

# Y. M. C. A. DRIVE TO BEGIN TODAY

### Men Will Be Allowed to Join At Free Will.

### FEE GIVES ACTIVITIES

### All Kinds of Amusements Will Be Featured.

The Y. M. C. A. membership begins today. Every man in the University will be invited to join. "Big" Carl, who is in charge, says that the men who are at the head of campus 'Y' believe that every one here is interested in the program and willing to actively support it. Hence, no one will be 'driven' to join.

The purpose of the campus "Y" is to be of the greatest service to Oregon. What has been done so far this year needs no remark, as all who were present at the stag mix will testify. The program of stags, boxing, wrestling, movies, lectures, classes of various kinds, extension and community service, as well as religious activities and co-operation with the churches in their special student programs, is planned to meet the needs of every man in Oregon and to promote the unified spirit of democracy for which Oregon is justly famous.

The membership fee of \$1.00 all goes to support the activities outlined above. All money for salaries and upkeep of the Hut comes from the faculty and friends of the University.

The membership fee, although necessary, is not the aim of this campaign. The desire is to unite the men of Oregon in supporting the campus "Y". With this view, the men are given an opportunity to sign up on the following basis:

"Realizing that the Campus Y. M. C. A. has assumed the responsibility of performing important and definite work, vital to the welfare of campus life, I wish to co-operate with, and support these activities by assuming active membership in the campus "Y"."

## TRACK MEN WANTED

### Few Runners Answer Summons For Cross Country.

Athletes Needed In Endurance Race, to Compete Against O. A. C. at Corvallis, Nov. 20.

A number of cross country men have been turning out since the first call for Fall track work was issued last week, but there are not enough of them, according to "Hank" Foster, who is handling the squad. There are only about ten men turning out regularly and there should be at least sixty.

Among the old men who are reporting for practice are Glenn Walkley, Guy Koepf, "Speed" Peltier, Bill Coleman, Don Davis, and Sean Collins. These men are all working well, but there should be more material if a winning team is to be expected.

The first meet for the cross country men will be held with O. A. C. at the time of the football game. Walkley won the meet with O. A. C. last year, which was held here in connection with the Homecoming program.

If there are any men who have signed up for track to secure their gym credit and wish to try for the team, Foster asks that they will report to him at once.

## PROFESSORS SPLIT TIME

### Boltho and Whitaker Take Extension Work Two Days a Week.

Professor T. J. Boltho and Professor John R. Whitaker of the school of Commerce have been given extension work in the Portland center of the extension division, according to an announcement made at the dean's office yesterday.

They will spend Friday and Saturday of each week in Portland, and the remainder of the time will hold their regular classes on the campus. Professor Boltho will give lectures on advanced accounting, and Professor Whitaker on salesmanship and merchandising. The extension center at Portland is the public library.

## DEBATE MEET FRIDAY

### O. A. C. and Reed Representatives to Decide Question.

A conference has been called for Friday, at which time O. A. C. and Reed College delegates will meet here to decide the question for the State League Debate.

The triangular debate upon the question chosen is scheduled to be held here on the second Friday in December. No word has been received from Willamette University regarding the possibility of scheduling a debate.

## YOUNG REPUBLICANS ORGANIZE.

Young Republicans at Kansas are to organize to support the state organization.

## NEWMANS TO ENTERTAIN

### Social Will Be Held Friday Evening; Other Plans Made

At a meeting of the executive committee of the Newman club held Sunday morning, it was decided that a social would be held Friday, October 15, at 7:45 p. m. The social will be held at the rectory as the regular social hall has been undergoing repairs and is not yet ready for use. A very interesting program has been arranged, according to the committee, the special feature of which will be an informal dance, after which refreshments will be served. The committee also set the third Sun-

day of each month as the day on which the club members will receive Holy Communion in a body.

A breakfast and short program will be held in the social hall immediately after communion. George Pasto and Veronica Tracey were appointed by the committee to take charge of the program.

Miss Genevieve Clancy, who is in charge of the choir, reported that the pastor could be assured that at an early date the church would be supplied with first class music.

## CALIFORNIA SEEKS FUNDS.

The state of California is working hard for amendment 12 which proposes other means to finance the public in-

stitutions of the state. All the schools and colleges of the state are working on a vigorous publicity campaign.

## UTAH HAS BIG U.

The university of Utah has a big "U" on a large hill near the college. At present a campaign is on urging every student to make a pilgrimage to the "big U".

## MR. REDDIE'S SON INSTRUCTOR.

Prof. A. F. Reddie, head of the department of Public Speaking, has just received word that his son, MacIvor Reddie, has been appointed instructor in freehand drawing at the Harvard Medical school. He has had a studio in Boston for some time, having studied art at home and abroad for several years.

We are this year trying to supply the students with the most complete assortment of Stationery, Fillers, Pennants, Pillows, University Jewelry and Supplies that is possible.

### Arranging

Artistic arrangements made for Band, Orchestra, Piano, Voice, Vocal and Instrumental Quartettes, etc.

## Announcement

This is the only institution of its kind in the state of Oregon, and consequently is not in competition with any similar institution in Eugene or elsewhere. Not until the University of Oregon dropped its course in wind instruments did Mr. Perfect heed the many requests from students and parents to open this school.
