

SPANISH CLUB HOLDS FIRST FALL MEETING

Castilian Games Played, Plans for Year Told; 25 Members Signed Up.

In an open meeting last Wednesday night the Spanish Club of the University explained its plans and organization for the coming year. About 40 persons were present, according to Marjorie Holaday, treasurer of the organization, and 25 signed up for membership at that time.

The club, it was announced, was glad to have new members. Requirements for membership are either one year of college or two years of high school Spanish. Dues are 50 cents a term. Those wishing to join may give their names to either Marjorie Holaday or Edith Wilson of the social committee.

The club plans to meet on the second Wednesday evening of every month at the Y. W. bungalow, says Miss Holaday. All who are eligible will be welcome at the next meeting.

After the business was finished the rest of the evening was given up to a social get-together. Miss Amelia Esparza, student instructor in Spanish, played a piano solo. Spanish games and, later, refreshments concluded the afternoon.

Officers of the club are: Ulala Stratton, president, Edith Wilson, vice president, Gertrude Whitten, secretary and Marjorie Holaday, treasurer.

CHARLIE FENTON GOES ON CALIFORNIA TRIP

Will Attend Stanford-Oregon Football Game at Palo Alto; Urges Alumni To Be In Rooter Stand.

Miss Charlie Fenton, alumni secretary, has left to spend her vacation in California. During her absence the alumni office will be in charge of Miss Jeanette Calkins. Before leaving, Miss Fenton wrote to the Oregon Alumni in California reminding them of the Oregon-Stanford game and urging them to be in the rooters section to help put the Oregon yells over.

Miss Fenton is stopping with Hazel Rader at the Kappa Alpha Theta chapter in Berkeley and is renewing old acquaintances and visiting friends in San Francisco. She will remain in the south until after the big game at Palo Alto has been played in order that she may attend it.

LAW WOMEN ORGANIZE

Students Will Petition Kappa Beta Pi, National Women's Fraternity.

The women law students of the University have formed an organization, and, according to Alys Sutton, who already has credit for bringing one sorority to Oregon, the group will petition Kappa Beta Pi, a law fraternity for women.

Petitions to the law faculty and to the student council are being prepared for permission to do this. The women who are the nucleus for this new move are Josephine Howe of Illinois, Oletta Pederson of California, Alys Sutton of Louisiana and Gladys Everett of Oregon. Kappa Beta Pi has 14 chapters.

ARTISTS APPEAR HERE

National Figures Billed in Program of School of Music.

The music program of the year is being lined up and several good recitals are promised. Paul Althouse of the Metropolitan Opera Company will probably be here in February, and Margaret Matzenauer of the same company will be here at a later date.

Dean Lansbury hopes that the students and people of Eugene will take advantage of these recitals which are offered at bedrock prices. For it depends on the patronage given them what our future programs will be. It is co-operative work, and if everyone takes a live interest they can continue to get these well known artists at greatly reduced rates.

CAMPUS MASONS MAKE WM. ALLYN PRESIDENT

Acacia, National Fraternity, Sought by Fifty Members of Craftsmen Now on Campus.

William Allyn was elected president of the Craftsmen at a meeting held Tuesday evening in Dean Straub's office. Other officers elected were: Francis Wade vice president and Lewis Latimer secretary and treasurer.

The Craftsmen are a campus organization of the Masons, with about fifty members. They will meet sometime next week with the Eugene lodge to discuss plans for the ensuing year.

A committee was appointed at the meeting Tuesday to look into matters concerning Acacia, which is the national Masonic fraternity and see if a chapter can be obtained at Oregon.
