

'MAKER OF DREAMS' PROMISES TREAT TO LOVERS OF FANTASY

**Drama League Players To Be
Seen In Three Playlets In
Guild Hall May 22**

"The Maker of Dreams," one of the plays to be given here on May 22, by the Drama League of the Little Theatre of Portland under the direction of Mrs. Dent Mowrey, is characterized as a delightful fantasy which forms a strong contrast to the preceding tragedy, "The Riders to the Sea". It has achieved great success in Europe but is not as yet very well known here, according to Miss Helen Rhodes, who has charge of the advertising here. A London critic says of it, "The Maker of Dreams" refuses to be placed definitely in any of the accepted dramatic categories. It is a play to be seen, as iridescent as a soap bubble and as illusive in its charm—as fragile as porcelain and as radiant when the light shines through it. A more charming, delicate, and clever little playlet has never been seen on any stage."

Mrs. Dent Mowrey, under whose direction these plays are to be given, and who will play several important parts in the production, has had most of her training abroad. She did dramatic work in Paris in French; Scandinavian under Madame Borgny Hammer, leading lady at the Christiania Theatre, and also special Little Theatre work in acting, producing and lighting under the Maurice Browns in Seattle. The Maurice Browns were the founders of the Little Theatre movement in Chicago. Mrs. Mowrey was particularly commended by Portland papers for her splendid rendition of Kathleen, in "The Riders to the Sea". Mrs. Henry Ladd Corbett's pantomime in Strindberg's play "The Stronger" is also given special attention by the papers, as is Miss Marian Voorhies' portrayal of Pierrette in "The Maker of Dreams".

Tickets are in charge of members of Mask and Buskin and of Miss Alice Capps, Miss Antoinette Shumway, Miss Norma Dobie, Mrs. Jane Thacher and Mrs. Eric Allen. Posters are being made by Miss Bertha Cose and Glenn McGonegal, of the art department.

Varsity Girls To Debate

**TUESDAY IS SET FOR FORENSIC
CLASH WITH WASHINGTON**

Jennie Maguire and Ethel Wakefield Travel North; Elaine Cooper and Edna Sparling Remain Here

Jennie Maguire and Ethel Wakefield left today for Seattle, where they will meet the University of Washington team in debate on the question, "Resolved, That American Labor Should Organize and Support a Party of its Own." This is the same subject on which the University girls debated with O. A. C. last Friday night and won. These girls will take the negative side.

A negative team from Washington will come here to debate on the same question with Elaine Cooper and Edna Sparling. It has been a tradition at Oregon for the women debaters to meet teams at Washington but for the last three years no varsity debates have been held. Miss Cooper is a member of Alpha Delta Sorority, the other girls representing Oregon are residents of Hendrick's Hall and all have, for the past two years, won honors in the inter-sorority debates on the campus.

The girls should be strongly supported and Villard Hall literally filled Tuesday night, said R. W. Prescott, debate coach.
