

## \$500 STILL NEEDED TO SEND DELEGATES BACK TO DES MOINES

97 Students Fail to Fulfill \$1.00 Pledges; Faculty to Contribute

## EUGENE CHURCHES VOTE AID

Veatch Seeking Aid in Portland—Mask and Buskin to Give Benefit Play

With \$500 yet to be raised to send Oregon delegates to the student volunteer convention in Des Moines, the campaign for funds is being continued by members of the active committee. In the election held Thursday and Friday, 97 students who signed election pledge cards did not participate in election or pay their \$1, said Miss Urith Dailey, Y. W. C. A. general secretary. These pledges will be collected by a committee, said Miss Dailey.

Faculty pledges have been very poor, said Miss Dailey, and only a few dollars have been contributed by them. "We have to get enough money from the faculty to send one faculty delegate to the convention," she said.

Roy Veatch, who is spending the week in Portland is making an attempt to secure pledges from Portland churches. He is meeting many refusals, says a telegram received yesterday by Miss Dailey. The telegram reads: "Many refusals; very little available; students must help more. Drive hard; this is the only chance in four years. Oregon never fails. We get until Saturday Oregon never quits fighting."

Names of the delegates to attend the convention must be submitted to headquarters by Monday, said Miss Dailey. All necessary money must be pledged by that time, she said.

Eugene churches have made generous pledges toward the fund. The Methodist at a meeting of the official board Monday night agreed to pay \$200, Presbyterian \$100, Baptist \$40, Congregational \$20. Some of the other churches have not yet been given an opportunity to pledge, said Miss Dailey, and they probably will make generous contributions.

Another source of funds is the play to be produced by Mask and Buskin, Saturday, December 6, at the Eugene theatre. The name of the play has been announced as "The Prince of Liars," and it is under the direction of John Houston and Lyle McCroskey. All profits from the play are to be turned into convention fund.

## ARMY DOCTOR URGES VALUE OF PHYSIQUE

MAJOR SWAN IN ILLUSTRATED TALK TO R.O.T.C. STRESSES CARE OF BODY

Major Eugene L. Swan, of the surgeon general's staff, spoke last night before the members of the R. O. T. C., presenting motion pictures on personal and social hygiene. The value of the perfect physique, not only in army, but in civil life also, was dwelt upon by Major Swan. The reconstruction problems, he said, will demand the best that the rising generation has to offer.

The film, which was made during the war, was used by the commission on training camp activities and exhibited in every camp in the country. During the war, Major Swan visited each of the camps, exhibiting the film and lecturing upon the subject.

## ANNETTE KELLERMAN RIVALS TO COMPETE

Inter-Class Swimming Contest to be Held in February—Freshman Material Good

All you rivals of Annette Kellerman come over to the swimming pool and show your skill! Miss Catherine Winslow, instructor in woman's gymnasium, issues the call to all those who want to compete in the class and interclass contest, to be held in February.

The freshman material is good, according to Miss Winslow, who says there are quite a number of first year girls who swim well. Last year the freshman girls won the beautifully engraved loving cup offered by Miss Mabel Cummings.

The points in good swimming are speed, endurance and form. No one can expect to enter the contest unless she obtains these requisites, and so is urged to commence practice as soon as possible. "The girls have to come out and work hard," said Miss Winslow.

The events will be as follows: Strokes—plunge for distance, swimming one length of the pool; back stroke, one length; free style, one length; free style, two lengths; and the relay.

Form—diving, four styles. Stroke for form—crawl, breast, back and side.

All entries in strokes will have to enter all events.

## GEOLOGY STUDENTS HIKE

Students Climb Baldy to Study Formations and Gather Rocks

Dr. Warren D. Smith's general geology class climbed "Baldy" mountain, three miles east of Eugene, last Saturday. Through their field glasses members of the party got a splendid view of the Three Sisters and could clearly discern huge glaciers on the mountains.

Caves of lava formation found near the base of "Baldy" were visited by the hikers. Rocks were studied and specimens collected.

At noon the party had lunch on top of the mountain. Mrs. Marian McClain, circulation librarian, accompanied the group.

## SIMPKINS NOW AT HARVARD

Graduate of '16 Teaching Advanced Classes and Working for Degree

Cleveland Simpkins, graduate of the class of 1916, is now at Harvard university, where he is working toward a doctor's degree in experimental and comparative zoology. He is a teaching fellow at Harvard and is instructing in advanced courses of comparative anatomy and embryology. He mentions in a letter to Carl Onthank, secretary to the president, that he has several University of Oregon men, among them Nellis Hamlin and Anthony and Nicholas Jaureguy.

## DR. PACKARD TO RETURN

Geology Professor Will Be Back on Campus Next Term

Dr. Earl L. Packard, professor of geology, now away on leave of absence, will be back on the campus next term. He will teach historical geology and beginning geology.

Professor Packard taught here last year, but during this summer and fall, he has been doing field work for oil companies.

## GEOLOGISTS TOLD OF MINE

Newton Estes Recounts Experiences of Summer in Bunker Hill

Newton Estes, a senior, who two summers ago worked in the Bunker mine, told of his experiences while working there at a recent meeting of the geology club.

These are the largest mines in the world.

## FOUR GAMES PLAYED IN FIRST DOUGHNUT BASKETBALL SERIES

Friendly Hall, Bachelordon A. T. O. and S. A. E. Teams Victorious

Friendly hall walloped the Sigma Nu quintet by a score of 13 to 2 and the A. T. O. team defeated the Fijis by the lopsided score of 14 to 4 in two fairly fast exhibitions on the outdoor gym court in the opening games of doughnut basketball league yesterday afternoon. In a very one-sided contest the Sig Alphas took the S-Maralda club into camp by the tune of 28 to nothing. More nearly evenly was the contest between the Beta and Bachelordon representatives which was won by the newer organization by a score of 8 to 6. The games started off promptly, the A. T. O. and Fiji teams taking the floor first. Games were played in five minute quarters.

A. T. O. Team Strong.

In the Sigma Nu versus Friendly game the playing was all in favor of Friendly and the Sigma Nus were unable to score a basket from the field, making their points on free throws. Eddie Durno was referee of the games.

The lineups were as follows:

Fijis (4) A. T. O. (14)  
Knudsen (..) C. (4) K.VonderAhe  
Darby..... F. (4) F.VonderAhe  
LaRoche..... F. ....Williams  
Grey..... G. ....(6) Folts  
Bain..... G. ....Couch  
Substitutes: Fijis, Tuerck for Darby, H. Jacobberger for LaRoche, Huston for H. Jacobberger. A. T. O. Huggins for F. Vonder Ahe and Eggleston for Williams.  
Friendly (13) Sigma Nus (2)  
Stone (2) C. ....Dudley  
Palmer (7) F. ....(1) McKinney  
Parker (2) F. ....Barrager  
Knighten..... G. ....(1) Shattuck  
Marten (2) G. ....Hollenbeck  
Substitutes: Sigma Nus, Crissey for Hollenbeck, Day for Barrager, Shafer for Dudley and Shepherd for Day.

Teamwork is Good.

The teamwork of the S. A. E. team was very good, and although the S-Maralda losers put up a hard fight they were overwhelmed. Moores, McDaniel and Gassaway starred for the Sig Alphas, while Oden seemed to play the best game for the S-Maralda. The lineups were as follows:

Sigma Alpha Epsilon S-Maralda  
Liebe..... F. ....E. LaSelle  
Gassaway..... F. ....Gaily  
McDaniel..... G. ....Stickle  
Moores..... G. ....Oden  
Purdy..... G. ....Winds  
Substitutes: S. A. E., Fuller for Purdy, Russlaw for Gassaway. S-Maralda, P. LaSelle for Winds.  
Teams Evenly Matched.

Alteration on the floor of the S. A. E. and S-Maralda were the Betas and Bachelordon. The game was more evenly matched than the other and was interesting to the last minute. Bachelordon won the game by a score of 8 to 6. The lineups were as follows:

## VARSAITY MAY GO SOUTH GRIDSTERS READY FOR MULTNOMAH

## HUNTINGTON TO USE FIRST STRING ELEVEN IN PORTLAND GAME

Coach Decides Not to Take Any Chances With Clubmen's Strengthened Team

## REGULARS NOT IN SHAPE

Several Still Crippled as Result of O. A. O. Clash—Big Oregon Crowd to See Tilt

As a result of information which drifted down from Portland, Coach "Shy" Huntington has changed his plans for the contest against Multnomah club on Thanksgiving day. Up till Saturday, Huntington had planned on using his second-string men in the return clash, but when he found that the clubmen have been strengthened by the addition of several stars he decided to use his regular eleven.

The team will leave tomorrow morning at 7:55. A light workout is scheduled for tomorrow afternoon on Multnomah field, in order to get the men used to the gridiron.

Since the O. A. C. game a week ago the spirit has been at a standstill on the campus. No further conference games are on the schedule and the season is virtually over because of that fact. Only the Multnomah contest remains unless Oregon should be chosen for the Pasadena trip.

Band to be Taken.

An effort was made yesterday to arrange to take Oregon's band to Portland for the fray. The Portland club agreed to pay one-half of the expenses for the bandmen, but so many of them are planning on going to their homes for the weekend that it was impossible to get enough men to make a showing.

A large Oregon delegation will be in Portland for the game. Several hundred students are planning on making the trip and a large number of alumni are in the Rose City, so all in all the university should be well represented in the stands.

Coach Huntington is undecided as yet as to whom he will use at the beginning of the game. Several of the regulars are still unable to scrimmage as a result of the Aggie clash, so some of the first string of substitutes will be used in their stead. If things go well for the varsity, a number of second string men will be sent in to replace regulars. A few of the likeliest looking freshmen are being taken along and may be given a chance to show what they can do against real competition.

## R.O.T.C. MEN STUDY AUTOMATIC RIFLE

Lieut. Allan Carson, '22, Will Direct Instruction for First Year Men

Instruction with the automatic rifle will begin next Monday for freshmen members of the R. O. T. C. The work, which will involve the handling of a Browning automatic rifle, will be much of the same nature as the machine gun instruction now in progress.

The instruction will be under the direction of Lieut. Allan Carson, a member of the class of '22. Lieutenant Carson served overseas where he became fully acquainted with the use of both the Browning and Chauchat guns.

The work here includes a two weeks' course, two periods consisting of one hour being devoted to each three branches, nomenclature, operation and tactical usage.

## ALEX BROWN TO GO EAST

Delegate to Journalists' Convention Leaves for Illinois Saturday

Alexander G. Brown of Portland, a junior in the university, will leave Saturday to attend the Sigma Delta Chi convention at Champaign, Ill., as a delegate from the University of Oregon Omicron chapter. This is the first time that a University of Oregon representative has gone to the convention of Sigma Delta Chi, national journalism fraternity.

Brown is president of the Oregon chapter, and is a charter member of the Owl club. Last summer he was employed on The Dalles Chronicle.

During the trip east he will visit in Chicago, St. Louis and in Missouri.

## 3 NON-COMS APPOINTED

Corporal Latham is Made Sergeant; Rosebrough and Ellis, Corporals

Three non-commissioned officers were appointed Monday by Commandant R. C. Baird for service in company A of R. O. T. C. Mark Latham was appointed sergeant and Cadets Arthur Rosebrough and Harry Ellis are named as corporals.

Rifles were issued to the individual members of the R. O. T. C. companies Monday morning. Each man in companies A, B, C and D is now equipped with a gun for which he will be held responsible for the remainder of the year. Rifles have been in use for the past month, but were unassigned.

## SOCCER GAME POSTPONED

Oregon Will Not Play Multnomah Thanksgiving Day

The attempt to schedule a soccer game with Multnomah for Thanksgiving morning was not successful, but it is probable that a game will be arranged some time after the completion of the football schedule. The date of the return game with O. A. C. has likewise not been decided upon.

Practice will continue during the interme.

## Indiana U. to Give Five Plays.

The students of dramatics at the University of Indiana are planning to give five plays during this semester. They will be as follows: "Madame Butterfly," "Suppressed Desires," "Neighbors," "Riders to the Sea," and "The Proposal Under Difficulties."

## OREGON'S HOPE OF PLAYING IN PASADENA CONTEST BRIGHTENS

Lemon-Yellow Still Has Good Chance to Represent West New Years Day

## SATURDAY'S GAMES HELP

Varsity at Top of Heap in Coast Conference—Much Depends on Seattle Fracas

PACIFIC COAST CONFERENCE STANDINGS table with columns for Team, Won, Lost, P. C.

As a result of the gridiron contests last Saturday, the entire northwest is talking about the Pasadena game on New Year's day. As usual this season, the dope was upset again and as a result a different phase of the proposition must be taken into consideration.

How any committee can keep Oregon away from Pasadena is hard to figure in view of the facts as they appear at this time. Oregon has won all except one contest during the year and has as good a percentage as any team in the conference.

California and Washington are the only other two elevens who can be considered as prospects now. These two rivals meet in Seattle on Thanksgiving day, and the loser will be eliminated.

## ORATORS TRY-OUT SOON

ALL STUDENTS ELIGIBLE FOR CONTEST AT FOREST GROVE

Possible Judges for Event in March Named—Oregon's Past Record Good

Tryouts for the old line state oratorical contest which is to be held at Pacific university, Forest Grove, on the second Friday in March, in which both men and women of the campus are eligible, will be held in the near future. At a meeting held last Saturday at Willamette university at Salem the old system of judging the contest was decided upon and the heads of the English departments at Bellingham normal, the university of Montana, and the university of California, were decided upon as judges for the manuscripts. The manuscript will be considered from the standpoint of originality, composition and oratorical possibilities, delivered to them three weeks before the date of the contest.

Bishop Walter Taylor Sumner, Dr. Joshua Stanfield, Judge Wallace McCamant, Circuit Judge Charles E. Wolverton, Frank Hilton, J. E. Faker, all of Portland, Judge Henry Benson of Salem, B. L. Eddy of Roseburg and Dean Poling of Corvallis are under consideration for judges at the contest, three of which will finally be decided upon.

In the past Oregon has held a high place in the oratorical contest in which various colleges in the state are participants.

## Journalism Jinks Scores Beat Scoops and Scribes Make Merry

BY BILL BOLGER. The first "get-together" of journalism students in the university was held Saturday evening in the men's gymnasium. The affair was staged under the auspices of Sigma Delta Chi, national honorary journalism fraternity for men, and Theta Sigma Phi, the women's national organization.

The committee in charge, Mary Ellen Bailey, Frances Blurock, Doro-
