

MULTNOMAH GAME AT PORTLAND FIRST OF BASKETBALL SEASON

Four Letter Men to Be Used In Tussle With Clubmen Next Saturday.

LAST YEAR'S FROSH SHOWING UP STRONG

Lemon-Yellow Five Will Play W. S. C. at Pullman on January 22.

With the first game less than a week off, Coach G. M. Bohler has a real task in whipping a basketball quintet into shape to meet the Multnomah club five at Portland, Saturday. The team which will in all probability be sent against the clubmen will be made up of the last year letter men as far as possible for there has been little chance to get a line on the new material in the short time which the squad has been practicing.

Coach Bohler is planning to take about 10 men to Portland for the initial contest; of these 10, four of the last year's quintet who will make the trip are Captain "Eddie" Durno, Marc Latham, Frances Bellar and "Nish" Chapman. Just who the remaining six will be is yet a matter of doubt even to the coach.

This will leave one forward position open and it is not certain that the other veterans will start in their old positions. Durno, who captains the quintet this year, was the unanimous selection for all Pacific coast forward and rated the same position on the all Northwest mythical five. Chapman also drew a place as all Northwest guard. Latham and Bellar both played their first season with the varsity last winter. Bellar at guard and Latham at center.

"Herm" Lind, Lynn McCready and the Jacobberger boys will not be out this season. Neither "Jake" or "Vince" Jacobberger are registered this term and Lind and McCready graduated last spring. The material from the frosh quintet of last year will be played up to fill the vacancies. Couch, Burnett, Andre and "Hunk" Latham all of last year's frosh team are showing up well. Andre worked in the forward position last season and was high point man on the frosh quintet. "Hunk" Latham, the rangy center will battle it out with his brother Marc for the center position. "Hunk" played a good game for the frosh last season although he will be at a disadvantage for experience against Marc.

Couch and Burnett are consistent guards and may be relied upon to play a steady game. They are both showing up well in practice.

Veatch, Reinhardt and "Spike" Leslie are out and will make a strong bid. Veatch has been showing up well in the doughnut games and Reinhardt and Leslie are both working well.

The pruning process has not commenced yet, and it is doubtful whether the squad will be cut down for a week or more yet. The conference schedule will begin on January 22 with Oregon playing W. S. C. at Pullman. This places the lemon-yellow at a disadvantage because of the long trip, and the fact that the games with the strong northern teams come at the opening of the season. The later part of the season will see all the games played at Eugene.

Y. W. TO HOLD LECTURES

First of Series Will Be Presented in Villard Sunday.

The first of a series of lectures to be given on the University campus during the coming months under the direction of the Y. M. C. A. will be presented next Sunday, when William M. Sweet, president of a large bonding concern of Denver, will discuss "Religion and Business" immediately following the orchestra concert in Villard hall. In the evening he will talk to men only.

Sweet has been lecturing in California at student conferences. He is said to be one of the ablest speakers of his kind in the west.

Sherwood Eddy, one of the best known Y. M. C. A. speakers in the world, is coming next week. More definite announcement will be made later concerning his and the following lectures in the series.

UNIVERSITY STUDENT ILL.

Lee Deffenbacher, a sophomore from Coburg, Oregon, is confined at the infirmary with pneumonia.

NEW PROFESSOR HERE TO TEACH GEOLOGY

Edwin T. Hodge Will Take Classes in Mineralogy; Comes From University of British Columbia.

With the opening of the winter term several new additions to the faculty are announced. Among these is Professor Edwin T. Hodge, of the department of geology. Professor Hodge is a recent arrival at Oregon, and although he is not well acquainted here, he is pleased with the appearance of the campus, and he expects to find his new position both interesting and enjoyable.

Professor Hodge earned his B. S. and M. A. at the University of Minnesota, and his P. H. D. at Columbia University, New York, and then he went to the University of British Columbia as head of the mining geology department. He has held this position for the last four years, and also had outside interests in the mines of British Columbia. He still has interests in some of these mines, and is consulting engineer for private mining companies.

Teaching geology is his hobby and he is interested especially in the practical application of his work. He will give advanced courses in economic geology and mineralogy, in the geology department.

FROSH TO WRESTLE ROOKS IN MARCH

Varsity Meets to be Arranged With U. of W. and Aggies.

Whether or not Oregon fight can stand up under the test in a wrestling bout will be shown in a match between the Oregon freshmen and O. A. C. rooks next March, according to Bill Hayward.

For several years wrestling has been among the more important of the minor sports at the University and for the last year and a half it has been nearing the highest point of interest under the direction of Arvo Simola. There are at present about a score of first year men out for the sport and about 15 wrestlers who are considered varsity material.

Work this year has created a great amount of interest among mat fans and already some interesting bouts have been staged in the classes, which are held three times a week. The freshmen especially are taking great interest in the activity, according to Simola, who predicts that the frosh-rook meet will be one of the most lively affairs of the year in the athletic line.

About the time of the freshmen meet, the varsity squad, consisting of five men, will have been chosen. Hayward says that meets can be arranged with Washington and O. A. C. if the men show enough interest. Should the meets be held wrestling will become a major sport and letters will be awarded. If meets are held, Simola, being a senior, may take part as a member of the team which will represent Oregon. He has been on the Oregon varsity wrestling team and took part in a meet against Washington several years ago but was unable to complete the season on account of enlistment in the army. He is regarded as one of the best wrestlers in the northwest and will be, without doubt, Oregon's mainstay in a contest.

Among those in the classes who are especially well prepared for varsity are Dick Shinn of Ashland and Bob Sheppard of Portland. Adams and Norton are the heavy weights and several dark horses are said to be in the field.

Freshmen wrestlers who are among the leaders for places on the freshman team, according to Instructor Simola, are Whitcomb, Dorman, Strachan and Rudd.

PRIZES IN ART OFFERED

Total of \$15 to be Awarded Students Making Most Progress.

Prizes totalling \$15 will be given in the art department this year to the persons who make the most progress in drawing, life drawing, or design. Five dollars is to be offered in each of these classes.

John E. McGuire, a former student of the University, who was graduated in architecture, is offering the prizes for work in design and color.

Professor A. H. Schreff will offer these prizes next term in his classes. The students will be judged by the progress they make and not by the best work that is done in the classes.

PLEDGING ANNOUNCED.

Kappa Theta Chi announces the pledging of Kenneth Youel of Silverton.

OREGANA DRIVE FOR SUBSCRIBERS OPENS AT 8 THIS MORNING

Booth to be Placed in Front of Library to Canvass Sales for Book

FIVE PRIZES OFFERED TO BEST SOLICITORS

Cash and Copies of Publication Will Be Given Members of Committee.

Promptly at 8 o'clock this morning the drive for the 1921 Oregana is to start. A booth will be opened in front of the library, and the members of the various committees are expected to be on hand in order to obtain tags and receipt books.

"The Oregana this year," says Welsey Frater, circulation manager of the year book, "will be the biggest and best book yet. I know that this has been said before, but each time this has proven to be the case. The price for the book this year is five dollars, three of which must be paid before obtaining a receipt, while the remainder will be collected in the spring when the Oregana is out. It is necessary that those intending to purchase an Oregana make the initial payment early in order that it may be possible to ascertain the number of books to be printed."

Many Prizes Offered.

Five prizes are offered for the greatest number of subscriptions obtained by an individual member of the committee, ranging from a cash prize of \$25 to a leather bound copy of the Oregana. The other prizes offered are: Second, \$5 and an Oregana; Third, \$3 and an Oregana; Fourth, \$1 and an Oregana, and Fifth, an Oregana. In addition, a leather copy of the year book will be given the fraternity first reporting a 100 per cent subscription.

Frater will be assisted by Wayne Akers and Wilbur Hoyt, and has appointed the following students to help put the drive over:

Campus Committee: Carolyn Cannon, Ruth Engstrom, Madge Calkins, Helen Carson, Laura Rand, Nancy Fields, Eleanor Coleman, Helen Dougherty, Doris Pittenger, Lenore Cram, Haddon Rockey, Dean Ireland, Lyle Johnson, Wolcott Buren, Francis Kern, Elmer Pendell.

Booth Committee: Louise Irving.
Faculty Committee: Lois Hall, Mary Ellen Bailey.

Town Committee: Ruth Flegal, Roy Veach, Norton Winnard, Beatrice Wetherbee.

Publicity: John Dierdorff.

Organizations: Alpha Tau Omega, Ralph Couch; Bachelordom, Dan Woods; Beta Theta Pi, Frank Miller; Delta Tau Delta, Guy Sacre; Delta Theta Phi, James Baker; Friendly Hall, Arthur Campbell, Ralph Hoerber; Kappa Sigma, Elston Ireland; Kappa Theta Chi, James Say; Phi Delta Phi, Gordon Wells; Phi Delta Theta, Jack Myers; Phi Gamma Delta, John Houston; Phi Sigma Pi, Carlton Logan; S. A. E., Benjamin Reed; Sigma Chi, Victor Bradeson; Chi Psi, George Shirley; Sigma Nu, Raymond Harlan; Alpha Delta Pi, Naomi Robbins; Alpha Phi, Austrid Mork; Chi Omega, Marie Anderson; Delta Delta Delta, Betty Pride; Delta Gamma, Helen Casey; Delta Zeta, Alys Sutton; Gamma Phi Beta, Helen Nelson; Hendricks Hall, Muriel Myers, Frances Habersham, Georgina Perkins Wanda Daggett; Haley Cottage, Germaine Dew; Kappa Kappa Gamma, Margaret Dunaway; Kappa Alpha Theta, Annamay Bronough; Mary Spiller Hall, Isabelle McArthur; Pi Beta Phi, Edith Pirie; Sigma Delta Phi, Elsie Marsh; Thacher Cottage, Mildred Black; Zeta Rho Epsilon, Maud Largent.

ALMACK ASKED FOR ARTICLE.

J. C. Almack, assistant director of the extension division, has received a request from "The Northman," a magazine published in Portland, for an article on "Training for Citizenship." The editors of the magazine saw an article by him on the subject in one of the University publications and are desirous of obtaining a similar story.

GREGORY TO RETURN SOON.

Dr. C. A. Gregory, instructor in the educational department is confined to his home this week recovering from a surgical operation which he underwent in the early part of the Christmas vacation. Dr. Gregory expects to be able to meet his classes next week.

Santa Claus Passes Hearts For Christmas; 7 Student Weddings During Holidays

The energetic love god and the patron saint of Christmas joined forces during the holidays and raided University social circles. The combination was too powerful, and several casualties have thus far been reported.

Pierre DuBois Mead, varsity football man from McMinnville, and Zonweiss Rogers, senior, Kappa Kappa Gamma, also from McMinnville, were married during the holidays and have left for New Orleans where Pete will be engaged in the cotton manufacturing business. Joe Trowbridge, registered at the University last year, and Lucile Stanton, former Oregon girl and a member of Kappa Kappa Gamma, were married during the festive season and are now living in Portland.

Three girls from the Pi Phi house were married to three Sigma Chi men during the holidays and are all now living in Marshfield. Louise Clausen, junior, from Coquille, was married to Keith Leslie of football fame, also from Coquille. Velma Ross and Thomas Bennett, Kate

Chatburn and Ben Fisher are the other two couples now residing in Marshfield.

Dorothy Cox, registered as a junior in the journalism department in 1918, was married to Dr. J. L. Hesse, local dentist. Miss Cox was employed as the only woman reporter on the Pittsburg Dispatch. Dr. and Mrs. Hesse are now living in Eugene.

Uldawalla Basler, who was registered at the University last year, was married to Ed Fahenstock. They were married last fall but kept the marriage secret until recently. Mr. and Mrs. Fahenstock are now in the east, according to a news clipping.

Announcement of the marriage of Miss Carolyn Eugenia Merritt, sister of Walee Merritt, an instructor in the University of Oregon law school from 1914 until 1916, has been received by Dean Colin V. Dymont. Miss Merritt, who is now Mrs. Osmon Royal, was an instructor in the Portland schools. This wedding took place previous to the Christmas holidays on November 24, in San Antonio, Texas.

WASHINGTON DEBATERS WIN FROM PRINCETON

(Pacific Intercollegiate Press Association.)

University of Washington, Jan. 4. (Special.) — The University of Washington unanimously defeated the Princeton debating team Monday night. Washington upheld the affirmative on the question: "Resolved, That congress should pass a law prohibiting strikes in essential industries." The constitutionality of the question was granted. A record attendance heard the debate.

OREGON'S DEBATERS LOSE TO PRINCETON

First Contest With Eastern Team Held in Portland.

Oregon's debaters were defeated by Princeton in Portland last Saturday in the first contest ever held between this University and an eastern college. Princeton's affirmative team won a two to one decision on the question: "Resolved, that congress should pass a law prohibiting strikes in essential industries." Those on the Princeton team were: Charles Denby, Jr., Alfred McCormack and George R. Warner. Those representing Oregon were John J. Canoles, Lebanon; C. Carl Meyers, Eugene; and Remey Cox, Portland.

The judges were Dr. Edward H. Pence of the Westminster Presbyterian church, Portland; H. H. Herdman, principal of the Washington High school, Portland, and Norman F. Coleman. Former Justice Wallace McCamant presided. Each speaker was given 12 minutes and 6 for rebuttal.

A great deal of interest was shown in the contest, and in spite of unfavorable weather conditions about six hundred persons gathered at the Lincoln High school auditorium, where the debate was held.

Moving pictures of the Princeton-Yale football game were shown before the debate.

The teams for the girls' debates with O. A. C. and Washington will be picked at the end of the week, according to Professor Michael. The team for the men's Stanford-Washington-Oregon triangular debate will also be chosen at that time.

A. S. U. O. DANCE FRIDAY

Stepping Event to Take Place of Open House This Term.

The Student Body dance to be held next Friday night at 8 o'clock in the Armory is to take the place of open house which will not be held on the campus this term. A large crowd is expected by Johnny Houston, chairman of the dance committee.

Wayne Akers, in charge of the music, has arranged for a special student orchestra and promises real jazz.

The committee in charge of the affair is composed of Johnny Houston, chairman; Lyle Bryson, Lyle Bartholomew, and Wayne Akers.

COMMERCE SCHOOL NOW HAS DRASTIC CUT REGULATIONS

Dismissal From Class Penalty for Excessive Absence Without Excuse.

SYSTEM OF GIVING POSTS IS CHANGED

Dean to Pass on All Cases Under Plan As Just Announced.

More drastic cut regulations than have hitherto been in force were adopted last night by the school of commerce. The new regulations are to be enforced in that department, effective at the beginning of this term, according to the announcement made by Dean E. C. Robbins.

Unexcused absences will henceforth constitute a serious obstacle in the way of securing passing grades. Excuses will not be issued by the instructors but must come from the dean of the school.

The following explanation of the new system was issued last night over the signature of Dean Robbins:

Unexcused absences to the extent of more than one week's work in any course means immediate dismissal from the course with a grade of F.

In a three hour course four unexcused absences means dismissal with a grade of F.

In a four hour course five unexcused absences means dismissal with a grade of F.

In a five hour course six unexcused absences means dismissal from the course, with a grade of F.

Students will be posted for unexcused absences as follows:

In three hour courses the first post will be sent on the second unexcused absence and the second post on the third unexcused absence.

In four hour courses, one post will be sent on the third unexcused absence, and the second post on the fourth unexcused absence.

In five hour courses, the first post will be sent on the fourth unexcused absence, and the second post on the fifth unexcused absence.

An unexcused absence means a substantial decrease in the final grade of the student.

Instructors do not have the right to excuse absences. All such excuses must be secured from the dean.

NEW REGISTRATION FROM 100 TO 200

Enrollment Expected to be 2000 by End of Year.

Registration for the winter term which includes between 100 and 200 new students will probably not far exceed the fall enrollment, and although no official statement has been made, Dean Straub declares that he thinks the number will reach about 2,000 for the entire year.

Among those registering are many former students who have been out of school for some time, and Dean Straub says he has been kept busy shaking hands with old friends. He further said that while traveling over the state during the Christmas vacation he encountered many former students who were planning to return to school in the spring term.

The three term system, according to Dean Straub, is making it possible for a great number of students to complete unfinished years with greater ease. The number of old students taking advantage of this opportunity is increasing.

OWL CLUB TAKES NAME OF KAPPA THETA CHI

The Owl Club, local fraternity, has adopted the name Kappa Theta Chi and will be known by this name in the future. It is announced that the adoption of the new name is a matter of house policy and does not mean a reorganization of the group. The change is effective from January 5, 1921, on which date the organization will be two years old.
