

NEW KICK IN MUSIC FOR ORCHESTRA HOP

Thirty Musicians Will Stage Concert-Dance, Nov. 11.

Selections from the latest jazz brought from the East by Rex Underwood, of the school of music, and some old standard waltzes will be featured for dancing at the combined concert and dance to be given by the University orchestra Wednesday, November 10. The complete orchestra will play for the feature dances and a smaller jazz orchestra selected from the members of the large orchestra will dispense live tunes for the other numbers.

This dance will give the student body an opportunity which scarcely ever is offered to the largest cities, that of dancing to the music from a thirty-piece orchestra.

The concert and dance will be held at the large armory the night before Armistice day. The concert will last an hour and will start at 8 p. m. Dancing will occupy the remainder of the evening.

The admission for both concert and dance will be 75 cents a person. Spectators admission to the balcony will be 50 cents.

Besides the list of members previously printed in the Emerald, the following new members will play:

- Violins—Anna Meyer, Claire Collette, Gunter Bickel, Reginald Gustafson, Truth Terry, Harold King.
- Flutes—Ernst Rosen, Herbert Pate, Arnold Anderson.
- Clarinet—Katherine Day, Linly Lutz.
- Cello—Agnes Kennedy.
- Saxophone—Velma Farnum.
- Trombone—Wister Rosenburg.

FRENCH CLUB NAMES COMMITTEES FOR YEAR

The story of the "pool of pins" of Saint Emilion was told last night at the French Club by Lois Gray.

F. A. Buholzer told the story of the French National anthem, the Marseillaise. It was first only a popular song and was called by another name.

Verne Blue gave a very interesting talk on the town of La Rochelle, and William Russis talked on Marseilles.

A brief business meeting was held and the president of the club, Raymond Purns, announced the personnel of the committees for the year.

OREGON CLUB FIVE BUSY

Basketball Squad Practicing in Hope of Landing Championship.

Fifteen basketball aspirants representing the Oregon Club turned out for the first practice Tuesday evening, and according to Paul Stone and Roy Veatch the championship of the "dough-nut" league is already headed toward the Oregon Club wigwam. The present intra-mural practice schedule permits only one practice a week for teams, but the Club representatives hope to play some outside games with local city fives.

Virgil DeLap, manager of the Oregon Club, requests all men not affiliated with other campus organizations who desire to play the hoop game to report to him or Paul Stone.

EMERALD CLEARS \$250.00

Subscription Campaign Makes Up Deficit of \$300 and Leaves Balance.

The financial report of the 1919 and 1920 Emerald shows a balance of \$250.28 due to the continued efforts of Warren Kays, business manager. Receipts were \$3764.98, and disbursements \$3514.70 for the two terms of his management.

When he took over the management of the Oregon Emerald, there was a deficit of \$300. By putting on the campaign for new subscriptions, sufficient funds were raised to offset the debt, and during the month of June the proceeds from advertising covered the expenses of a banquet at the Osborne, for the staff, former managers, and members of the faculty.

The financial report has been turned in to graduate manager Marion F. McClain, and will be put on the files of the Associated Students. This will enable the future managers to look over the reports and get suggestions for their publications.

Kays is now manager of the 1921 Oregon, and hopes to make this as financially successful as the Oregon Emerald.
