## THE OLD FIGHT.

It was a wonderful game.

Oregon lost, but Oregon's fight was not beaten. The varsity will come back again tonight, and again that unconquerable thing will hold the Californians. Oregon played a remarkable game against a far superior team. Oregon fight did it.

Gone perhaps are Oregon's chances at the championship, but an exhibition of Oregon fight such as was shown last night more than makes up for the loss of the honor. The better team won as it rightfully should. But the old fight cannot be downed.

California played a wonderful game, as well as Oregon. The contest, on the whole, was one of the cleanest seen here this season, a thing unusual for such a close game.

The sportsmanship of the Oregon rooters was perfect. We took defeat graciously, just as we would have won honorably. It was a game to be proud of in more ways than one.

It hurts to see a varsity so full of Oregon fight go down to defeat in such a game. But we are game losers. We will come back tonight and again put up the fight of our lives. Oregon fight will be just as strong tonight as it was last night. The sportsmanship will be just as good. And we will lose just as graciously, or win just as honorably.

It's the good old Oregon Fight!

It was a wise move when the powers that be decided to stage all basketball games in the Armory instead of the men's gym. Last night's crowd all but overflowed the Armory. A new gymnasium should be the next move.

## OREGON DEFEATED

(Continued from Page 1.)

forwards, Coop and Douthit working in from the side angle for their shots. The Lemon-Lellow scored their points in the first half via the long pass route taking long shots at the baskets. Beller, "Hunk" Latham, Marc Latham and Durno each scored two field goals by this method. Only two fouls were called on the California team during the initial period, Durno having an off night in converting these. Three fouls were called on Oregon during the first half. Coop converting one out of three attempts for the free throws.

Coop hooped two goals from the floor before being relieved by Symes, and Larkey, Douthit, Eggleston, and Symes each hooped one during the first half of the game.

### Durno Gets Points.

Durno was responsible for all the scores which Oregon was able to gather in the last period, getting only one field goal and scoring five out of six attempts for free throws. Coach Wight of California sent Coop back into the game during the last period, pulling Symes out, and Coop scored the victory for the Southerners. Douthit and Coop formed the combination, Coop getting three field goals. Douthit two and Le Hane slipping up for his guard position for one.

### Beller Varsity Star.

Beller was the outstanding star of the Oregon quintet, playing a good defensive game and getting two baskets from the floor in addition to mixing into every play that came into his reach. Chapman had hard luck in ringing up a score but his work in defense stood out distinctly, playing his usual steady and consistent game.

Captain Durno covered the floor in his usual speedy manner, outwitting his guards time after time, but failing to register as many of his throws as has usually been the case. "Eddie" appar-

ently had an off night last night in basket shooting. "Marc" and "Hunk" Latham worked up to usual form "Hunk" getting the tip off over Larkey at center in the majority of plays and working the ball all the time. "Marc" played a steady and consistent game and chalked up two pretty baskets during the initial period.

The line-up:

California—26. Oregon—23.  
Coop 12.....F. Capt., Durno 11  
Douthit 6.....F. ....M. Latham 4  
Larkey 2.....C. ....H. Latham 4  
Eggleston 2.....G. ....Beller 4  
Le Hane 2.....G. ....Chapman  
Symes, Capt., 2, Spare.

Field goals: Oregon 9, California 12; free throws, Oregon 5, California 2.  
Referee, Ralph Coleman, O. A. C.

## BASEBALL COACH

(Continued from Page 1.)

lief pitcher will probably be used, and the hole left by the absence of Francis Jacobberger should be filled by Rollo Gray, '23 who twirled some good games for last year's babes. "Spike" Leslie will be behind the bat, and this means a lot, for "Spike" is not only a good receiver, but is also a long distance slugger with a convenient habit of poling out safeties in the pinches. It shouldn't be hard to pick up a reliable relief catcher with Bob Earl and "Doc" Furry in school. Both are experienced backstops and can hit the ball.

Hitting seems to be the thing that the team will be in most need of, but with an early start and consistent use of the cages this defect can probably be remedied, to some extent at least. This is perhaps the last year that Oregon's ball team will cavort around Cemetery Ridge as the bleachers will probably be torn down next summer and it will certainly work to advantage as the present diamond makes baseball almost impossible toward six o'clock in the middle of the season, practically all the field positions facing toward the setting sun.
