

Oregon Furniture

When our windows are uncovered Monday night they will contain only things "Made in Oregon."

We believe you will be greatly surprised at the variety and excellence of these things and that you will feel a thrill of pride in our state as you see their splendid designs, materials and workmanship.

We are pleased and proud to be able to further the development of our state by displaying and selling these splendid things and urge that you take the opportunity to learn something of our products.

It is not possible to display in our windows any part of the Oregon made things in our stock, so if you are interested, come in and ask to see other articles.

All goods marked
down to newest
and lowest prices.

AND REMEMBER:

- 1.—Dignified credit.
- 2.—Low cash prices.
- 3.—Free delivery service.
- 4.—Old furniture taken in exchange.
