

# BASEBALL PRACTICE TO BEGIN WITH A BANG MONDAY, RAIN OR SHINE

Thirty Candidates Out, Many Letter Men and Former Frosh Available

## STRONG TEAM PREDICTED

Eight to Contest for Pitcher's Job, Four for Catcher, Ten Infield—Stars for Outfield

Official practice for the Varsity baseball nine will commence Monday, according to the announcement made by Coach "Shy" Huntington, and from the present outlook there will be a banner turnout. A number of aspirants have been going out for the past two weeks and about 30 men of experience either on the Varsity or the frosh teams of former years, have signified their intentions of joining the squad as soon as practice begins in earnest.

"Monday, rain or shine," was the verdict of "Shy" when asked as to the date when the squad would be called out, "and I expect to see a big turnout. If it rains, we will get busy with some inside workouts."

### Team Looks Strongest in Years

According to the available material which is on the campus this season, the Varsity nine will be one of the strongest turned out in several years. Although a definite schedule of games is not yet available, tentative dates call for games with Washington State, University of Washington, O. A. C., Stanford, Whitman, Idaho, Willamette, Multnomah club and probably a few others to be arranged as the season advances. The nine will probably take a northern trip this year which will include games as far north as Moscow and Pullman.

Letter men will be available for practically every position except the catcher's job, although this does not signify that they will not be given a battle for their place on the nine this season. In addition to the members of last year's team which will be out, there are also a number of letter men who played on the Varsity squad in pre-war days and a number who made excellent showings on the frosh teams of former seasons.

**Battery Jobs Sought by Many**  
Four candidates will probably be out for the catcher's position, as far as is now known. These include Vince Jacobberger, who caught for the frosh last year, "Bart" Laughlin, who handled the receiving job for the frosh nine in 1917, Bob Earl who has worked on the Varsity, and "Spike" Leslie, who has been playing army baseball for the past two seasons.

At present the prospects for a plentiful supply of pitchers appears to be good although it will be several weeks before a line on the most likely looking material for this job can be selected. Knudson and Jacobson were both members of the frosh nine in 1917 and made good in the box. Art Berg was a member of the Varsity squad in 1918, Walt Kennon worked with the Varsity squad in 1917 and Eddie Durnb showed up to advantage on last year's team. Dick Shimm and Marc Latham both went good for the frosh team last season and Frances Jacobberger is also mentioned as a possibility. It is practically certain that all of these men will be out for the pitchers' staff and there will no doubt be more who will show up later.

### Big Fight for Infield

The prospects for a strong infield are equally as good, with Herm Lind, captain of this year's squad out for first, along with George Black and Roy Veatch of last year's frosh nine. Vince Jacobberger, Rodney Smith, "Skeet" Manerud, Bill Collins, Carl Liebe, "Dinty" Moore, Jay Fox, Johnny Houston and Johnny Finneran, are other infield candidates who are expected to show up strong. Manerud, Collins and Liebe worked on the frosh nine of last year. Houston is a letter man from last year's nine, while Jay Fox was a member of the Varsity in pre-war days. Johnny Finneran is not in school at present, but is expected to return for the spring term.

### Letter Men for Outfield

The outfield is going to be strong this year with three letter men trying out for the job in addition to the other candidates who will probably turn out for it. These are "Bill" Steers, who made his letter in 1918, John Gamble, who played with the Varsity nine last year, and "Bill" Reinhart, who made his letter at short last year, but who is going out for a job in the outer garden this season.

Lind, Knudson, Black, Manerud,

Vince Jacobberger and Bill Steers can all be depended on for heavy sluggers, and batting averages on the Varsity will be well up if these men can keep their record of former years.

"The Man on the Box." Jack Dun-

dore was elected manager and Bob Earle selected as coach. Phillips explained that seven men and three women will be needed for the major parts, while there will be several minor positions on the cast. The play is to be given on Friday of Junior Week-end.

The class voted to erect a marble drinking fountain on the campus as its memorial gift. The committee on a class memorial, with Jack Dundore as chairman, was authorized to secure plans for the fountain at once. The matters of commencement invitations and caps and gowns were also reported on by the committees in charge, but no action was taken.

### Engagement is Announced.

The announcement of the engagement of Hermes H. Wrightson, a graduate of the University of Oregon with the class of 1916, to Miss Fay Barnes, was made Saturday afternoon at the home of the bride-elect in Portland. Mr. Wrightson is a member of Phi Delta Theta fraternity.
