

ADVERTISING BEGUN FOR JUNIOR WEEK-END AMONG HIGH SCHOOLS

Large Attendance Expected In Spite of Lack of Track Meet

Advertising of Junior Week-end is to be started at once, according to members of the advertising committee yesterday afternoon. Harvey Madden, a senior in architecture, has been asked to submit a design for a poster, which will be posted on the bulletin board of every high school in the state if possible. Members of the elementary classes in journalism will be asked to write articles about Junior week-end to be sent to their home town papers to be printed. Some members of the committee will talk to these classes in order to give them a clear idea of the program for the week-end.

2000 Visitors Expected
Although there will be no inter-scholastic track meet here as previously, members of the Junior Week-end committee say that they expect to have a larger number of high school students on the campus than in any former year. Fully 2000 are expected to take part in the celebration in the spring. The various houses on the campus are asked to begin talking over whom they will entertain at that time.

A campaign will be carried on during the spring vacation by the juniors in conjunction with spreading of propaganda for the millage tax. A junior will be appointed to talk in each of the high schools, concerning the week-end.

No decision has been reached yet as to whether the Junior Prom will be formal or informal. This will probably be settled at a class meeting soon.

Program is Planned
A pajama parade will be held the first evening of the week-end, which will be Thursday, May 13. Later in the evening the canoe fete will take place. Friday morning has been set as clean-up day. In the afternoon the varsity and freshman baseball teams will meet the teams from O. A. C. The senior play will be presented in the evening. The varsity will meet O. A. C. again in baseball Saturday morning, to be followed by the campus luncheon given by the Women's league. Saturday afternoon the freshman track meet between Oregon and O. A. C. will be held. The Prom will complete the celebration Saturday night.

few districts, is the only factor which is causing officials any worry, Mr. Prescott explained. Last year there were but 36 schools entered.

The question for debate Junior week-end will concern itself with the league of nations, but has not yet been phrased, Mr. Prescott said. All district championships must be decided by March 20.

Eastern Oregon is chiefly menaced by the "flu" at the present time and word that the epidemic may jeopard-

ize the chances of teams in that section has been received from J. O. Russell, district chairman. A small-pox epidemic at Monroe is also causing the Monroe high school some worry, it is learned.

74 Apply for Membership in Oregon League—Largest Number Ever Competing

Fear that for the second successive year influenza may hamper activities of the Oregon High School Debate league after a start this season indicative of the most successful year since the league was formed in 1907, was expressed this afternoon by Professor Robert W. Prescott, secretary.

Seventy-four Oregon high schools—a larger number than ever before competed—have applied for memberships. The possibility of withdrawals, made obvious by letters from a
