

Soph Shindig to Be Snappy Affair Leap Year Lottery Ladies' Choice

The evening of March 5 has been set aside by the members of the class of '22 for the Sophomore Shindig. Elaborate plans have been made for the affair which is to be a lottery. The girls are to call up those men who have been chosen by the committee, make the date, and then on the evening of the dance they are to call for the gentleman in question and escort him to the men's gymnasium. No provision was made as to who would take the other home. Following the precedent set by former classes, this is to be a hard times or fancy dress affair. Basements are being ransacked for comic costumes, and old clothes are being made into all sorts of weird looking garments. Those men whose names do not appear in the following list have the privilege of asking anyone they wish. Any girl whose name does not appear is requested to notify one of the officers of the class. Clara Calkins, vice president, says the idea of leap year is to be carried out to the fullest extent. The drawings of the lottery appear as follows:

LOWDEN CLUB TO FORM

ADMIRERS OF ILLINOIS MAN ORGANIZE FOR CAMPAIGN

Portland Citizen Rounds up Eugene Voters to Back Governor for President

George D. Orput, a Portland business man, is in Eugene in the interests of Frank O. Lowden, present governor of Illinois, who is a candidate for the Republican nomination for the presidency of the United States. Mr. Orput comes from Illinois and is a personal friend of Mr. Lowden's.

Since his arrival on Sunday, Mr. Orput has been interested in forming a Lowden Club among University students. He was interviewed several regarding the matter, and many seem

favorable. At present there is a Hoover club on the campus, but due to the failure of Mr. Hoover to make a definite statement, Mr. Orput believes that a Lowden club should be popular.

Mr. Orput is the father of Don Orput, ex-'15, and has a keen interest in the University. He states that if Lowden is elected that textile industries will be fostered on this coast and that the dream of the west will thus be realized. Payrolls are what we need, says Mr. Orput, and our population will be greatly increased if such industries locate here.

Many Lowden buttons have already made their appearance on the campus, and Mr. Orput is sure that a club will be formed without difficulty.

DELEGATES WILL SPEAK

Representatives at Des Moines Lecture in Springfield

The members of the Oregon delegation to the Student's Volunteer convention at Des Moines will make a trip to Springfield Sunday, where they will speak at the Methodist church in the evening. The Oregon delegation considered the eastern convention a great help to themselves and to the University and are taking this means of telling the people what they learned on the trip.

Last Sunday the members of the delegation went to Junction City. When they arrived the flu ban had just been placed on the town and they were not permitted to give the program planned.

DEBATERS SPRING SURPRISE ON COACH

ENGRAVED FOUNTAIN PEN GIFT TO PROFESSOR TURNBULL FROM OREGON CLUB

When Professor George Turnbull returned from luncheon yesterday a very pleasant surprise awaited him. On his desk, all wrapped up in a neat little package, was a present for him, with a card attached bearing the compliments of Grace Knopp, Elsie Hildebrand, Glenn Frank and Jessie Todd, all members of the Oregon club debating team which Professor Turnbull coached in the forensic contest.

In the box was a large fountain pen, self filler, with a gold band bearing his initials and everything. "They shouldn't have done it," said Professor Turnbull, when some inquisitive student asked him about it. The first thing the pen will do, said Professor Turnbull, will be to write every member of the Oregon club debating team a nice little letter.

There is no doubt that it is a wonderful pen, for Professor Turnbull said it was the best fountain pen he had ever had.
