GET OUT THE VOTE

Not all the students of the University are old enough to vote in the coming election. Yet each one has several relatives at home who are voters. These people are friends of the University, but in this crisis they must lend their active rather than merely their moral support. It is up to the students to see that they register, and then to make sure nothing keeps them from the polls on May 21.

This issue of the Emerald contains a statement from R. S. Bryson, county clerk of Lane county, regarding the procedure to be followed by students who are non-residents of Lane county in registering to make sure of a vote at the special election. All students not yet registered should do so with their home county clerk during spring vacation, and ask for a certificate permitting them to vote in any county and precinct in the state, on state and district measures. Students who do not go home for vacation may have the Lane county clerk register them for their home county and request a like certificate.

Registration in itself is a simple matter. It takes but a few minutes of ones time. Impress these facts on the women at home especially. This year will be an important one politically. Everyone will wish to vote in the presidential election this fall. One registration suffices for both. But the one vital reason at present is the need of the University, O. A. C. and Monmouth Normal. All must register before April 21.

Here is a perfectly definite way to show your loyalty. Work among your relatives and friends from now till that time. But first register yourself if you are eligible.

The inter-fraternity track meet will be very similar to a regular Green marathon, except that the athletes have confined most of their training to the abstaining from pie.

With only a few more weeks of school left we are about due for the "revival of learning" period once more.

TAKE THE EMERALD HOME

The last three issues of the Emerald, beginning with today, will contain valuable information on the millage bill campaign. Save them and take them home with you. Read carefully the articles on registering. If anything is not clear ask questions now, before you go home. Remember, you will be asked questions when you get home. Be prepared to answer them.

DANCES ENLARGE FUND

ELKS ENTERTAINMENT FRIDAY NETS \$350.00

Complete Returns From College Ball for Women's Building Shows Total of \$827.21

As a result of the band concert and dance given last Friday night by the Elks band, \$350 was added to the Women's Building fund. Approximately 350 students and about as many more townspeople attended the concert and dance.

Complete returns have also been announced from the Christmas college ball, held at the Multnomah hotel during the Christmas vacation, by Mrs. John Claire Monteith, who is in charge of the Women's Building work in Portland. The total amount netted is \$827.21, and has been divided among the following women's organizations according to the number of tickets sold by each:

Table with 2 columns: Organization Name and Amount. Includes Pi Beta Phi (\$112.27), Kappa Kappa Gamma (110.52), Gamma Phi Beta (106.27), Kappa Alpha Theta (105.82), Chi Omega (101.77), Delta Gamma (89.52), Delta Delta Delta (79.72), Alpha Phi (76.77), Hendricks Hall (30.50), Alpha Delta (9.00), Sigma Delta Phi (5.25).

Of this amount the Eugene chapters and clubs took in \$90.75 on the campus, the Portland alumnae \$242.30, and the receipts at the door were \$494.16.

This makes a total of \$1177.21 received from these two dances for the Women's Building fund.
