

## MOTHERS WILL HAVE TWO DAYS IN THEIR HONOR AT UNIVERSITY

Week-End of May 8 and 9 Set Apart; Sports and Dances to Be Features

### CHURCH SUNDAY MORNING

Special Invitations to be Sent Out; Committee Named to Handle Big Occasion

Mothers' Day, a new institution on the Oregon campus, will be inaugurated here Saturday and Sunday, May 8 and 9, falling on the same date as the national Mothers' Day.

Each University student will be responsible for inviting his mother to the campus and when they get here they will be given one merry round which the committee guarantees all mother will enjoy.

#### Baseball and Track Events

An athletic attraction will be arranged for the afternoon. The committee hopes to be able to schedule a baseball game or a track meet.

Plans are being made to fit the men's gymnasium for the dance as it is the purpose to keep all events on the campus in order that the mothers may become well acquainted with it.

#### Mothers to be Taken to Church

On Sunday morning students will be expected to take their mothers to church where special Mothers Day

(Continued on page four)

## Lone Angler Dangles Line In Sigma Chi's Mud Hole; No Luck

Who said the fishing season had not been officially opened on the campus? Anyone who has any doubts as to the opening date and the proper data on how to hook the big ones should apply to 'Pop' Elder down on the corner of 13th and Alder.

'Pop's' friends received a shock Friday morning when they discovered him leisurely whipping the ripples on a large mud puddle in the Sigma Chi back yard.

The excitement all began when a bet before the Sigma Chi fireplace was made up between Pop and Cres. It seems the bet ran thusly: We are to rise at 7 a.m. every morning for the week and circle the three blocks between the corner of 13th and Alder and Kincaid field and the S. A. E. house on a run.

## PHI THETA KAPPA TO BE INSTALLED

SIXTEEN MEMBERS OF WOMEN'S COMMERCE CLUB TO BE INITIATED

Tuesday afternoon, April 13, the members of the Girl's Commerce club, who are active this year, will be initiated into Phi Theta Kappa, national women's commerce fraternity.

The petition of the local club was granted last summer, and the chapter was to have been installed last term, but through some delay was put off until this time.

## LYLE McCROSKEY AND ALYS SUTTON TO TAKE LEADS IN SENIOR PLAY

Class Celebrities to Be Seen At Eugene Theatre On Night of May 14

### REHEARSALS UNDER WAY

Curtiss Peterson, Arvo Simola, Keith Kiggins, Merle Moore to Feature

Lyle McCroskey and Alys Sutton are to play the leads in the senior play, 'The Man on the Box,' a three act comedy by Grace Livingston Furniss, which is to be given on May 14, the second night of Junior Week-end.

The play which is founded on Harold McGrath's novel of the same name, is a comedy with a sufficiently deep plot to sustain interest.

Lieutenant Robert Warburton, to be played by Lyle McCroskey, is visiting his sister in the national capital. While there his sister and some friends attend a ball at the Embassy and while they are gone the young lieutenant decides to play a practical joke on his sister.

#### Plot Gives McCroskey Chance

When the carriage numbers are called he becomes confused and of course gets the wrong girl in his carriage. Supposing the young lady to be his sister he drives madly through the streets of Washington and finally kisses her as she indignantly descends from the carriage.

The play opens in the court room and the remainder of the plot is to be kept secret. How the plot thickens and how many complications arise in which the young joker is repeatedly humiliated is all brought out in the play.

#### Members of Cast Announced

The cast for the play so far as it has been selected by Mr. Earl is as follows:

- Lieutenant Robert Warburton..... Lyle McCroskey
- Miss Betty Annesley.....Alys Sutton
- Colonel Annesley..... Curtiss Peterson
- Count Carloff..... Arvo Simola
- Mrs. Conway..... Adah McMurphey
- Mr. Chas. Henderson..... Keith Kiggins
- Colonel Frank Raleigh..... Merle Moore
- Monsieur Pierre..... Sprague Carter
- Magistrate Watts..... Norman Phillips
- Martin..... Lyle Bain
- Officer O'Brien..... John Hunt
- Officer Cassidy..... Clarence Lombard
- Miss Nancy Warburton.....Helen Case

### BISHOP SUMNER COMING

Visitor to Address Assembly April 15 Will be on Campus Three Days

Bishop Walter T. Sumner will visit the University of Oregon on Thursday, Friday and Saturday, April 15, 16 and 17, when he will address the University assembly Thursday, April 15, on the topic 'The Supreme Question of Life's Vocation.'

Others who wish to entertain him should get in touch with the President's office at once, where, at the request of Bishop Sumner, his schedule is being made up.

## PRESIDENT BARROWS TELLS OF SIBERIAN LIFE AND CUSTOMS

University of California Head Addresses Student Assembly

### CULTURAL STANDARDS LAX

Explains Political Situation and Bolsheviks' Rule; Women and Men on Par

'The thing which makes Siberia different from America is that it lacks schools, colleges and churches and that the country is devoid of the moral standards which make our own great western pioneers succeed,' declared Colonel David P. Barrows, newly elected president of the University of California.

In speaking of these Siberian people he said, 'I have confidence in this magnificent race of men and women—they are energetic, strong, adventurous.' They are, he explained, a wonderful race of people, strong, and able to endure a great deal of hardship.

#### Siberian Population Mixed

Siberia is made up of a great many races, Colonel Barrows explained. There are some quite like the American Indians; then the Mongols, the old nomadic people, living in felt tents on the border of Mongolia and following here and there their great herds; and the Cosacks who conquered Siberia and who rule. These people are the military population.

The women in Siberia are as strong as the men, he declared. They do the same kind of work, even to fighting. 'It shocks one to see women fighting,' said President Barrows, 'yet it is nothing to see women there in uniforms and carrying guns.'

#### Russian Women Wonderful

Dr. Barrows met, while in Russia, Madame Katherine Breshkovskaya, whom he believes to be one of the most wonderful women in the world. She is 70 years old, but still young. She told him of her life, which has been largely spent in exile since her early twenties.

Arriving in Siberia in March, 1918, just after the Bolsheviks had taken possession of Russia, Dr. Barrows was fortunate in seeing the exact conditions.

Dr. Barrows has been connected with the University of California for many years. He served in the Spanish-American war, was sent to the Philippines, where he established their present school system. At the outbreak of the world war he enlisted and was sent to Siberia.

### PLUMBING CONTRACT LET

Portland Firm to do Work on the Woman's Building for \$24,000

The contract for the plumbing of the Women's building at the University has been awarded to Rushlight & Hastorff of Portland, for \$24,000, the work to begin immediately. The contract for wiring was let recently. The brick construction is progressing rapidly, the walls for the first floor being now completed and the window frames for the second floor set.

#### Pi Kappa Delta to Meet

Pi Kappa Delta will hold a business meeting on Monday April 12, at 4:30 o'clock in room 4 of the Education building.

## John Henry Urged to Choose Name And Stick to It

Why people, and especially students, like to sign their names one way one day and another the next remains an unsolvable mystery to those who have all the resulting difficulties to iron out afterwards.

With registration practically complete this problem has been brought forcibly before the attention of the University office forces. The student who changes his name frequently deserves all the grief that comes to him, and even more, because of the grief he causes others, they say.

It's a penitentiary offence, to their minds, to change your name oftener than once in five years, so all students of a changeable nature had better have their calling cards engraved now, and prepare to graduate under the John Henry by which they last registered.

## HOOVER BOOSTERS TO HAVE MEETING

CLUB TO BE ORGANIZED FOR SUPPORT OF CANDIDATE FOR PRESIDENT

Hoover boosters on the campus will meet in the Y hut next Tuesday evening, April 12, at 7 o'clock sharp for the purpose of organizing a Hoover club, according to some of the men on the campus who are interested in supporting him for the Republican nomination for president.

Anyone on the campus interested in Hoover is asked to join the organization. Whether or not the man or woman is of voting age is of no concern, according to the boosters of the club.

Dr. H. D. Shedon has been asked to give a ten-minute informal talk on his personal acquaintanceship with Hoover when they were college chums at Stanford. Dr. Shedon was one of Hoover's best friends during their college days and takes a great deal of interest in the man.

## FEMININE FROLICKERS ENJOY MERRY NIGHT OF STUNTS

### HISTORY PROFESSOR HERE

Walter C. Barnes, from University of California, Succeeds Dr. Schafer

Walter C. Barnes, formerly professor of history at the University of California, is now on the campus, taking the place of Dr. Joseph Schafer who resigned from the faculty here to become superintendent of the Wisconsin State Historical Society.

Professor Barnes received his A. B. degree from Colorado College, Colorado Springs, in 1912. After which he spent a year in graduate work in literature and history.

Professor Barnes returned to California, remaining until this term, when he accepted the position of professor of history at the University of Oregon, and the following year went to British Columbia where he taught a year.

## FRESHMEN ATHLETES REPRESENT OREGON IN PORTLAND MEET

Twelve Men Leave Today For Columbia University Indoor Contest

### ARTHUR TUCK TO COMPETE

Varsity Track Team in no Shape for Tourney; Bad Weather Hinder Progress

Twelve freshmen, accompanied by Captain 'Hank' Foster of the Varsity track team, left this morning for Portland to represent the University of Oregon in the annual Columbia indoor track meet held there this afternoon.

The freshman team Coach Hayward selected after tryouts Thursday afternoon is composed of Arthur Tuck of Redmond, sprints and weights; Rutherford Brown of Baker, broad jump and weights; Ivan McKinney of Petaluma, Cal., high hurdles and high jump; Scanlon Collins of Portland, 440 and relay; Tom Wyatt of Baker, 440 and relay; Arthur Larson of Eugene, 440 and relay; Del Oberbauer of Portland, 220 and broad jump; Earle Coburn of Dayton, 220 and relay; Tom Watters of Marshfield, pole vault; Clayton Ingle, of La Grande, pole vault; Gaylord Peltier and Guy Keopp of Eugene, 880 and mile.

The reason that Coach Hayward did not send the Varsity team to the meet is that none of the first string men are in condition for a meet. Wet, rainy weather which has caused the oval on Kincaid field to be a sea of slush for the past three weeks has been a big handicap in lining up a Varsity team.

Negotiations are now under way to secure a dual meet with the Multnomah Athletic club team at Portland next Saturday. If this meet does not materialize the first meet for Varsity men will occur April 24, when two relay teams will participate in the relay carnival to be held in Seattle under the auspices of the University of Washington.

The Varsity team has a long strenuous schedule ahead of it. Following the meet next Saturday every week-end with the exception of May 1 will see Oregon track artists participating in a meet held away from Eugene, until the week before the spring term ends.

#### Journalists to Meet

Sigma Delta Chi is to hold its regular weekly luncheon Monday noon, April 12, at the Anchorage.

## CAMPUS GREEKS HAVE WILD TIME AT WESTERN SMOKER

Boxing Matches, Music and Eats Feature Fraternity Men Fest

There was money on the tables. Amber and brown 'liquors' decorated the basement bar. Smoke and music filled the air, and there were fights galore at the inter-fraternity smoker last night held while the women gambled in the gym—the men gambled in the Armory.

Bale after bale of crisp new money changed hands as the temperamental ivories or fickle cards saw fit and fortunes were made and lost at every throw. On every side could be heard cries of 'Hit me!' 'Come you seven' and 'Two hundred she is!'

The green cloth lost its following when the fights started but the book-makers collected huge sums by absconding with the cash when the bouts were declared draws.

### PROF. R. B. DODGE HERE

California Man on Campus Looking For Recruits for Religious Work

Professor Rowland B. Dodge, of Berkeley, California, was on the campus Thursday, representing the Pacific school of religion, an undenominational school. He was looking for men and women recruits who are planning to take up religious lines of work after graduation, according to M. H. Douglass, librarian and head of the campus committee on religions and moral activities.

The school trains men and women for work in the ministry, missions, Y. M. C. A. and Y. W. C. A. and other forms of religious education, and particularly well, said Mr. Douglass, for work in connection with large church leadership. The course is a three-year course with the advantages of the University of California, but may be taken in two years if the right subjects are chosen in a preparatory college.

He also agreed to assist the University in obtaining speakers of first class ability for vesper services next year, said Mr. Douglas.
