

1523 STUDENTS HERE; ENROLLMENT FALLS 26 FROM LAST TERM

805 Men, 718 Women Register; Commerce Leads in Numbers

The registration thus far this quarter has not reached the mark expected, the number being only 1523. At this time last year there were 1108 students.

There are 87 more men than women. The total number of men is 805; the number of women, 718.

Students now registered who were not here last quarter total 164, but of these 87 have been enrolled in the University previously.

The most popular courses in the University seem to be commerce, zoology, English and journalism. There are six fewer majors in the school of commerce this quarter than were registered the second quarter of last year. In zoology there are 58 more, making a total of 226. The school of journalism has about 120 majors, about twice as many as were registered last year.

Multnomah, with 442, has more students than any other county. Fifty-one are newly registered this quarter. Lane ranks next, with 41 new students, and a total of 398. After that the number drops down to Marion county with 5 new students and 65 altogether, and Jackson with 3 and a total of 54. A few of the counties have only one student, as Curry and Harney. Wheeler had only one until this quarter when a new student registered.

Washington ranks first among the outside states in number of students. Six new students came from the northern state this term. California ranks next, having in the University 30 students, of whom two are new this term. There are 25 from Idaho, three of whom are new, and two from British Columbia, one of whom is new. Two of the new students this quarter are from Bavaria.

NEW COURSES START

WORLD PROBLEMS WILL BE STUDIED NEXT WEEK

Idea is Fostered by Y. M. and Y. W. Under Direction of Student Volunteer Delegation

In response to a need felt on the campus for a deeper knowledge of world problems and facts, a series of courses dealing with these problems will be offered under the auspices of the Y. M. C. A. and Y. W. C. A. and under the leadership of the student volunteer band and the delegates to the Des Moines convention. These courses will be outlined and explained at the Vesper service Sunday and the first course will open Tuesday evening, January 20, from 7 to 8 o'clock.

The two courses offered for women will be given Tuesday and Wednesday evenings from 7 to 8 o'clock. The textbook for the Tuesday evening course will be, "South American Problems," by Robert E. Speer and will be given under the leadership of Ethel Wakefield. The Wednesday evening course will be "World Facts and America's Responsibility." It will be given under the leadership of Louise Davis. Under this course special attention will be placed on Women's place in America's responsibility.

"The Call of a World Task," by J. L. Murray will be the text book used for the men's class which will be under the leadership of Dr. Warren D. Smith and William Moll Case. This class will be held Wednesday evening from 7 to 8.

In addition to these separate classes two classes for men and women both have been planned. One a course in Medical Missions to be given Tuesday evenings from 7 to 8 in the biology lecture room in Deady Hall by Professor A. R. Sweetser. The other course for both men and women will be given Sunday afternoons from 4 to 5 o'clock in the Y hut and will be a Forum discussion group dealing with general problems led by the Des Moines delegation. Roy Veatch will act as chairman for these discussions.

These courses will last eight weeks and for the evening classes every effort will be made to start the classes promptly at 7 and to close promptly at 8.

WATER POLO TEAM WILL BE ORGANIZED

F. L. Howard, Member of A. E. F. and American Aquatic Organizations, Will Play and Coach

That a water polo team will be organized and games scheduled with Multnomah club of Portland and other teams in this vicinity, providing enough students take the proper interest in the game, was announced yesterday by Joe Hedges, swimming instructor at the University gym.

"There is an excellent possibility with the material out to have a fine representative team in the field," declared Mr. Hedges, "and we are going to attempt to get enough interest up in the proposition."

F. L. Howard, a student in the University, who was a member of the A. E. F. water polo team and later a member of the American water polo team in the inter-allied games held in Paris last June, has signified his intention of aiding in coaching the team and he will in all probability play a position on the team. Water polo has never been inaugurated at the University and the organization of the team will prove more or less of an experiment. A special hour at which the prospective workouts for the aspirants will be held will be announced in the near future.

The gym tank has been undergoing some repairs of late but will be filled and ready for the classes in swimming by the first of the week. Over 80 men have registered to take up swimming this semester and classes will be held on Wednesday and Monday mornings and on Tuesday and Thursday afternoons.

ORCHESTRA TO PLAY SOON

Members Prepare for First Concert Jan. 25—Personnel Enlarged

Members of the University orchestra are now working overtime in preparation for their first concert to be held in Villard Hall January 25, according to Rex Underwood, director. Members playing stringed instruments will meet Tuesday evening at Mr. Underwood's studio, and the entire orchestra will rehearse Thursday in Villard Hall.

The six new members added to the personnel this term are: clarinet Norman Byrne and Grace Potter; cello, John Anderson; violin, Jennie McGuire and Gayle Roberts; cornet, Maire Ridings.

MEN SINGERS PLAN TRIP

Eastern Oregon Tour in Doubt—Coos Bay Towns May Be Visited

The men's glee club is now planning for its spring trip. The extremely cold weather made the holiday trip impossible and the schedule was cancelled. There may be some difficulty in arranging another tour for the eastern part of the state on account of the O. A. C. warblers having lined up the eastern section for that time. If Bend, Prineville and other eastern Oregon points cannot be reached, the club will make its spring trip into the Coos Bay country.

"We plan to sing in Roseburg on February 9 as a number on the lyceum course," said Curtiss Peterson, president of the club, "and all members must attend the meetings on Monday and Thursday afternoons at 5 o'clock." There are two vacancies on the club, and announcements regarding tryouts for these will appear later.

CRAFTSMEN TO MEET

The Craftsmen, organization of all Masons on the campus, will meet at a banquet at the Osburn hotel Tuesday evening at 6:30. All Masons who can attend are asked to leave their names at the Y. M. C. A.

PLAYERS PICKED FOR WOMEN'S INTERCLASS BASKETBALL GAMES

Competition For Possession of Hayward Cup Keen Among Teams

The women's basketball class teams were chosen Thursday evening. Miss Emma Waterman, basketball coach, said that owing to the amount of good material in the freshman and sophomore classes, two teams were picked from each of these classes, while the junior and senior classes have only one team apiece.

The winner of the inter-class games will receive the Hayward cup and have their name and numerals engraved on it.

The preliminary games will be played in the women's outdoor gym, beginning at 5 o'clock sharp. Two games will be played each afternoon. On Wednesday, January 21, the junior-freshman team will play the senior-sophomore team. Tuesday, January 27, the junior-sophomore, the freshman-senior and Wednesday, January 28, the junior-senior, the freshman-sophomore. The two winning teams will play the final game in the men's gymnasium. The date has not as yet been decided upon.

"Every woman in the University should be out to support her class team. The games will be fast and good," said Miss Waterman.

The personnel of the teams are as follows: Senior, Mary Mathes, Jeanette Moss, forwards; Eva Hansen, jumping center, Jean Geisler, side center, Cecile Barnes, running center; Naomi Robbins and Jessie Todd, guards.

Sophomore first team: Dorothy Reed and Caroline Canning, forwards; Maurine Elrod, jumping center, Florence Casey, side center; Mildren Van Nuys and Ruth Flegal, guards. Second team: Frances Habersham and Dorothy Dickey, forwards; Echo Balderee, jumping center; Florence Furuset, side center; Marjorie Stout and Winifred Hopson, guards.

Freshmen first team: Charlotte Howells and Rita Ridings, forwards; Leah Stone, jumping center; Sue Stewart, running center; Dorothy McKee and Emily Peery, guards. Second team: Gladys Melsnes and Lucy Vander Steers forwards; Esther Pike, jumping center; Katherine Harding, side center; Dorothy Cushman and Gertrude Tolle, guards.

Officials for the tournament have not yet been picked with the exception that Miss Waterman will be umpire during the preliminary games.

There will be special team practice Monday and Tuesday afternoons.

EUGENE GETS NEW MENS STORE

R. Wayne Green Takes Over the Haberdasher

Mr. R. Wayne Green, the new proprietor of the store formerly known as The Haberdasher, is remodeling the place and from all appearances he will have a very attractive men's shop.

The store will be known in future as Green's "Men's Wear Shop", and will cater especially to the needs of the young men, in the matter of their clothing, hats and furnishings.

Mr. Green is exceedingly anxious to get the trade of the men of the University and for that reason he will carry a most exclusive and attractive line. He is after the business in the right sort of way and should be given liberal patronage.—Adv.

CROSS COUNTY SOON

TEAMS FROM NORTHWEST TO MEET IN PORTLAND FEB. 21

Hayward to Choose Squad From Men Showing up Best in Next Few Weeks' Practice

Five members of the University of Oregon track squad who show up the best within the next few weeks will be sent to Portland on February 21 to take part in a cross country race between a number of the larger institutions in the Northwest, according to the present plans of Trainer Bill Hayward. Few particulars are available yet as to the complete plans for the race, but it is planned to hold it on the paved streets, according to word brought back from Portland by Hayward.

A beautiful trophy cup will be presented to the winner of the race and a banner will be presented to the winning team. No selection has been made of the team to represent the lemon-yellow yet but it is almost certain that Glen Walkey, who won first place in the cross country race between Oregon and O. A. C. held during homecoming week last fall, will be one of the mainstays of the team. Among the other aspirants who are out for a place on the squad are Emerald Sloan, Bill Coleman, Don Davis, Lester Gale, Victor Bradeson and Al Combes.

The fine weather of the past week has allowed outdoor practice for the distance runners and it is expected that more will join the squad next week in an effort to make a place on the team going to Portland.
