

FRIENDLY HALL FIVE TAKES FIRST GAME IN SEMI-FINALS 10-8

S. A. E. Lose Hard Fought Contest But Keep Rooters on Toes Till Last

The fast Friendly hall quintet scored a victory over the S. A. E. five in the first game of the semi-finals in the doughnut league Monday evening by a score of 10 to 8. The game was one of the fastest and hardest fought contests that has been staged on the floor this year, and although the Friendly team maintained the lead throughout the evening, they were kept on their toes by the fast team work and consistent playing of the S. A. E's.

Baker of the Dorm team hooped two field baskets in the initial period and Stone also scored one. Moores of the S. A. E. five threw a long basket from the center of the floor and this was followed by McEntee with another long shot from the same position. This, together with two free throws by Stone, completed the scoring in this half. The S. A. E's came back strong in the last period and made two baskets while the Friendly boys were unable to hit the circle—their scoring consisting of two free throws by Stone.

Numerous fouls were called throughout the game and Stone converted four of them into points for Friendly, McEntee of the S. A. E's being unable to score from this source. McDaniels of the S.A.E. five was forced to leave the game in the last half when he was knocked out by a collision with Martin. Harper replaced him. The Friendly team substituted Davis for Clark.

Martin, the scrappy guard of the Friendly five, was the bulwark of defense for his team while Stone was the most aggressive offensive player, although the work of Baker in the other forward position was a strong factor in the scoring. Moores, McEntee and Gassoway all played a good game for the S. A. E. five, McEntee by his steady consistent playing and Moores and Gassoway for their fast floor work and aggressive playing. Martin, guard on the Friendly team, has gone five consecutive games without being scored on. Eddie Durno refereed the game.

The line-up:
Friendly Hall (10) S. A. E. (8)
Clark C. (2) Gassoway
Stone (6) F. Liebe
Baker (4) F. McDaniel
Martin G. (2) McEntee
Knighen G. (4) Moores

PROBE OF ACTIVITIES ON

FACULTY MEETING DISCUSSES OUTSIDE DIVERSIONS

Honor System Explained by Professor Howe—Upperclassmen Eligible—High Standards Set

What are the advantages and disadvantages of sophomore pledging? Does homecoming day and freshman bonfires interfere with the better work of the students of the University of Oregon? A committee to investigate these questions was appointed at the last faculty meeting.

Dr. D. W. Morton, dean of the school of commerce, gave notice that he would submit a motion at the next meeting of the faculty, to give commerce students the degree of Bachelor of Business Administration instead of Bachelor of Arts as formerly.

It was moved that Dr. Ralph G. Young be recommended by the board of regents for the degree of Bachelor of Arts. Dr. Young attended the University of Oregon three years taking the pre-medical course. Leaving here in 1913, he attended the University of Oregon Medical School for four years graduating with the degree of Doctor of Medicine. Mr. Young is now a practicing physician in Caldwell, Idaho.

The honor system was explained by Professor Howe, of the literature department. A student may be a candidate for honors in his junior and senior years. To be a candidate for honors one must have a grade of 'S' or above for the preceding year's work in that subject. Professor Howe said that it was not only an honor to be an honor student, but an honor also to be a candidate for honors. The student must maintain throughout his candidacy a high degree of work. It is not essential that the student be a candidate for honors in the subject in which he is majoring.

VARSITY CANDIDATES OUT

FIRST BASKETBALL PRACTICE HELD—PROSPECTS GOOD

First Game is But One Month Away—8 Letter Men and Last Year's Frosh Form Nucleus

With eight former basketball lettermen, and six members of last year's frosh quintet as a nucleus, initial varsity practice was held last night. The team is for the present in charge of Shy Huntington and Bill Hayward who will cooperate in the training of the hopefuls.

With the first game of the season less than a month away, allowing only about two weeks of practice, Hayward hall will soon be the scene of hard workouts. Neither Huntington nor Hayward would make any predictions regarding the chances of the lemon-yellow to repeat its success of last year in the race for coast championship honors, but with the string of men out, chances look very favorable.

Four members of last year's team are Eddie Durno, Nish Chapman, Herman Lind, and Francis Jacobberger, will be the nucleus of this year's quintet. Lynn McCready, Jay Fox, Bill Steers, and Hollis Huntington are former lettermen who will assist in the formation of a winning five.

The basketball schedule for 1920 is as follows:

- January 12-13, Whitman at Eugene.
- January 22-23, Washington at Seattle.
- January 24, Open.
- January 30, Willamette at Eugene.
- January 31, Willamette at Salem.
- February 5, W. S. C. at Eugene.
- February 6-7, Washington at Eugene.
- February 13-14, O. A. C. at Eugene.
- February 18-19, California at Berkeley.
- February 20-21, Stanford at Palo Alto.
- February 27-28, Stanford at Eugene.
- March 5-6, O. A. C. at Corvallis.

DISTRICT CHAIRMEN PRESENT PLANS FOR CAMPAIGN

(Continued from page 1)

Eastern Oregon Students to Meet.

Lindsay McArthur and Harris Ellsworth announced the calling of a mammoth mass meeting of all students hailing from east of the Cascades for Thursday afternoon at the Y hut. Indications are that it will be a typical Pendleton round-up, and students from all other parts of the state are warned to use either Twelfth or Eleventh streets on their way down town between 4 and 6 on that day, as a proper means of precaution against possible injury. No "red eye" can be obtained for the occasion, but Lindsay and Harris both vow that there is one part of the state which knows it is alive even in a campaign for money. More mass meetings are in prospect all during the week, and up until vacation begins.

As an instance of how the campaign was "taking" on the campus Wilbur Carl said that several, both among the men and women, are planning to work during vacation and turn their entire earnings over to the fund as their contribution. Heads of the houses have voiced their enthusiastic support of the campaign, and the faculty has endorsed it heartily from the moment the students showed a desire to take the matter up as a student body affair.

Students Supporting Campaign

The chairmen of the districts expressed themselves as well pleased with the support they are meeting in organizing their work, and look forward to a demonstration on Thursday at assembly that will show every student in the University to be squarely back of the campaign.

The following chairmen are now at work organizing their territory, and selecting assistants for the more important towns: Nell Warwick, Coast District; Marjorie Kay and Mae Ballack, Willamette Valley; Harris Ellsworth, Upper Columbia; Lindsay McArthur, Eastern Oregon; Dorothy Wootton, Lower Columbia; Larry Grey, Southern Oregon; Dorothy Duniway, Portland.

Each student in the University will be urged to raise \$20 towards the Women's building in any manner he may wish to enjoy. The committee does not expect that each one will be able to contribute that amount from his personal funds, but expects that he will raise it among his friends or relatives, or among friends of the University in his home town.

REDDIE WILL REPEAT "MARTIN CHUZZLEWIT" LAST YEAR'S SUCCESS

Dicken's Comedy on Bill For Eugene Theater Next Friday Night

"Martin Chuzzlewit," the favorite classic comedy which offers an unusual opportunity for character play, is now receiving final touches in preparation for Friday night when it will be staged at the Eugene theatre. The cast, and an all-star one, by the way, is working overtime in the effort to make this old standard a finished production.

Although "Martin Chuzzlewit" was shown on the campus last year with practically the same cast it is repeated without apologies. Because of the many requests from university and towns people who were unable to see the performance last spring Professor Reddie has consented to stage again the old standard. A few changes in the cast have been made. Dudley Day will take the part of young Martin which was taken by Ogden Johnson last year and Marian Gilstrap will play Florida Hill's role as Ruth Pinch.

"Martin Chuzzlewit," said Miss Charlotte Banfield, assistant to Professor Reddie, "is the first of Dickens' dramatizations and offer unlimited opportunity for character portrayal." Following is the cast as it stands:

- Old Martin—Roy Veatch.
- Young Martin—Dudley Day.
- Tom Pinch—Norvell Thompson.
- Charity—Dorothy Wootton.
- Mercy—Vera VanSchoonhoven.
- John Westlock—Carl Miller.
- Mark Tapeley—Claire Keeney.
- Mary Graham—Marian Taylor.
- Ruth Pinch—Marian Gilstrap.
- Jane, the maid—Norma Medler.

SOCCER TEAM TIES O.A.C.

1-1 SCORE IN LAST GAME OF SEASON AT CORVALLIS

Manager Dwight Parr to Entertain Eleven With Banquet for Good Work

The soccer team finished the season Saturday with a 1-1 tie with O. A. C. at Corvallis before a large crowd of Beaver supporters. The game was rough at times and fouls were called frequently over which gave rise to considerable argument with the referee. Oregon scored in the first half, a beautiful shot by Jay Fox, which was juggled by the goal keeper, being converted into a goal by the timely appearance of John Tuerck.

Due to better conditions and more practice O. A. C. kept the ball in Oregon's territory the greater part of the time and shortly after the beginning of the second half scored their lone tally. The game was a hard fought affair from whistle to whistle as O. A. C. was determined to atone for their last defeat and if possible "beat Oregon in something." Oregon's backfield to a man played a wonderful game, as did also Henry Koerber, Lyle Bain, Herm Lind, Dwight Parr, Jay Fox and John Tuerck.

Considering the handicap of not having had a coach, the team has done well in its two games with O. A. C. and considerable credit for the showing made is due the older members of the team who have had previous varsity experience. O. A. C.'s inability to put over a win leaves Oregon as the "undisputed" soccer champion of the northwest." Manager Dwight Parr intends giving the members of the team a banquet in appreciation of their excellent work and efforts towards making the season a success.

Lime Showers California Students.

University of California students were treated to a lime shower bath not long ago when the lime storage tank, located at the south corner of the administration building, burst. Thousands of gallons of slacked lime covered the vicinity.

Columbia Boasts 15,000.

Columbia is still the world's largest university. According to the "Spectator," there are 15,265 students enrolled this year.

Economy Rules at Idaho.

Flannel shirt and corduroys will be worn by the upperclassmen at Idaho university hereafter for "economy and comfort."

OREGON MAN WINS THREE OF HIGHEST HONORS AT FRONT

Captain Lewis Beebe Holds D. S. C. and Croix de Guerre. Also Cited in Orders

One of the University's most distinguished war heroes was heard from recently through the president's office via Brest, France, where Lewis Beebe, survivor of all the major operations of the world conflict and the possessor of the Croix de Guerre and Distinguished Service Cross, is acting as assistant base adjutant. Beebe's service record reads like a chronology of advancement.

At the outbreak of the war Captain Beebe left the University as a sophomore to enter the federal service with the coast artillery at Fort Stevens, Oregon. In October of the same year he accepted a commission in the regular army and in April, 1918, he went overseas with the Third division. Captain Beebe has served as platoon commander, regimental intelligence officer, regimental operations officer, battalion adjutant, regimental adjutant, and at present is assistant base adjutant at Brest.

While in the University Captain Beebe was prominent in intercollegiate debate and was a member of Tau Kappa Alpha. He left in of Tau Kappa Alpha.
