

RELIGIOUS COURSES TO BEGIN THURSDAY

Organization With Campus Y.
Back of Movement

WORK NON-SECTARIAN

Father O'Hara, Rev. B. J. Griffen, Rabbi Wise to Speak

Religious organizations working under the auspices of the University Y. M. C. A. will give special courses in religious education, open to both men and women students during the school year, it is announced. They are substantial courses given by men of ability and scholastic training, and are nonsectarian. All students are invited to attend these lectures regardless of church preference.

The first of these courses, "Christian Ethics," given by Rev. Edwin V. O'Hare, LL. D., is a presentation and discussion of the fundamental principles of ethics and their application to social problems of the present day. The classes will be held in the Y. M. C. A. Hut Tuesday and Thursday evenings at 7:30 throughout the fall and winter terms. Thursday evening, September 30, Father O'Hare will give his first lecture, and will meet students at the Y. M. C. A. Hut Monday and Tuesday afternoons from 3 to 5 o'clock.

Religious Literature Theme.
"Masterpieces of Religious Literature," is the title of a series of lectures that will be conducted by Rev. Bruce J. Griffen, M. A., B. D. This course is an appreciation of the poets and prophets of the Old Testament and will be given twice a week during the winter term. The time when these classes will meet is not known as yet, but will be announced later.

"Masterpieces of Religious Literature," (Ib), a continuation of course Ia, deals with the great religious masterpieces of the Christian Era. Rev. Griffen will offer these studies during the spring term on Monday and Tuesday, from 3 to 5 o'clock. He will meet with students in the Y. M. C. A. Hut for discussion.

Rabbi Wise to Lecture.
Beginning in January, Rabbi Jonah B. Wise, Dr. S. C. Kohs, and others will offer a course in the History and Culture of the Hebrew People. This is a study of the Civilization and culture of the Jewish people from a historical point of view.

Classes will meet once a week and all of the courses will be so scheduled as to avoid conflict with one another. They will probably be given in the Y. M. C. A. Hut and are open to students of all creeds.

WALTER M'CLURE VISITING CAMPUS

Former Oregon Track Star
Here on Leave from Army

Captain Walter McClure, ex-University of Oregon track star and Olympic athlete, is visiting at the home of his mother, Mrs. O. Bennett, two and a half miles from Eugene on the River road.

He is on a leave of absence until November 3 from his regiment, the 26th infantry, of Camp Dix, New Jersey. He is accompanied by his wife.

The captain, while at the University, was a letter man for several years with Hayward's track squad. He set notable records in the mile event. Best time is 4:24. On the strength of his record at Oregon he was sent to the Olympic games at Stockholm, Sweden, with Hayward in 1912. He is a member of Alpha Tau Omega fraternity.

Captain McClure served during the entire war with the outfit he is now in, and says that he expects to make army life his permanent vocation. He holds his commission in the regulars.

It was the 26th infantry that won so much favor for itself when it stepped aside at Sedan and allowed the French, who were "aching" for a chance at the Germans, to sweep on ahead of them and to settle on that field an old score that dated from the time of the Franco-Prussian war.

(Continued on Page 4)

tion on the team in 1918, and "Pete" Jensen has not been in school for several years.

Old Frosh Stars Out.
A number of last year's frosh squad are in suits every night, and from these as well as the members of the scrub eleven last year, Coach Huntington will have to fill the gaps made by the loss of his letter men. "Rud" Brown, "Tiny" Shields, Floyd Shields, Hugh Clerin and

Carl Vonder Ahe are all out for a line position, while the backfield men, George King, Frank Hill, "Ducky" Holmes and "Pete" Mead are all back in suits.

Dunsmore who played on the frosh squad last year is also trying for a backfield berth. Ed Ward, "Scotty" Strachan, "Bart" Laughlin, "Si" Starr and Neil Morfitt all of whom played a good game for the second eleven are out for line positions and "Bill" Reinhart who played for the frosh eleven in 1916, is back in school this year and is out for a backfield job.

Much New Material.

New men are turning out every evening since registration is over, and there is a wealth of green material to work on. The work for the last two weeks which has been held for about a dozen aspirants has consisted mostly of conditioning, the first signal practice being pulled off last night.

In addition to Head Coach 'Shy' Huntington, "Bart" Spellman, who acted as line coach last year, is back this fall in

the same capacity. "Bill" Hayward also is on the job every night, and "Ken" Bartlett of last year's varsity eleven is assisting in the work in addition to taking charge of the frosh aspirants.

With the Idaho game but three weeks off, Coach Huntington is expected to begin whipping the team into shape from now on. A practice game may be arranged for the week before the Idaho game, which is scheduled for Oct. 23.

NOTICE.

Sophomore's men's meeting, today. Watch bulletin board for place of meeting.

Place for a few more table-
boarders—Excellent meals.

Musical Notes

Every Columbia Grafonola is scientifically designed and built up to round out every musical note that the record carries. Every tone shade, soft or brilliant, is picked up and carried to you accurately by the

Columbia Grafonola

You get reproductions of exactly what the artists themselves produced on the original wax.

The straight metal one-piece tone arm allows the music to develop fully and naturally. Distorted tones are impossible. Pure, clear, well-rounded music comes to you with all its original harmony and tonal richness.

And when the last musical notes fade away, then and only then the Columbia Grafonola stops, for the *Non Set Automatic Stop* found exclusively on the Columbia Grafonola makes it stop. Never stops before it should. Always stops at the very end. Nothing to move or set or measure. Come in and let us demonstrate the stop that needs no setting.
