**AFTER THE GAME**

Following are a few excerpts from the O. A. C. Barometer regarding the defeats which the Aggie athletic teams suffered at the hands of Oregon teams Saturday:

Regarding our victory in soccer the story printed in the Barometer ends with this statement: "The game was exceptionally rough and the referee refused to call fouls, especially in the last half, when Oregon's players repeatedly played the man instead of playing the ball."

The story on the Oregon victory in cross country concludes with this statement: "The O. A. C. runners were handicapped since they had been training for a three mile run. The run was difficult since it took in hard pavements."

The editorialist of the issue in reviewing the week-end says in part: "The first and most important fact that the game demonstrated is that Oregon has a better football team this year than we have. The margin between the two teams is a small one and if the two kicks had not been blocked in the first quarter it is more than probable that O. A. C. would have won. An untimely penalty near our goal line gave Oregon several precious yards that she would have had a hard time carrying the ball across in actual play. These facts could be played up as an excuse for saying that the result was a fluke, but we have no disposition on the campus to do so."

The editorialist did not like Oregon's stunt and condemns it as follows: "The hooting when the team (U. of O.) came out was poor sportsman ship and it has been condemned by many people here, but the University's trick between the halves was enough to provoke anyone to indignation. Beating a woman over the head with a big maul in the presence of 10,000 people may be a demonstra-

tion of college spirit, but it is poor taste, to say the least."

The editorial column also bears this useful bit of information: "The U. of O. people said they would know us, and they sure did. We had barnyard mud on our feet all right—after we left their athletic field."

**JUNIORS PLAN WEEK-END**

TRACK EVENTS TO BE BROUGHT HERE FOR OCCASION.

Prescott Will Bring Twelve High School Debaters to Conference.

Plans for Junior Week-end occupied the business period of the meeting of the Junior class at 11 o'clock this morning in Guild Hall. In the absence of the interscholastic track meet which has heretofore been held at the university as a part of the athletic activities of Junior Week-end, some other form of athletics will be provided for.

Marion McClain, student graduate manager, in a short talk on athletic activities for Junior Week-end, said that an attempt would be made to hold an intercollegiate track meet instead. In spite of the poor condition of Kincaid field for the event, Mr McClain thinks, that with a minimum of expense the field can be put into shape for the event. He said that he was quite certain that there would be little difficulty encountered in arranging for the track meet to be held at the university. A baseball game for Thursday and Friday afternoon, said Mr. McClain, could easily be arranged, however, nothing definite could be announced until after the meeting of the intercollegiate conference in December.

R. W. Prescott, secretary for the Oregon high school debating league and head of the department of public speaking at the university, will have the twelve high school district champions here during the Junior Week-end to compete for the championship of the state and it will be up to the Junior class to entertain them while in Eugene. This will be a good way, thinks Mr. Prescott, of advertising the university to the future college students of the state and bring more of them into the university.

Stan Anderson, president of the associated students, spoke at the opening of the meeting on the importance of the student's volunteer convention at Des Moines. Mr. Anderson urged that the Junior class be unanimous in voting and giving one dollar to the movement.

A motion was passed to have a live committee appointed to work on plans for establishing a tradition at the university for which the Junior class would be the sponsor. This committee will be appointed within a few days by Nish Chapman, president of the Junior class. A motion was also passed that the president of the class be empowered to appoint a sufficient number of "marshals" from the Junior class to act as ushers at assemblies. The motion was passed and the appointments will be made in a few days.

**Y. W. GETS WORK FOR 41**  
Many Women Aided by Bureau Since Term Began

Miss Urith Dailey, secretary of the Y. W. C. A. of the University of Oregon, has placed 41 women in positions year. Most of this work is housework or the care of children. About 15 women have succeeded through Miss Dailey in getting places to work for their room and board. There are still eight or ten homes in Eugene where it would be possible for University women to work for their room and board.

The Y. W. C. A. has been practically unable to place women in clerical and stenographic positions, as no calls come in for that kind of work. There is a waiting list of from 12 to 15 women for clerical or stenographic work.

Ohio Freshmen Win From Varsity  
Ohio state's freshman football squad defeated the regular varsity squad by four touchdowns in a recent scrimmage.

**"No Dates Allowed"**

**At Senior Big Shindig; But All Must Attend**

Every woman who attends the senior party in the Men's gym tomorrow night will have a partner to deliver her f.o.b. at her own door, says "Mike" Harris, chairman of the committee. Partners are absolutely guaranteed for the sojourn home, but woe be the him and her who have dates to the party. This will never do, as the affair is to be strictly dateless and every senior man and woman is to be there.

"Some of the men's houses are having dances and other entertainments for Friday night," said Mike today, "but they will be held responsible for getting their seniors to the senior party, and if they don't get them there the committee won't be held responsible for what happens to them." He went on to say that the seniors, being the dignified element in the University, do not usually approve of roughneck proceedings. "But seniors do stand for justice," he said, "and justice it shall be, no matter what form it may have to take."

Everyone will have a chance to dance, but that won't be all. They will have to spend some of their time eating and some watching various stunts and entertainment provided by a committee in charge. Miss Rosilina Espinosa will do a Spanish dance and will be accompanied with just the right kind of music.

There will also be just the right kind of music for dancing and the floor is going to be smoother and better than on any former occasion this year.

All in all, seniors, you'd better comb your back locks and come.

See the Best of All Liars at the Eugene theatre, Dec. 5. Benefit of by student body for benefit of Student Volunteer Movement.

**MORE SOCCER GAMES SOUGHT FOR OREGON**

Multnomah May Be Brought Here Thanksgiving; Chance Against O. A. C. Thought Good.

After administering a 3 to 1 defeat to the O. A. C. soccer team, the varsity has taken on new spirit, and Manager Parr is endeavoring to get several more games for this year. The only game now scheduled is one with O. A. C. at Corvallis, December 7.

The achievement of the soccer team last Saturday is unusual when it is considered that the team has not had a coach. It was planned to have Bart Spellman, but all of his time is taken up by the varsity football team. Prof. Colin V. Dymment of the journalism department has finally been procured to coach the team two days a week, Monday and Tuesday. Dymment has coached nearly every soccer team that Oregon has ever had. His advent as instructor will probably change radically the lineup of the team.

Efforts are being made to arrange a game with the Multnomah Athletic Club of Portland for Thanksgiving day. But it is not at all certain that this game can be scheduled, for many of the members of the team want to go home Thanksgiving instead of playing this game.

The prospects of defeating O. A. C. in the coming game are good, according most of the soccer men in school. The team is expected to improve in the coming week.

Biology Lecture Called Off  
Prof. A. R. Sweetser's illustrated lecture on the "Beginnings of Life," Wednesday evening, was called off on account of the motion picture machine failing to work. The lecture will be held in regular classes later. About 250 persons went to Villard hall for the lecture.

*The liveliest overcoat styles in town*

That's what you'll say; it's more important, too, that you say it than that we do.

Form-fitting coats; single and double-breasted; Chesterfields; loosely draped coats; ulsters; great-coats.

All of them made by  
**HART SCHAFFNER & MARX**

Better get yours now while there are plenty to choose from; you know what they say about the "early bird."

**Willard**  
STORAGE BATTERY

**UNIFORMITY**

Uniformity is the secret of success of any good product.

It's the reason Willard Batteries with Threaded Rubber Insulation are making such a wonderful record of long life without repairs. Ordinary materials used for insulation between battery plates are taken just as they come from nature and can't be made uniform by any process.

But Threaded Rubber Insulation is built up by a scientific manufacture. Every piece of it is like every other and almost invariably Threaded Rubber lasts as long as battery plates.

No wonder many of these batteries have given three and four years of uninterrupted good service.
