

FINAL HOMECOMING DRIVE STILL COMING

"Up To Students Now," Says
Jack Benefiel.

The work of the advertising committee for Homecoming week-end has been practically completed, according to Jack Benefiel, chairman of the Homecoming committees. The alumni magazines, "The Winnegan" and "Old Oregon" have been sent off, posters obtained and slides sent throughout the state. The final drive, and the drive that will make homecoming a success, he says, is up to the students. It is up to every student in the University to get busy and write personal letters to the alumni. It is necessary, he emphasized, that each student make it his business to write to all the old grads he knew of and to keep on writing until he knew for certain as to whether the alumnus would be able to be present or not. He urged that all campus organizations co-operate in this matter and assign alumni equally to their members, and to report the number of alumni that they expected for the week-end. Unless this important final advertising plan was carried out, Benefiel stated, the extensive plans which have already been made, would amount to nothing and Homecoming week-end would fall short of all expectations.

Alumni Banquet Held.
An alumni banquet was held at the Benson Hotel in Portland last Saturday noon for the purpose of stimulating interest among the alumni for Homecoming week-end. A number of Portland alumni were present and plans were discussed with Homecoming committee heads for bringing the old grads back Nov. 13. Dean Straub, Dean Dymont and Marion McClain spoke on Homecoming plans, the football game and building activities at Oregon.

The football game, which will be the big feature of the week-end, promises to be one of the hardest fought games yet staged on Hayward field. "Shy" is putting his men through strenuous practice every evening and is determined that the lemon-yellow aggregation will put up the hardest fight yet staged. On the other hand the University of Washington is going to put forth every effort to put the first stain of defeat on Hayward field. The game promises to be an exceptional one.

All plans for receiving the guests have been completed. There will be students to meet all special trains who will meet and register the alumni, see that they have proper accommodations provided for and will escort them to the campus. Special cars will be provided for and will be given over to the accommodation of the old grads.

Frosh Are Busy.
The frosh's spirits have not been dampened by the recent "Halloween Prank" touched to their bonfire-to-be and have redoubled their efforts toward gathering fuel and are more than ever determined to make this the biggest bonfire ever held during a Homecoming week-end.

Students are urged to use the Homecoming stickers to a greater extent. Many of them have bought them but have not used them. All those who have purchased these stickers are urged to use them on the backs of their letters.

The last meeting of the Homecoming week-end committee is scheduled for Tuesday before the week-end and every member must be present at that time says Carlton Savage. Meanwhile all students are asked to co-operate with the committees and fulfill their share on the program by writing letters to the alumni.

PRINCIPAL DOUGLASS WRITES FOR MAGAZINE

"Oregon Teachers Monthly" Article Tells
of Junior High School in the
Small Town.

Harl R. Douglass, principal of the campus high school, has a paper in the current issue of the Oregon Teachers Monthly, entitled "Junior High School in the Small Town." He cites the advantages and possibilities of the junior high organization in public schools, and relates how the campus high school has been organized on this basis.

He advocates the beginning of a high school education in the seventh school year, and later dividing the course into junior and senior divisions of three years each.

The complete senior division is being added to the campus high school this year. It will be much expanded with the addition of special and elective courses as soon as the school gets into its new quarters, which are being constructed at the corner of Kincaid street and Fourteenth avenue east.

Between Now and Saturday

Suggest the name for the new store on the corner of 12th and Alder Streets. Drop your suggestions into the box in the University Book Store.
