

154 NEW STUDENTS ENROLLED THIS TERM

Enrollment Now 1640; Total for Year 1842.

Since the opening of the winter term, 154 new students have entered the University, according to Carlton Spencer, registrar. Of the 154 there are 92 men and 62 women. By classes 59 are freshmen, 29 sophomores, 24 juniors and 10 seniors. New students listed as "specials" number 29 and there are three new graduate students enrolled.

The total enrollment for this year to date is 1842 as against 1725 at this time last year. As a number of first term students have withdrawn or were dropped because of low grades, the actual number attending the University at this time is 1640. Last year there were 1554 attending in January.

The fact that the number of new students entering this year is 28 less than entered at the same time last year is due probably to the uncertain financial conditions in the farming districts, according to Mr. Spencer.

CO-OP FUTURE IS BRIGHT

Financial Standing Will Be Reported Today for Fall Term.

That there is every reason for optimism regarding the future of the University Co-op store and good prospects for a reasonable dividend being declared at the end of the fiscal year was intimated by Jack Benefiel following a meeting of the directors last night. Marion McClain, manager of the Co-op, said that the financial standing of the store up to the end of the fall term would be given out today.

Two faculty members, two sophomores and one freshman will be elected to the board of directors to fill expired terms at the annual meeting of the stockholders of the University of Oregon Co-operative store which is to be held in Villard hall at 3 p. m. today. Also, the vacancy caused by the failure of John Alexander to return to school this term will possibly be filled.

Lyle McCrosky, Jack Benefiel, Wayne

Akers, Dr. John Eovard, Marian McClain and Carl Newbury comprise the present board of directors. All were present at the meeting last night.

BARNETT PLANS COURSE

Class in "Modern Governments" Will Be Given for Freshmen.

Beginning next September a service course for freshmen, which will satisfy in full the social science requirement, will be given by Dr. James D. Barnett, professor of political science. It will be a three hour course for three terms, and will be called "Modern Governments." The course will cover city, state and national government in the United States and European governments.

Dr. Barnett has 164 students in a class in state and local government, and it is believed that this is, in part, an indication of increasing interest in the student body in government matters.

MEN'S GLEE TO GIVE CONCERT IN PORTLAND

(Continued from Page 1)

their programs and to add something distinctly "Oregon" to the program, according to the composer.

Words of Song.

The words of the song are these:

Old Oregon we pledge to thee

VENUS PENCILS

University Florist's Flower Girl.

To clear up misunderstanding why not send flowers?

Do you want to clear up that misunderstanding with a friend? Now instead of saying, "Mighty sorry, Jim," or "Please forgive me, Lucy," it's a beautiful sort of an idea to simply say it with flowers and to let us furnish them.

Every event is an occasion for flowers.

—You'll be delighted with THE VARSITY.

C. R. HAWLEY, Prop.

UP TO THE TIME of the first Liberty Loan it was said that there were not to exceed 300,000 individuals in the country who regularly invested in Bonds.

NOW there are many millions of men and women who have learned that a properly safeguarded Bond represents—

- (1) A lien on property and earning power.
- (2) A source of regular income to the owner.
- (3) Something which can be converted into cash by sale.
- (4) A sane and easy way to put money to work at a profit.
