

GOING TO CAMP LEWIS GOING TO CAMP LEWIS

14 Freshmen In Squad Which Will Train Six Weeks.

Twenty-four University R. O. T. C. cadets are going to take the infantry officers' training course this summer at Camp Lewis, Washington, according to Major Baird, R. O. T. C. commandant. This number is a big increase over that of last year when nine cadets were sent to Camp Kearney, California.

This officers' training course is to be given for a period of six weeks, beginning about June 15 and ending July 30, at Camp Lewis, which has been designated as the Pacific coast infantry officers' training camp in the Ninth corps area by the war department, said the commandant. Two courses are to be given, the "basic" for the freshmen and sophomore cadets, and the "advanced" for the junior and senior cadets. The students taking the "basic" course will have all their expenses paid, including carfare and equipment, while the students taking the "advanced" course will be paid a dollar a day, with all expenses.

There has been a decided increase in interest in R. O. T. C. work this school year, declared Major Baird. He expects from 40 to 60 sophomores to enroll in the advanced military course by the end of this term. From the financial standpoint alone this will be a big help to the students. Figuring that 50 sophomores sign up for advanced work at \$15 a month for nine months will mean that the government will pay them the sum of \$6750. Supposing that 100 sophomores would take the advanced military course, as would be easily possible in a school of this size, it would mean that the government would pay the sum of \$13,500 to University students.

The men who are going to Camp Lewis to take the "basic" course, and their home addresses are: Arvin A. Burnett Eugene; Mason J. Dillard, St. Helens; Jacob Enkelis, Portland; Homer Gant Myrtle Point; Dix Holaday, Scappoose; George H. Honck, Roseburg; Ward C. Johnson, Kennewick, Washington; Paul R. McCulloch, Ontario; Clinton A. Mercer, Payette, Idaho; Raymond M. Rice Eugene; Kenneth R. Wadleigh, Maxwell, California; Marvin R. Eby, Oregon City; Edwin M. Fraser, Ashland, and Orvin T. Gant, Myrtle Point.

The cadets who are going to take the "advanced" course are Emerald F. Sloan Eugene; Charles G. Robertson, Salem; Roscoe D. Roberts, The Dalles; George Pasto, Portland; Orange W. Lemon, Middleton, Idaho; Dean C. Hurd, Eugene; William S. Hopkins, Medford; Herbert L. Geary, Clatskanie; John Gamble, Portland, and John W. Homewood, Ashland.

a registered student, could not run for office. He registered yesterday afternoon, however, and is a bona fide candidate again.

Five shifts of students will have charge of the polls in Villard during the four hours of voting today. Teams of five students each will take charge of the booths for one hour, Elmer Pendell, in charge of the elections, planning on having the teams overlap in order to take care of the expected rush of voters between classes. Two booths will likely be used, one booth for men and another for women. The booths will be open before and after assembly, but present plans include closing the polls during the assembly hour.

Teams to Speed Victory.

The game was witnessed by a fair-sized crowd of rooters and an effort will be made to increase the crowd at today's game, which is scheduled to begin promptly at 3:30 o'clock. The score and summary follows:

TWO PLAYS PLANNED BY UNIVERSITY HIGH

Miss Wakefield Coaches Work of Grading Class; May 26 Is Date Set.

The graduating class at the University high school will put on two plays at the high school auditorium, Friday night, May 26, says Miss Ethel Wakefield, instructor in dramatics, who is coaching the plays.

The first of these is a comedy entitled, "Chinese Dummy," in which Lucile Meserve, Wanda Eastwood, Lena Eastwood, Estelle Badnais, Dorothy Lare, and Marian Hays will take part.

The other is "Maker of Dreams," by

Lord Dunsany. The cast for this play is made up of Oleta Sullivan, Henry Sheldon and Floyd Ruch.

The stage settings for the two plays have not yet been definitely arranged, Miss Wakefield says. The students are making some of the scenery, with the help of the high school art department. The members of the cast are designing their own costumes.

Dramatic work of this sort could not be given in the old quarters of the campus high school, Miss Wakefield says, but the auditorium of the new building is equipped as a theatre, and although the equipment is not complete this year, a good beginning has been made. There has been some delay in the work of the dramatic classes, because the curtain for the state has not yet arrived.

Butter-Krust BREAD

Insist on the Genuine

There are all kinds of imitations of this popular bread.

But the title or the shape of the loaf is all they can imitate. They can't approach the delicate, appetizing flavor.

So, for your own protection, look for the label like that shown in the left-hand lower corner of this advertisement.

For that label marks perfect bread from ordinary bread.

A single loaf, ordered from your grocer today, will prove it.
