

# ONLY 103 SENIORS OUT OF 150 READY TO BE GRADUATED

## Registrar's Office Gives Names Of Those Eligible Up To Date

Out of a class of 150 members, only 103 have made up all requirements and have straightened out their records with the Registrar's office, up to the present time. These have completed the regular amount of work for graduation, and if they make the hours in which they are registered for the spring term, will receive their sheepskins in June.

This number is being constantly added to, said Mrs. Fitch, chief clerk for the registrar, as the seniors come in and straighten out their records, and make up requirements. This list includes also the names of thirteen students who completed their work at mid-year, but who will come back to get their diplomas with the rest of the class. The whole class of 150 will probably be in the eligible list in time for commencement, she said.

## CARLISLE TALKS AT REED

### STUDENTS ASKED TO ASSIST IN DELINQUENCY SURVEY.

#### Work on State Problems Organized Among Social Agencies in Portland.

Dr. C. L. Carlisle, director of the survey of mental defect, dependency, and delinquency, returned recently from a three day's trip to Portland, where he went to organize the work of this survey among the different social agencies in Portland. City Superintendent of School E. A. Grout, with whom Dr. Carlisle consulted, has designated Miss Ida M. Manley, the expert on problems connected with retarded children in the Portland schools, as coordinating agent of this work in the schools. Mr. A. R. Gephart, secretary of the public welfare bureau, will coordinate the work for the many institutions and workers coming under the scope of this bureau. Miss Helen Hartley, assistant state advisory nurse for the state board of health, has been designated as the coordinating officer in the case of all the county nurses coming under the jurisdiction of the state board of health. Miss Harriet H. Heller, secretary child welfare commission, will supervise the work of this survey in the institutions coming under her jurisdiction. Dr. S. C. Kohs, psychologist for the Court of Domestic Relations, will act in an advisory capacity in assisting the survey to reach conclusions as to the mental capacity of the various types of delinquents coming before the Multnomah county courts.

Dr. Carlisle while gone also addressed the students of Reed college on the subject of the survey, asking them as citizens of the state of Oregon to assist in this investigation, which the state legislature has requested in order that it may intelligently attempt to solve the problem of defectiveness, delinquency and dependency.

## 3 EX-SERVICE WOMEN ATTEND UNIVERSITY

### Girls Receive \$25 Each Month for Services Performed as Yeomen at Bremerton Navy Yard.

Three women of the University, Tina Ordahl, Ruby Baugh, and Uldawalla Basler, all ex-service women, line up every month to receive their \$25 checks from the state.

Miss Ordahl was the first woman to join the American Legion in Eugene, and is one of the three who now belong to the post here. She is the only woman on the campus who is a member.

The day before the United States entered the war, Miss Ordahl, prompted by the patriotic spirit, enlisted in the service as a yeoman. A few days later, Ruby Baugh enlisted. Both women were called on April 13, and were sent to Bremerton, where they did typing and stenographic work, in the Puget Sound Navy yard. Miss Baugh served 27 months. Miss Ordahl was discharged early because of illness.

Uldawalla Basler, who lives in Grants Pass, enlisted in Bremerton where her family had moved, as her father and brother were in the service. She served 18 months. Miss Basler was granted 13 military credits toward graduation.

## BOXING, GRAPPLING TO BE SEEN SATURDAY

### Preliminaries Will Be Feature of Big Athletic Program at Interfraternity Meet.

Preliminaries for the interclass boxing and wrestling championship titles the finals of which will be staged on May 21, will be one of the features of the athletic program during the interfraternity track meet Saturday afternoon. A ring has been constructed on the field in front of the bleachers and the bouts will be put on during the afternoon.

Two two-minute rounds will make up the bouts in the boxing classes and from the large list of entries there will be plenty of thrills for lovers of the pugilistic art. The 115 pound class has been eliminated on account of few who have applied in this class and the greater number of entries are in the 145 pound class.

The 125-pound class entries are Woolfolk, junior; Boyle, sophomore, and Martin and Ross, frosh. In the 135-pound class, one sophomore, Stevens, is entered, and the other five entries are freshman, they are Dodds, Scheurman, Lapham, Kirk and Wilkinson.

Three sophomores, Smith, Seymour and Geary, one junior, Ellis, and five frosh will make up the entries in the 145-pound class. The frosh are Iseminger, Fudge, Erickson, Haglund and Durham. At 158 pounds, Cofold and Osborne, sophomores, and Sherman, Calloway and Hansen, frosh, are the entries.

The heavyweight class which takes in everything above 158 pounds, will be contested by Selig, junior; Peery, Walker, Mayer and McClary all frosh.

Wrestling bouts will also be staged in the ring although the list of entries for the mat have not been arranged as yet. The boxing bouts are under the direction of "Bob" Morrison. Wrestling events are being handled by Si Simola.
