

## COLLEGIATE ALUMNAE PICNIC DATE CHANGED TO SATURDAY MAY 29

### Eugene Branch Pays Pledge Of \$500 During Year To Women's Building

The annual picnic of the Eugene branch of the Association of Collegiate Alumnae has been postponed from May 22 to Saturday, May 29. At the business meeting which is always a feature of the picnic, election of officers for the following year will be held. During the year just closing Mrs. Myra Johnson, a member of the University of Oregon Alumnae Association, has been president; Miss Mary Perkins, treasurer, and Mrs. Sarah Tingle, secretary.

The Eugene branch of the association has been able this year to complete the payment of the \$500 pledge made to the Women's Building fund, to grant a loan fund of \$25 to a University girl, and co-operate with the School of Music in securing the concert of the violinist, Jaques Thibaud.

The Eugene branch is allied with the Association of Collegiate Alumnae, an international organization for college women. The association has 119 branches in thirty-one states, in Washington, D. C., Hawaii, the Philippines, and just recently a branch has been established in Tokyo, Japan. Any woman holding a degree in arts, science, letters or philosophy from an institution on the accredited list of the association is eligible to full membership. College women who are not eligible to full membership may become associate members.

The association has acquired recently a national club house in Washington, D. C., a rather famous and extremely interesting old mansion on LaFayette Square, which was built about 1824 and remodeled some twenty-five years later.

For thirty-five years since its incorporation, the A. C. A. has worked successfully for the raising of standards in American colleges for women. It has opened and developed the field of opportunities for women in the professions. It was the first organization to establish fellowships exclusively for women; now a number of splendid fellowships are offered to A. C. A. members, of which the following are typical: An annual fellowship of \$1,000 for research in physics, chemistry or biology in either America or Europe; a fellowship of \$1,000 awarded in alternate years for research work; one for \$500 for the year 1919-1920 available for study in Europe; one for \$640 awarded in alternate years and available for study in Europe or America.

Since its organization, the Eugene branch has offered a loan fund of \$25 a year to a girl in the University of Oregon. The loan is made without interest and is to be repaid as soon after graduation as convenient. Five girls have used this loan and this year three of the loans have been repaid, so that there is now in the treasury \$75, all of which will probably be available to girls in the University next year.

Practically all of the work of the association is in the interest of better education and better opportunities for women. Every woman graduate of the University of Oregon is eligible for membership in the association and the local branch sincerely hopes that every senior girl whose home is in Eugene will become a member. There which will welcome University women whose homes are there. This Portland organization each year grants a scholarship to some girl in the University of Oregon.

## COUNCIL TO OUTLINE WORK OF NEXT YEAR

### STUDENT HAND BOOK, TO BE ISSUED IN FALL, IS PRESENT PLAN

The student council will meet Wednesday evening to discuss plans for the new regime under the newly elected student body officers, and to set a date for the first meeting of the new council.

Among plans to be discussed are those of the issue of the "Student's Hand Book", a new feature in college publications. The pamphlet, which will be issued by the Y.M.C.A. in cooperation with the student council, will be distributed to all new students entering college next fall. It will contain a history of the University, the con-

stitution of the associated student body, all traditions and historical information and the school yells. By the issue of the "Student Hand Book" the new students will soon become acquainted with the traditions of the University, stronger cooperation and upholding of precedents is hoped.

At this meeting of the student council the summary reports of the standing committees will be given. The date of the banquet to be held in honor of the new student body officers will also be decided upon. The banquet will probably be given the last Thursday in May at the Delta Gamma house. It will be attended by members of the old and new council, executive committee and Mrs. and Mr. M. F. McClain.

## RICCARDO CLARKE TO SING IN FESTIVAL

### SPANIARD TO TAKE TENOR LEAD OPPOSITE ROSE MCGREW

Riccardo Clarke, young Spanish tenor, will sing the leading tenor roles in the coming May Festival opposite Madame Rose McGrew, dramatic soprano and prima donna of international repute. The announcement of the engagement of Mr. Clarke has just been made by the music department, which has been considering for some time several of the country's leading tenors to fill this part in the two productions, "Cavalleria Rusticana" and "The Rose Maiden."

Mr. Clarke is a young Spaniard who has been in the United States only six months, coming from Mexico City, where he has made several brilliant operatic successes. He is now in Los Angeles where he is coaching several roles in opera. He leaves in the fall for the East where he has been made many wonderful offers since his successes in Mexico City. Had it not been between seasons in his operatic work, the University of Oregon would not have been successful in engaging him.

"Riccardo Clarke in the role of Turridu in "Cavalleria Rusticana" promises much to the University in the way of a musical treat," said Mrs. Alberta Campbell Simmons, who is visiting on the campus at the home of President Campbell, and who has worked in operatic roles with Mr. Clarke and is personally acquainted with Mr. de Laro as well. Mrs. Simmons has played in this same opera with Mr. Clarke and can vouch for the brilliant success he is sure to make in its presentation here.

The presentation of the opera "Cavalleria Rusticana" will take place on the last night of the Festival which extends over June 7, 8 and 9. The first night will be marked by the presentation of the Children's chorus composed of over 600 voices from the schools of Eugene. "The Rose Maiden" will be the feature of the second night and will be presented by the following cast:

Soprano .....Madame Rose McGrew  
Tenor .....Riccardo Clarke  
Contralto .....Laura Rand  
Baritone .....Curtis Peterson  
The finale of the festival will occur on the last night with the presentation of the opera with the following cast: Santuzza, sop. ....Madame Rose McGrew

Lola, soprano .....Martha Findahl  
Lucia, contralto .....Kate Chaburn
