

HAYWARD'S STARS MEET AGGIES TODAY

(Continued from Page 1).

up better than they have at any time this season.

T. Morris Dunne, secretary of the A. A. U., was unable to reach Eugene today for the meet and Walt Hummel will be referee in his stead. The other officials are printed below. The meet will begin promptly at 2:15, in order to allow the students and fans a chance to attend the ball game which begins at 4 o'clock.

Scoring Is Explained.

In the meet, first counts 5, a second 2, and a third 1 point. Three men from each school may be entered. To make his letter, a man must win either a first place or nine points in the season. It is expected that either Pettier or Wyatt will make a letter, in the half mile. Walkley is expected to take the one and two mile event unless O. A. C. runs in a dark horse. "Ole" Larson, Del Oberbauer and Roscoe Hemenway stand a good chance in the 220 or the 100; in fact all the entrants have a chance, since there are only two old letter men back, these being Walkley and Sunderleaf.

The order of events will be: track, 100 yard dash, one mile run, 220 yard dash, 120 high hurdles, 440 yard run, two mile run, 220 yard low hurdle race, and the relay; field, pole vault, putting 16-pound shot, running high jump, discus throw, running broad jump, and the javelin throw.

All the officials are asked to meet in Bill Hayward's office today at 1:15.

in our complex machinery of life, according to Dr. Sheldon. "We must get rid of our mechanical standards and get faith in ordinary men and women," went on the speaker. "Democracy is not everybody fussing a little in the details of everything. This means inefficiency and ultimate self-destruction. Democracy is the selecting of wise leaders, and then trusting them," declared Dean Sheldon.

Plans were made for the banquet and program for the dedication of the new educational building, on May 27. Visitors on the campus at this time will be: State Superintendent of Public Instruction J. A. Churchill; City Superintendent D. A. Grout, of Portland; Assistant Superintendent Cole, of the Seattle schools, as well as representatives of other schools of education.
