacco.

Bart didn't tell about it, but he and the other Alpha Kappa Psi initiates are to have a feed at the Osburn soon with the old regulars of the commerce fraternity. The others are Baz Williams, Brick Leslie and Bill Steers.

Student Volunteers, Attention!

There will be a regular meeting of the Student Volunteer band at the Bungalow Friday from 5 to 6. Mr. Cunningham, from India, who is at present traveling in the interest of the student movement, will address the meeting.

Texas Has Big Sister Idea

The Dean of Women at the University of Texas is inaugurating a Big Sister movement.

COMPLETE UNIVERSITY WOMEN'S LOTTERY IS SET FOR SATURDAY

Upperclassmen Will Escort Youngsters to Mix in Men's Gym

The Women's league will hold its first co-ed party this year on Saturday afternoon, November 22, from 3 to 5, in the men's gym. Every freshman girl in the University will be escorted by one of the upperclass girls who will see that she has a good time. Stunts have been planned by a number of houses, to which several musical numbers will be added. House-mothers will act as patronesses for the affair. Lists of the freshmen girls and their sponsors have been made and the committee in charge of the affair is especially anxious that every girl see that her freshman comes to the party. There will be an admittance of 10 cents a couple to cover the cost of the party.

The list of girls drawn up by the committee is:

Little speculation as to the outcome of the league can be made yet, and just at present the quintets are busy rounding off the rough spots and getting into shape for the opening games. A few general rules for the season as well as the opponents for the initial contests will be announced within a few days.

Columbia Has Most Students

Plans are being made at Columbia university to revive the monthly magazine. None of the staff of the magazine have yet been appointed. The old name for Columbia magazine, the "Monthly," has been discarded. Columbia, according to the latest reports, has the largest enrollment of any university in the world. The total registration is 15,625. The entire number of those taking advantage of Columbia's extension courses is 7,441.

DOUGHNUT LEAGUE BASKETBALL GAMES WILL BEGIN MONDAY

Hayward to Announce Opposing Teams and Rules in Few Days

The first game of the doughnut basketball series will be played Monday afternoon. Although "Bill" Hayward has not as yet announced the opposing teams it is his intention to start the tournament on that date.

The teams have been given practice hours on the outdoor gym floors from 4 to 6 o'clock every afternoon, alternating in the use of the three courts. Practice schedules have been posted in the locker room at the gym.

It is generally conceded that the strongest competition will develop in league number three, made up of five fraternities which have always been strong contenders for doughnut honors. The Kappa Sigs have a number of good freshmen this year with a string of high school honors behind them, and the A. T. O.'s, Fijis and Phi Deltas can also lay claim to some likely-looking green material. The Delta Taus are not saying much, but they will be well represented when the final whistle blows.

League number one will show up to an advantage when it comes to keen contests as the Sigma Chis have back a number of their old team which galloped away with the cup last year and they will find strong contenders in the Beta and Sigma Nu quintets. The Friendly Hall and Bachelordon teams have not been out much as yet and little is known of their strength.

In league number two the S. A. E.'s are considered the best, although they will have to fight every inch of the way against such teams as teh Owl, S-Maralda and Oregon clubs.

Little speculation as to the outcome of the league can be made yet, and just at present the quintets are busy rounding off the rough spots and getting into shape for the opening games. A few general rules for the season as well as the opponents for the initial contests will be announced within a few days.

SOPHOMORES ASKED TO SUPPORT DRIVE

Reverend W. M. Case Urges Class to Contribute to Conference Fund.

William Moll Case, pastor of the Central Presbyterian church of Eugene, urged the Sophomore class, at a meeting held this morning at the Y. M. C. A. hut, to support the drive which is in progress to send delegates to the Y. M. C. A. convention at Des Moines. "The purpose of this convention," stated Reverend Case, "will be to promote good fellowship and spiritual relations." When "Pink" Boylen asked how many of the class had pledged a dollar to this campaign it was found that a large majority had contributed.

The Sophomore football team will battle with the Senior team for the interclass championship next Saturday afternoon at Kincaid field.

WIRELESS USE EXPLAINED

Bell Telephone Expert to Lecture in Villard Tonight

Dr. F. B. Jewett, chief engineer of the Western Electric company and director of research for the Bell Telephone company, will give an illustrated lecture this evening in Villard hall at 8 o'clock, on "Wireless Control of the Aeroplane and the Detection of Submarines." The lecture is under the joint auspices of the Science club and the Social Science club of the University.

During the war Dr. Jewett directed the research work on the development of wireless telephonic communication with aeroplanes as well as researches on the detection of the submarine.

STUDENT VOLUNTEER ELECTION IS ON TODAY

EARLY VOTE LIGHT — CLASS MEETINGS HEAR TALKS ON CONVENTION

The student volunteer campaign was on in full blast today. The voting booths were opened at 9 o'clock this morning and the student committee was at work on the campus convincing men and women that they should go to the administration building and vote for their representative for the Des Moines convention.

Each of the class meetings had a speaker this morning in behalf of the movement and although only about 70 votes were cast by the noon hour, everything indicates that a goodly number will be turned in during the afternoon. One thousand dollars must be raised to see the delegates eastward and if there is a deficiency it might be recovered by donations from outside individuals and outside churches.

The play to be given by Mask and Buskin at the Eugene theatre will go a long way in defraying the expense of this movement. The name of the play will be announced soon and it will be given on the evening of December 6.

POST IS GIVEN LANDSBURY

Dean Heads State Committee on Outside Music Credit

Dean John J. Landsbury of the school of music has been appointed chairman of the state committee on course of study for credit for work done by outside teachers. The report of the committee will soon be published by the department of education of the state of Oregon.

Dr. Landsbury will give lectures soon at North Bend and Albany. He has also been invited to speak at La Grande and at the State Music Teachers' association meeting in December.

SUBS WILL HAVE CHANCE TO SHINE THANKSGIVING DAY

Little Scrimmage and Light Workouts Scheduled for Week

PASADENA TRIP SLIPPING

Tournament of Roses Committee Seems to Have Overlooked Lemon Yellow Records.

After a three days' rest, the Varsity football eleven resumed practice yesterday afternoon in preparation for the final contest of the year against Multnomah club in Portland. Coach "Shy" Huntington permitted the men a rest of several days following the win from the Aggies Saturday.

The week remaining before the contest against the clubmen will be given to light workouts. Very little scrimmage is on the bill. The interest is not as keen in the annual Thanksgiving day game as is always manifested in the conference contests. It is rather a matter of giving the Portland fans some means of amusement on Turkey day.

It was a great surprise to Oregon fans to read that the Pasadena football board seems not to be considering the Lemon Yellow as a contender in the intercollegiate game on New Year's day. Oregon's record is as good as that of any other institution on the coast perhaps better, and not even mention the Varsity seems very queer to Oregon people who have seen all the teams play during the season.

Coach "Shy" Huntington has telegraphed the Tournament of Roses committee at Pasadena that if it would help to have Oregon play either California or Stanford the University of Oregon would do all possible to arrange such a contest to be played a post-season affair either here or in the south.

A letter has also been sent to George Varnell of Spokane, who has been referee in most of the conference games this year asking his opinion as to the strength of the various aggregations in comparison with Oregon. It is rumored that the official made the remark while in Eugene that Oregon is the logical eleven to represent the west. His opinion should count a great deal, for in his capacity of referee he has seen every team in action.

Whatever is done in the south, Oregon, it is believed here, should at least be considered.

The coaches have not decided definitely whom they will use in the Multnomah clash, but it is almost certain that the first team that played in the O. A. C. contest will not start the game. Several of the men who have been used as substitutes will have a chance.

If the Pasadena committee does not pick Oregon for the big game, the Varsity football season will soon be a thing of the past.

Scoop Hounds Plan Peppy High Jinx Party Extraordinary to Be Staged

The column writer took his feet off the desk and quit in the midst of his poem upon the uselessness of watch pockets on bathing suits, the copy hound put on an extra burst of speed as he took the last of the copy to the machines, the sport writer laid down the latest copy of the Police Gazette, which he was reading for sporting data, the society reporter quit her perusal of the society page of the rival town publications, the city editor smiled, the news editor smiled, the managing editor smiled, in general the whole force smiled, for it was Saturday, November 22, and the journalists were billed for one big grand blowout this night.

Phi and Sigma Delta Chi, are assuming the responsibility and with Mary Ellen Bailey as all-highest, the committee has everything ready. So everyone that hangs out in the little white shack behind McClure smiled. DeWitt Gilbert and Bob Case are speaking for the men on the committee while Mary Ellen Bailey is being assisted by Frances Blurock. Alexander G. Brown and Harris Ellsworth are both dodging responsibility for small publication that will make its appearance at the affair.

Everything is ready—stunts, music, dancing, eats and everything. The two journalism tongs, Theta Sigma
