U. of O. Inexperienced Athletes Are Unable to Cope With Beaver Veterans

FOSTER HIGH POINT WINNER

Snook Meets Defeat in 100 And 220; Abbott Wins 880; Bartlett, Discus Varsity Forfeits Relay

Oregon lost the annual dual track and field meet with O. A. C. yesterday in Corvallis by a total score of 80 to 50.

Oregon's inexperienced track men were unable to cope with the experienced veterans of the Corvallis team. Captain Hank Foster was high man of the meet, and defeated the famed Snook in both the 100 and the 220. Foster also registered first in the broad jump.

The Beaver athletes took all three places in the 440, but the result was questioned as the Aggie men were said to have boxed Leith Abbott, Oregon star, so that he was crowded out of the running. Abbott, it is thought, might have won the race had it not been for the tactics of the Beavers for he finished in fine style.

The summary:

Shrill Shriek of Siren Gets \$10 For Belknap and King

How much is ten dollars worth of noise? On a quiet Sunday afternoon it doesn't take much to create a lot of disturbance, but at a rally it takes real pep to make yourself heard above the multitude.

Thursday evening Oregon's masculine part of the student body gathered with wash boilers tin cans, base drums and husky voices to remind the dear public of the election tomorrow.

Far above the madding crowd as the line of rooters progressed down the street, was heard the screech of a siren. So much attention was attracted by this source of noise that the rally committee decided to award it first prize for creating the biggest disturbance, and fixed the quantity of noise produced as worth precisely \$10.

Robert Belknap and George W. King were responsible for the siren. It is rumored that generosity on the part of the fire department accounted for the fact that Belknap and King escorted the screeching mechanism down the line of march.

Corvallis Makes Only 5 Scattered Hits; V. Jacobberger Gets Home Run

Oregon lost the second game to the O. A. C. nine with a score of 3 to 2 in a hard fought contest held in Corvallis this morning. Berg pitched good ball for Oregon allowing but five hits. Inability of the Oregon batsmen to hit the offerings of Keene, star Aggie twirler, when Oregon men got on bases, is given as the chief reason for defeat. As a result of today's game Oregon places third in the Pacific Coast Conference and O. A. C. fourth. The two teams tied for individual honors in the annual four game series, each team winning two games.

The Varsity baseball team did not give the Aggies a show in the first game of the series in Corvallis yesterday, which ended in a 4 to 0 score. The third inning was the beginning of the landslide when Babb gave free passes to Berg and Manerud. Bill Reinhart, the consistent slugger, banged out a two-base hit, that brought Fox and Manerud home. Again in the sixth canto Bill Reinhart repeated his artistic work and Lind laid out a nice hit. Reinhart scored on Hubbard's error.

Vince Jacobberger made himself solid with the fans by busting a ball that seemed to be made expressly for him into the outfield. The gardeners got in a quarrel over whom the ball belonged to, allowing Vince to score a home run.

"Shy's" men won the game because they bunched their hits making every bingle count. Jimmy Richardson used several substitutes and pinch hitters, but they could not score.

MILLAGE BILL VICTORY TO CAUSE GIGANTIC CELEBRATION MONDAY

Freedom From Classes Will Probably Be A Feature of Rally

PROGRAM TO BE ARRANGED

All University to Unite in Holiday Festivities. President Campbell and Dymnt Return Monday

Students, faculty and townspeople will cooperate in staging a monstrous celebration Monday day to celebrate the millage bill victory. The student council will meet with members of the faculty tomorrow morning at 10 o'clock to outline a definite program for the occasion. It is highly probable that no classes will be held during the day, according to Karl Onthank, final action on which will be taken at the meeting tomorrow. Every student in the University will take part in the big rally to be arranged for Monday afternoon and evening. President Campbell is expected to return to the campus from Klamath Falls and Colin Dymnt from Portland, Monday.

With the passage of the Millage bill regarded as certain, the University is preparing to spend Monday in celebration of the event which will go down in history as a landmark in the progress of higher education in this state.

The dream of "a Greater Oregon," is at last to be realized for the voters have backed with their dollars their conviction of the worth of collegiate training.

Arrangements for the student celebration were nearing completion this evening, and a tentative plan for Monday has been announced. It is the expressed wish of both student officers and faculty members that the occasion be made something more than an ordinary "jazz rally"—something worth while, and significant of the occasion.

"The passage of the millage bill means a new era for the University," said Karl W. Onthank, secretary to President P. A. Campbell. "It opens new possibilities for the development for higher education in Oregon. We feel that the University has accomplished much in the past, but with the addition of new equipment, new buildings and the augmenting of the faculty, it will be in a position to greatly enlarge the field of its accomplishments."

"I want to thank the students for the loyal support that they have shown in working for the passage of this measure," said Stan Anderson, president of the associated student body. "Its success is in a large measure the result of the work of the students of the University, agricultural college and normal school."

"Before President Campbell left for Eastern Oregon," said Anderson, "he sanctioned the plan for a monster celebration in the event of the passage of the millage bill. We are planning to make Monday the biggest gala occasion ever witnessed at Oregon. It is to be a real festival in which everyone at the University is expected to take part."

PASSAGE OF MILLAGE BILL CERTAIN SAY LATE REPORTS

As the Emerald goes to press at 9 o'clock this evening there is no doubt but that the millage tax has passed by a heavy majority, according to reports coming to Eugene from all parts of the state. Late word received at the President's office from Colin Dymnt at Portland say that each new report that comes in is better than the preceding. This morning Mr. Dymnt estimated that the bill would carry by a majority of 40,000 but it is now his opinion that it may be greater.

"It will at least carry by more than a substantial number," said Karl Onthank this evening, "which shows that the people of the state at large are in favor of higher education and awake to the needs of the state institutions of higher learning."

Even an enticing bargain sale wouldn't have had a look in with the jamming, pushing, pulling, grabbing, yelling and all the other gentler feminine arts displayed at women's league elections Thursday afternoon.

A. to L. to this side shouted the president in an effort to relieve congestion on the Villard hall stairway which was showing signs of weakening, more pushing and finally a thousand, more or less, A to Ls wormed their way to the checking station, and L to etc. pushed through on the other side. When the sum total of A. to L and L to etc was added it was found that the vote was far heavier than it had ever been at such an election, and entirely too large to crowd into one polling hour.

Vivian Chandler, who was elected to succeed Louise Davis as president of the organization is vice-president of the Women's Athletic Association and has always been one of the most active workers in women's league.

The official count follows:

President, Vivian Chandler 243; Nancy Fields 147
Vice-President, Nell Warwick 229; Ollie Stoltenberg 160
Secretary, Phoebe Gage 276; Velma Rupert 101
Treasurer, Madge Calkins 235; Ruth Griffin 74; Margaret Smith 78.
Sergeant-at-Arms, Marion Gillis 131; Lenore Cram 126; Margaret Jackson 129.
Editor, Mildred Weeks 214; Inez King 165.

HIGHER EDUCATIONAL MEASURE FAVORED BY VOTERS OF OREGON

"Running a Little Better Than 2 to 1," Says Member of Committee

'OREGON'S' SHARE \$530,000

Success Crowns Intensive Kork of Campaign Conducted by Student Body

That the millage bill will pass by a large majority is the practically certain indication of incomplete returns received from both the county and entire state on the results of Friday night's election. The count indicates so far that the state vote will run about two to one in favor of the bill.

A telephone message received at noon today from H. P. Vance of O. A. C., a member of the campaign committee in Portland, stated the "bill is running a little better than two to one and will run even stronger than the elementary educational tax measure."

Lane County Goes 2 to 1

The vote in Lane County is not as strong as it is indicated will be prevalent throughout the state. At one o'clock this afternoon returns from 61 precincts gave the bill 4,276 for; and 2,634 against. Reports earlier this morning from 36 precincts ran 2013 for and 1209 against.

A wire received late this afternoon by Karl Onthank from Don Belding, Oregon graduate at Klamath Falls, says the bill passed in Klamath County by an 8 to 1 vote.

Colin V. Dymnt, University of Oregon representative on the campaign committee, estimates that the state majority in favor of the bill will run over 40,000. Due to the length of the ballot at the election, complete reports are not available.

The millage bill, which is known as the higher educational tax act, provides for a tax of 1.26 mills for the support of the higher educational institutions in Oregon. The greater part of the \$1,247,000 that it is expected to raise will be divided between the University and Agricultural college. Support is also provided for the normal school.

University gets \$500,000 Increase
The University of Oregon's share of the total will be, on a three-to-four basis as compared with the college, about \$530,000. This will give Oregon a total of approximately \$850,000 a year for maintenance and building. The University is now getting about \$320,000.

The bill was passed by the legislature at its special session last January, but owing to the fact that it had already made appropriations up to the limit allowed by the six percent tax limitation, the measure was referred to the people.

A campaign for the passage of the measure was conducted by the three educational institutions which it affected. Prof. Colin V. Dymnt, of the University school of Journalism, was the Oregon representative on the headquarters committee.
