

JUDGES AND JANITORS READY TO OPEN CASE OF HOROWITZ VS. HINES

Law Students Plan Big Trial For Thursday Night Open Court

The case of L. P. Anderson, administrator of the estate of H. Horowitz, deceased, vs. Walker D. Hines, director general of railroads, will open the court of the Trial Practice course in the University law school Thursday evening. Everyone, from the judge to the janitor, is ready for the legal tilt, which is scheduled to begin at 7 o'clock in the law library in the Education building.

Every procedure will be identical with cases in the regular courts. The jury panel will be posted at once, and the venire will include students from every department in the University, according to Ben Ivy, jury commissioner.

The members of the jury will be amply rewarded for their services, he continued, by being presented with movie tickets.

Officials of the court will be Judge Edward W. Hope, City Clerk C. C. Clark, Jury Commissioner Ben Ivy, Bailiff Miles McKey, Court Reporter H. J. Wells, and Janitor Fred Packward.

Attorneys for the plaintiff are G. S. Wells and Don Newbury; for the defendant are Miles McKey and Charles Crandall.

The plaintiff instestate attempted to steal a ride on the brake beam of a freight, from Eugene to Junction City. He was discovered by Mike Harris, brakeman, employed by the defendant corporation. This clever man invented forthwith a device whereby he could hit the plaintiff instestate by bouncing an iron on the rail, the iron being attached to a rope held in the hand of the brakeman.

These repeated blows dislodged the plaintiff instestate, who fell to the ground and was killed. The plaintiff, L. P. Anderson, is suing the defendant corporation for the sum of \$75,000 damages.

The class in Trial Practice follows the course in Moot Court, which has been given in the law school, and in which the filing of cases was made, and the cases brought to issue, but not argued.

Masons' Attention

The first get together of Masons for this term will be at a dinner at the Osburn Hotel next Friday evening, April 16th. Please give your name at once to either Louis Latimer, Friendly Hall or Newton Bader, S. A. E. House. We must know how many to prepare for. All Masons are cordially invited to be present.

Women Advertise for Dates

Two University of Chicago co-eds recently advertised in the Daily Maroon for men to accompany them to the Washington prom. They advertised that they would furnish the dress suits and taxi.

Paint War at Maryland

A paint war is being waged between the sophomores and freshmen of Maryland State college. Each class is trying to gain superiority over the other in dabbing the campus with their respective years.

CANOE IS CAPSIZED IN RIVER. 5 IN WATER DURING EXCITEMENT

George McFaul And Helen Laughary Upset; Three Rush to Rescue

The canoe accident on Sunday afternoon in which several University students braved the cold waters of the Willamette resulted in no injuries, and probably brought out a better display of cool headedness on the part of the principals in the accident than of the spectators along the bank.

The canoe capsized in the Willamette river just above the portage, according to George McFaul, who was paddling at the time it overturned with Miss Helen Laughary and himself. Both occupants were good swimmers and held onto the canoe until they had drifted to the head of the portage. Here they both

struck out for shore, effecting a landing just below the portage. McFaul could give no explanation for the accident, except that the canoe was in a small riffle. They were traveling upstream at the time and suddenly found themselves in the water. Both kept their heads and drifted till they reached a point closer to shore.

Several University students who witnessed the accident from the bank plunged in, in an attempted rescue. Leslie Perry, who was first into the water, became exhausted and drifted several hundred yards downstream before he was rescued by William Purdy. James Benedict also plunged in to assist Purdy, but was too late to aid in bringing Perry to shore.

FROSH WIN FIRST GAME

FUTURE LINE-UP GOOD, SAYS COACH NELSON

Eugene High School Baseball Team Defeated on Varsity Field With 10-3 Score.

The Frosh baseball team defeated the Eugene High School team on the Varsity field Saturday morning by the score of 10 to 3. This was the first game for the frosh and Coach "Dick" Nelson used many aspirants in order to get a line on the players who are out for work. The Eugene team also made many changes during the game.

The frosh used four pitchers during the fray, "Ducky" Holmes, Hewitt, Rol' Grey, and Fent Ford. "Pink" Manerud and "Doc" Furry did the receiving for the freshman team. John Alexander was featured by his hitting ability and his base running. He held down center field; the other outfielders were Greer, King and Henry.

In the infield Jacobberger showed up well at short and Kregel handled himself in good style on first base. The others who played in the infield were Samuels, Staten, Dickson and Svaverud.

Coach Nelson has a good line on his players and expects to have a strong aggregation on the field by the time the frosh meet the O. A. C. "rooks", which will be in about two or three weeks. The hitting in the game was good but the fielding was rather ragged at times.

The score:

	R.	H.	E.
Eugene High	3	5	3
Frosh	10	15	2

POOR CONDITION, LACK OF EXPERIENCE, LOSE FROSH INDOOR MEET

Captain Foster Not Alarmed by 17 to 15 Score; Tuck Annexes 12 Points

"Lack of experience" and "poor physical condition" was the way Captain Hank Foster, leader of varsity track, who accompanied the freshman team of Portland last Saturday, accounted for the small number of points that the freshman captured in the Columbia Indoor Meet. He did not fail to explain, however, that the freshmen put forth their best efforts.

While it is no longer news that the rooks edged out the frosh by a margin of two points, their respective scores being 17 and 15, it is not generally known on the campus that the O. A. C. varsity relay team slackened its pace in that event enough to allow the O. A. C. rook team composed of Bailey, Hollinger, Swartout and Cook to win the race thereby adding five points to their score, four of which were necessary to give them higher standing in the meet than the Oregon freshmen. Oregon was not represented in the relay. Owing to the poor physical condition of the men who were to enter, Foster said that he did not deem it worth while to make an entry after they had been tired by the other events of the meet.

Tuck starred in the meet by nosing out Snook of O. A. C. in the 50 yard dash with the time of 5 3-5 seconds. He also took first place in the shot put with a throw of 40 feet, 8 1-4 inches and third place in the 200 yard dash. Altogether he annexed 12 of the freshmen's 15 points. The other three were made by Scanlord Collins who took third place in the 440 yard run and Gaylord Peltier who came out fourth in the 880 yard run.

The freshmen came home defeated but not disheartened. The comparisons on which the meet threw light favor the freshmen, and prospects for their triumph over the rooks in the meet to be held here here May 15 between the two, were brightened last Saturday rather than dimmed.

Cornell to Have Big Pool
Cornell is making plans for a swimming pool to cost between \$60,000 and \$75,000 and to require two years to complete.
