AGGIE SOCCER TEAM ASSURED HOT GAME HERE NEXT SATURDAY

Oregon Never Yet Defeated
by Corvallis Squads
In This Sport.

HARD WORK PROGRAM FOR REMAINING TIME

Hayward Field Will Probably
Be Scene of Battle
With O. A. C.

When the O. A. C. soccer team sweeps down from the north next Saturday intent on capturing the collegiate soccer championship of the state it will line up against the same fighting squad which held the Aggies to a "scoreless victory" in Corvallis during the O. A. C. homecoming. The teams have met about ten times since soccer has been introduced in the two institutions, and not once have the Corvallis ball booters annexed the heavy end of the score.

But rumors which have all the earmarks of truth to persons who witnessed the battle at Corvallis on November 20 are prevalent around the Oregon practice field among the many lakes of Kincaid. Coach Dymont, determined to teach the men a few intricacies of the game in order to outwit the Beaver's skilled players, is putting the squad through a cramming process in the few days of practice that remain before the game.

Aggies Well Coached.

The chances for O. A. C. to break the long string of defeats and ties this year are good. Under the able tutelage of Coach Wilshire, who finds time to supervise the daily practices of his experienced squad, the Aggie soccer team has developed into an efficient machine. In the recent game at Corvallis the Aggie forwards had the ball in Oregon territory three-fourths of the game, but the fighting qualities of the Oregon fullbacks, Koerber and Patterson, and the wonderful work of "Hay" Schmeer under the cross bars prevented Wilshire's men from scoring.

It is probable that the game Saturday will be played on the turf of Hayward field. Due to the absence of Marion McClain from the campus, this is as yet an uncertainty. Although weather conditions will have much to do with the final outcome of the game next Saturday, rain will not handicap Oregon to a very great extent.

Aerial Attack Expected.

A dry field and the consequent dry ball will enable the Aggie forwards to pass the inflated spheroid more accurately in their attacks on the Oregon goal, but the certain boots of Koerber and Patterson and the halfbacks will shoot the ball back into the Aggie domain. In a defensive game a wet slippery ball is ever a danger to the goal tender.

Coach Dymont will put the soccer squad through strenuous workouts until the last evening. Friday night the team will be given a light workout unless rain prevents.

DEAN FOX TO TAKE TRIP

Will Be Absent Remainder of Term On
Extension Work.

Dean Elizabeth Fox will leave next Saturday for an extension trip in eastern Oregon probably not to return until the close of the term. She has asked that all students wishing to see her do so this week.

Ruth Engstrom, secretary to Dean Fox, will be in charge of the Dean's office during her absence. Miss Engstrom will be in the office every day from 1:30 to 3:30 p. m. or appointments may be made at other times.

R. O. T. C. TRIBUNAL NAMED.

A general military tribunal has been appointed for the R. O. T. C. The members of the tribunal are: Major H. Koepe, Captains Byron O. Garrett, William P. Allyn, John Gamble, Emerald F. Sloan and First Lieutenant Marc Latham who will act as Judge Advocate. The tribunal has power to pass all sentences and is necessary to recommend probation or dismissal.

SOPHOMORE DANCE PLANS COMPLETED

Class of '23 to be Hosts to Entire
University at Big Affair
Friday Night.

Something novel as well as economical is the plan of the committee in charge of the sophomore dance to be held Friday evening at the Armory, and the decoration scheme is being carried out along this line, according to Floyd Maxwell, chairman of the dance committee.

The annual dance at which the sophomore class acts as hosts to the student body is one of the three big student body dances of the year and the plans for having an informal prom this season has met with the approval of the class. Dress suits, flowers and taxis are taboo this year and they will be conspicuous by their absence Friday night. The original date of the dance having been changed from Saturday evening to Friday evening on the regular student body social program.

The committee is devoting the week to carrying out an unusual plan of decorations and something new and novel is promised for the feature. An eight piece campus orchestra will furnish the music for the prom.

Patrons and patronesses for the event are as follows: Governor and Mrs. Ben W. Olcott, President and Mrs. P. L. Campbell, Dean Fox, Dean and Mrs. John Straub, Professor A. F. Reddie, Mr. and Mrs. John Stark Evans.

TWO TEAMS FIGHTING FOR FIRST POSITION

Kappa Sigs and Fijis Lead
In Basketball Series

Kappa Sigma walloped Sigma Chi 8-7, Beta Theta Pi snowed Delta Tau Delta under 29-6, Bachelordon took the measure of Phi Delta Theta 14-7, Sigma Nu romped on Alpha Tau Omega 11-6, and the Owls took S-Marlada into camp to the tune of 27-6, in the five games of doughnut basketball, played in the men's gymnasium, yesterday afternoon.

The Kappa Sigma-Sigma Chi struggle for second place in the league was the hardest fought game of the season. At the end of the first half the score stood 6-4 in the Sigma Chi's favor, but in the second half Kappa Sigma came back with a punch that swung the long end of the score in their favor.

In the Phi Delta-Bachelordon game, fortune favored the former in the first half, but in the second half Wellington, forward for Bachelordon, turned the tide of victory by shooting four field baskets. Miller and Holmes, forwards for the Phi Deltas, managed to score a field basket each, while Gavin, center, annexed three free throws.

A close contest was staged between Sigma Nu and A. T. O. Neither of the A. T. O. forwards were able to get away for a field goal during the game due to the fast effective work of their opponents. Johnson and Star for the Sigma Nu managed to slip in a field basket each during the first half, and Shattuck scored one in each half.

In the S-Marlada-Owl Club battle, the Owl quintet took the lead in the first half and increased it greatly in the second. Zimmerman and Porter were the principal point getters for the Owls, each contributing four field goals.

The following games will be played this afternoon:

Indoor Gym: S. A. E. vs. A. T. O.; Sigma Chi vs. Phi Gamma Delta; S-Marlada vs. Delta Theta Pi.

Outdoor Gym: Kappa Sigma vs. Delta Tau Omega.

OREGON-PRINCETON DEBATE SCHEDULED FOR DECEMBER 30

Ticket Sale for Big Forensic
Contest in Portland to
Open Next Week.

SPEAKERS SELECTED
TO REPRESENT U. OF O.

Teams Ready to Meet Reed
and O. A. C. in Interstate
Contest Dec. 10.

Tickets for the Oregon-Princeton debate which is to be held in Portland December 30 will be on sale in a campaign which is to start next week to get the support of all the students who will be able to be in Portland at that time.

"This debate," says W. M. Michael, coach of the teams, "will be a mighty representative affair, and its success depends upon the students—it is in the hands of Oregon Spirit." This is the first time that Oregon has ever met a large eastern university in debate and interest is added since the debate is to be in the west. Additional advantage is gained by having the debate in Portland, because of the larger number of persons who will be able to hear it. Princeton has a large alumni association in Portland which will be active in supporting their team. Professor Michael is anxious that the Oregon students give the team enthusiastic backing and show the easterners the famous Oregon spirit.

C. Carl Myers and John L. Canoles, who will represent Oregon, are both new in the University, but Professor Michael declares that they are as good debaters as there are in the University, and were chosen because it was felt that with this team Oregon would have the best chance of winning. Both men are seniors and older than the men on the other teams and have had a great deal of speaking experience. Canoles has spent some time with the Ellis and White Chautauqua, and was the winner of the state oratorical contest last year when he represented Willamette University.

Myers, who is registered in the school of commerce, has had much practical experience in speaking, though he has never participated in collegiate debate. Both men are busy with research work on the question.

The teams which will debate Reed College and O. A. C. December 10, have completed the work on the speeches and are now devoting their time to rebuttal material.

UNIVERSITY PLAYERS TO STAGE 'PRUNELLA' IN GUILD, DEC. 2-4

Play Is Fantasy Concerning
Life of Wandering
Singers.

FRANK JUE, CAST AS
TENOR, TO SING SOLOS

Special Music Arranged Under
Direction of Rex
Underwood.

"Prunella," a fantasy by Granville Barker, will be presented in Guild theatre by The Company, Thursday and Saturday evenings and Friday afternoon of this week.

The play concerns the life of the mummerys, or wandering players. Prunella has been reared by her old aunt who has kept her away from the world in seclusion. She does not know what love is until the coming of Pierrot, a leader among the mummerys, who finds her in the garden and urges her to accompany him in his wanderings with the band of players. The play leads into a beautiful love story, full of humor and pathos.

Lighting Effects Planned.

The atmosphere of the play is very dreamy and is well adapted to lighting and scenic effects. The lighting is in the hands of George Pasto who conducted that work in "The Cassilis Engagement," which was recently given.

The school of music is co-operating with the dramatic department in providing music. Rex Underwood has arranged some special music for the play, which will be given by Alberta and Aurora Potter. Frank Jue as a tenor in the cast, will sing.

The part of the statue that comes to life and speaks is taken by Alphonse Korn, a Eugene boy who has played with the department on former occasions.

The decoration of the stage, set as a garden, is in the hands of Thelma Lyons.

HENDRICKS HALL TO SUPPORT 2 ORPHANS

Near East Relief Worker Talks Before
Students; Aid for Armenia
Is Requested.

After hearing a talk on the Near East Relief work in Armenia, by Dr. Lincoln L. Wirt, Hendricks hall pledged to support two orphans. This is good evidence that student interest, when once aroused, will do much toward a generous co-operation in this work on the campus.

Dr. Wirt, who spent Monday in Eugene, has just returned from Turkey after extended Armenian relief work, and is traveling about the country presenting the situation from his first hand knowledge of it.

Dr. Wirt told of the conditions in the Near East from his personal experiences, and appeals for help on the basis of humanity and brotherhood.

He also addressed the R. O. T. C. battalion during the drill hour Monday, and spoke at Villard hall in the evening. The drive for the Near East Relief is now in progress, and the local workers, Miss Alice Capps is in charge.

U. S. C. NOT ADMITTED TO COAST CONFERENCE

Delegates at Berkeley Meeting Unanimously
Reject Petition for
Membership.

(Pacific Intercollegiate News Service)
University of California, Berkeley, November 30. — (Special).—The delegates to the Pacific Coast conference, meeting here this afternoon, unanimously refused the University of Southern California admission to the Pacific Coast conference. Grounds for the refusal were the distance which the athletic teams would have to travel in order to play the southern institution, and because of financial difficulties involved.

Oregon athletes who returned from the U. S. C. football game at Pasadena last Thanksgiving are unanimous in agreeing that the action taken by conference officials was the wisest course. They are agreed that the Southern California school is not yet up to the standard of the other members of the coast conference, which now includes the University of California, Stanford University, University of Washington, Washington State College, Oregon Agricultural College, and University of Oregon.

STUDENTS TO SPEND 10 CENTS FOR SEALS

Drive Starts Thursday, to Last
One Day Only.

Every student is asked to come to the campus with at least ten cents in his pocket next Thursday, and help in the sale of Christmas seals.

The Christmas seals in the past have been sold by the Red Cross, but this year the Oregon Tuberculosis Association is selling them, and the proceeds will be spent in Oregon, in fighting the white plague.

This drive will last for only one day, and the association will attempt to raise \$45,000 by the seals. Nancy Fields and Norton Winnard have been appointed by Miss Mabel Weller, general chairman, as chairmen in charge of the men's and women's houses.

Men's Committee Personnel.

Norton Winnard announces the following committee for men's organizations: Sigma Nu, Charles Robertson; Kappa Sigma, Elston Ireland; Beta Theta Pi, Wilcott Buren; Alpha Tau Omega, Chuck Huggins; Sigma Chi, Victor Bradeson; Phi Gamma Delta, Wes Frater; Phi Delta Theta, Richard Gray; Delta Tau Delta, Ned Twining; Sigma Alpha Epsilon, Frances Wade; Owl Club, Don Davis; S-Marlada, Jim Sears; Bachelordon, Dan Woods; Friendly Hall, Arthur Campbell; Delta Theta Phi, Verl Jones, and Phi Sigma Pi, Ralph Poston.
