

Oregon Daily Emerald

VOLUME XXII.

UNIVERSITY OF OREGON, EUGENE, OREGON, WEDNESDAY, MAY 18, 1921.

NO. 134.

SATURDAY'S MEET TO BE CLOSE, SAY TRACK DOPESTERS

Firsts Practically Decided;
Contest Probably For
Other Places.

U. S. C. NOT EXPECTED TO ENTER TRACK TEAM

Bill Hayward to Direct Con-
test; Officials Are
Named.

Anyone may win the Pacific Coast Conference track meet next Saturday, according to present dope. Four teams are entered and 45 points should take the meet, and as each squad is believed good for close to that number of points the victorious team will probably have but a slight margin.

The teams definitely entered in the meet at the present time are Oregon, Washington State, University of Washington and O. A. C. The University of Southern California will probably not enter a team, according to latest information. No definite word has been received from the southern school, but with the announcement of the illness of Paddock, Graduate Manager Benefiel is expecting cancellation.

Washington State College seems good for two firsts, in the high jump and the pole vault, with Eldon Jenne making the trip to Eugene. They may be able to take the two mile race away from O. A. C. also, as they claim to have a dark horse two-miler who is consistently beating the old-time records of "Jitney" Smith. Draper, of O. A. C., may be able to give them a run in the high jump also.

Pope to Heave Discus.

Washington and O. A. C. will probably fight it out in the sprints. Washington seems to have the edge, but Snook, of O. A. C., ran two good races here last Saturday. Draper will probably take a first for the Aggies in the high hurdles with little competition. Sims ran a good 880 here Saturday, and may take it in the coast meet.

Gus Pope, of Washington, will take the discus with little trouble. Pope is heaving the plate over 150 feet this year, which is 20 feet better than the other men on the coast. He also looks good to win the shot put for the Sun Dodgers, but this will not be as easy as his other event. Gap Powell, of O. A. C., got a heave of some 43 feet last week and Pope cannot do much better. Strachan, of Oregon, will not be far behind either of these. Tuck should also be good for a second place in the discus.

Oregon will win the javelin with Tuck going in his present form. Bowles should also be able to pick off the broad jump for the home team. Although Collins did not show to good advantage against the Washington quarter-milers, the way he ran last week makes him look good to be among the first in his event.

Officials Chosen.

Four places will count in the meet and with the first well split, the seconds and thirds will probably decide the winner. All the teams are well balanced and as each may enter only 12 men none has the advantage.

The officials have been selected as follows:

Wm. L. Hayward, director of meet; T. Morris Dunne, referee, secretary P. N. A.; Clyde Johnson, starter, Eugene. Ann Arbor '03; A. D. Wakeman, clerk of the course, president P. N. A.; Sam B. Warner, head timer, Harvard; Vere Windnagle, timer, Cornell; Oliver B. Houston, timer, Oregon, Yale; Martin W. Hawkins, timer, Oregon; E. O. Immel, head judge of the finish, Michigan '10; R. G. Miller, judge of the finish, Harvard '03; Earl Simmonds, judge of the finish, Eugene; E. M. Duffy, judge of the finish, ex-O. A. C.; Dr. Harry Beal Torrey, judge of the finish; Robt. Krohn, Jr., head field judge, Stanford; J. M. Reynolds, field judge, O. A. C.; Wallace Kaddery, field judge, O. A. C.; Robert Johnson, field judge, O. A. C.; Thomas I. Chapman, field judge, Oregon; F. J. Frank, field judge, Minnesota; Charles Huntington, field judge, Oregon; Al. Runquist, field judge, Oregon; Everett Hays, chief inspector, O. A. C.; Walter Hummel, inspector, M. A. A. C.; Vic Bradson, inspector, Oregon; Edwin Durno, inspector, Oregon; E. E. Leslie, score keeper, Oregon; Floyd Maxwell, press steward; Dean Colin V. Dymont, games committee; Prof. H. C. Howe, games committee; Dean H. Walker, games committee; Jack V. Benefiel, games committee; Henry Foster, head attendant; John Palmer, assistant attendant.

COMMERCE NEOPHYTES WILL ENTERTAIN TODAY

Alpha Kappa Psi Initiates to Talk With
Brevity On Deep Subjects From
Library Steps.

A dramatic interpretation of the status of foreign trade between the United States and China; an attempt to sell phonographs and sheet music; dissertations upon Greater Oregon—these are some of the stunts in which the neophytes of Alpha Kappa Psi, men's professional commerce fraternity, will entertain today.

The pre-initiation performance will take place from the library steps at 10:50, just before 11 o'clock classes. The initiates are Robert F. Callahan, John M. MacGregor, James Say, Carl Newburg, Walter Cofoid and Spencer Collins. The Chinese foreign trade stunt will be the collective effort of Newbury and Cofoid. Callahan will sell the music and phonographs. Say will do the Greater Oregon advertising stunt, MacGregor will impersonate the relative status of the railroads and express companies, and Collins will feature with a talk on the lumber industry. Talks are limited to two minutes each.

The initiation will be held at the Osburn hotel tonight. The newly initiated men will raise the total number of active members to 19.

The local chapter of Alpha Kappa Psi was installed in 1916, and since then has elected some 50 members. The fraternity was founded at New York University in 1905. Chapters were recently installed in the University of California and Wisconsin. Oregon has one of the three chapters on the Pacific coast.

COL. LEADER TO SPEAK ON IRISH CONDITIONS

Former Commandant Recently
Visited Country.

Colonel John Leader, commandant of the campus cadets during the war training period, will be a University guest next week and will address the student body on May 26 concerning his recent trip to Ireland and the conditions of the country as a result of the civil strife.

The Colonel needs no introduction to the majority of the faculty and student body, especially those who were on the campus during the war days and had the opportunity of a personal acquaintance with the genial and distinguished soldier who guided the training of the University student-soldiers.

With a lengthy war record in the British army that includes active service in practically all of the British possessions, and command of a British regiment in France during part of the world war, Colonel Leader's military achievements and interesting adventures coupled with a winning personality made him a popular member of the University faculty during the busy training days.

Forced by disability to relinquish his command in France, the Colonel came to the United States and carried on his interrupted military service by instructing the Oregon cadets and is credited with a large share of the credit of their efficient and thorough training.

The Colonel's recent trip to Ireland was in the interest of his estate which had suffered during the internal warfare, and what he saw and heard over there will form the basis of his assembly address.

DO YOU NEED SOAP? VISIT Y. M. OR Y. W.

Colgate Company Gives Packages of
Toilet Accessories For
Advertisement.

There is no excuse for any students at the University not being all slicked up for Junior Week-end, when free of charge they may walk into either the Y. M. C. A. or the Y. W. C. A. and get a neat little package tied with Oregon ribbons, containing all the attributes of a thorough cleanup.

Soap, tooth paste, cold cream and talcum powder for the ladies, and shaving cream, more tooth paste, cold cream, and soap for the men. It's hard to believe they are free, that is why the girls start in cautiously, but you should see the way the little boxes leave the bungalow after the girls are assured it is all free. Hands full, pockets bulging, and then a few stuck around promiscuously, just for good measure.

The reason for this is an advertising scheme of Colgate company, but it remains to be seen what kind of an influence it has on the students when the 1800 little packages reach their destination. The Y. W. C. A. bungalow has been a busy place and over 500 girls have received the samples so far.

George Hug Elected Graduate Manager to Succeed McClain; Was Member of Class of 1907

Acceptance Not Definitely Made, But Action
Will Likely Get Favorable Reception;
Committee Appointed to Settle
Question of Salary.

George Hug, a graduate of the University of Oregon in 1907, who has since that time been active in University affairs, was last night elected graduate manager to succeed Marion McClain, who resigned from that office last month. Hug had not definitely accepted the position last night, but it was thought likely that he would. The salary was not determined at the joint meeting of the athletic council and the executive committee, where the election was held, but will be determined later, a special committee consisting of President Campbell, Boverd, Tiffany and Carlson Savage, having been appointed for that purpose.

Hug will probably not take charge of his new duties until next fall, as his present position as superintendent of the Salem public schools does not release him until September. In the interim, it is probable that Jack Benefiel, who has been acting graduate manager since the resignation of McClain was accepted will fill the position, although this will also be determined by the committee.

Hug was unanimously elected to the position at the joint meeting of the two councils last night, which lasted four hours. He was not an active candidate for the position, but those on the council who had charge of securing candidates for that office selected him as the best prospect for the position, and his name was most discussed of the several brought up at the meeting.

The newly-elected graduate manager was active while a student in the University, having been for three years a member of the varsity football team, and is still remembered as one of the best centers ever produced here. He was for four years a member of the track team, and for two years its captain, holding at one time northwest records in the shot and hammer. He was also president of the associated students during his senior year, and at one time associate editor of the Emerald.

After his graduation his interest in University activities continued, and he served for ten years as a member of the athletic council, and was one of those who helped to organize the present northwest conference, of which he was for two years secretary. He also acted as assistant coach of football here for one year.

At present he is superintendent of the Salem public schools. For five years before that time he was superintendent of the McMinnville public schools, and eight years before that principal of the Eugene high school. He established brilliant records at each place, succeeding in making friends among his associates and students not only by his personality but because of his ability to readjust financial conditions which were unsatisfactory before he accepted the positions.

At the joint meeting of the councils last night, George Bohler was unanimously re-elected coach of basketball and baseball for the coming year.

KILPATRICK GOES TO
PORTLAND IN PLANE
Earl Kilpatrick Uses Aerial Route to Go
to Portland Meeting; Good
Time Made.

Earl Kilpatrick, director of the extension division, has long claimed that members of his department have occasion to regularly use practically every means of transportation known in the state. It remained for Mr. Kilpatrick himself to call an airplane into service for a business trip, however.

Yesterday noon Mr. Kilpatrick left the Eugene aviation field in a commercial plane bound for a meeting in Portland of the debate league executive committee. President Campbell and John C. Almack were supposed to go but they were unable to get away, and Mr. Kilpatrick volunteered to make the trip. To save time and gain a thrill first hand, he took advantage of an invitation to go by air.

A stop was made at Salem for gas and the machine was delayed here for about an hour. The flight to Portland was otherwise uneventful and Mr. Kilpatrick reached his destination about 4 o'clock in the afternoon. He at once put through a long distance call to Mrs. Kilpatrick telling her of his arrival in the Rose City. He returned to Eugene on a late train last night.

U. OF W. SPRINTER BEATS RECORD
University of Washington, Seattle
May 16.—(P. I. N. S.)—Rechecking of the records made in the recent track meet with Oregon shows that Victor Hurley, Washington's crack sprinter broke the University record in the 220 low hurdles. He beat his former mark of 26:02 by a full second. Besides winning the low hurdles, Hurley also placed first in the 100 and 220 yard dashes making him high-point man in the meet.

MEN'S LEAGUE WILL START BALL SERIES TODAY AT 5 O'CLOCK

One Defeat to Eliminate; No
Consolation Round to
Be Staged.

Weather permitting, the race for the doughnut baseball championship of the men's organizations of the University of Oregon starts this afternoon at 5, when Bachelordon meets Delta Theta Phi. A game is also scheduled Thursday at the same hour between Chi Psi and Friendly Hall. The rest of the games in the preliminary round will be played off, if possible, in the next two weeks. Until the close of the varsity season all of the contests will be pulled after regular varsity practice.

There will be no consolation round, due to insufficient time in which to play off the schedule, and a team once defeated is definitely out of the running for the cup. Varsity equipment will be used for the games, i. e., bats, catchers' equipment, etc., while the balls will be furnished, probably two to a game while they last, by the physical education department.

Umpires will be taken from the Order of the "O" and from the school of physical education, and Coach Bohler urges that there be no arguments with, or ragging of, the umpires, but whether this caution was given for the safety of the players or the well being of the umpires, the writer is not able to state.

House Schedule Given.
The way in which the teams will line up follows: Bachelordon vs. Delta Theta Phi; Chi Psi vs. Friendly; Delta Tau Delta vs. Phi Sigma Pi; Kappa Theta Chi vs. Sigma Nu; Sigma Alpha Epsilon vs. Kappa Sigma; Fiji vs. Beta Theta Pi; Oregon Club vs. Alpha Tau Omega, and Sigma Chi vs. Phi Deltas. The games will be limited to seven innings as it is deemed impractical to play full nine inning contests after 5 o'clock. The dates for the playing of the games not scheduled for the current week will be announced at the beginning of the week in which they are to be played.

Ineligibles Are Listed.
The following named varsity men are declared ineligible for the doughnut series by Coach George M. Bohler: Reinhart, Leslie, Knudsen, Gamble, Jacobson, Jacobberger, Berg, Gray, M. Latham, Beller, Base, Collins, Svarverud and Zimmerman. Freshmen men on the yearling squad and unavailable for the series are: Sorsby, Goodrich, Baldwin, Dinty Moore, Knight, Ward Johnson, Terry Johnson, Ringle, Wright, DeArmond, Douglas, Alstock.

Coach Bohler's parting advice to the men participating in the doughnut games, before the big show starts, is, "Play ball! Run them out! Don't argue! and when one comes over, hit it!"

DEAN ON ANNUAL TOUR

Dr. Straub Says Money Conditions May
Affect Attendance Next Year.

"For the first time in 15 years I can't make any estimate of how many students will be in attendance here next fall," said Dean Straub Monday, on his return from St. Helens, where he addressed the high school. "Money conditions are so uncertain that very few students are now able to tell whether or not they can go to school next fall."

Dean Straub last week started on his annual round of high school graduation addresses by talking to the senior class of St. Helens high school on May 11. From now until well along in June his time will be largely taken up by traveling back and forth across the state from town to town. The first week of June finds the Dean scheduled for practically every night of the week in widely separated towns, involving some speedy transportation from place to place.

PLEDGE ANNOUNCED.

Delta Theta Phi announces the pledging of Walter Whitcomb, of Gladstone, Oregon.

UNIVERSITY HONOR SOCIETY ELECTS 15 STUDENTS MEMBERS

Twelve Seniors, Three Juniors
Make Scholarship Body;
Six Are Women.

PHI BETA KAPPA IS SOUGHT FOR CAMPUS

Prospects Regarded Favorable
For Early Granting of
Oregon Charter.

Fifteen students of the highest rank in scholarship, 12 of whom are members of the graduating class and three juniors, were elected yesterday to membership in the University Honor Society, organized last year to promote the acquisition by the University of a chapter of Phi Beta Kappa, national honorary scholarship fraternity. Six of these elected are women.

Members of the graduating class elected are Harold Benjamin and Leo Cossman, majors in education; Robert Bradshaw, botany major; Laura Duerner, mathematics; Marian Gilstrap, public speaking; Mildred Hawes, English literature announced within a few days. The other Ralph Hoeber, economics; Harold N. Lee, English literature; Alice Lighter, German; Frank Palmer, English literature; Marie Ridings, mathematics.

Juniors chosen are Verne Blue, history major; Ian Campbell, geology; Isabelle Kidd, Latin. Three members elected last year as juniors who are still on the campus are Mary Turner, Wilbur Hulin, and Dean Moore.

The society, organized last year, now has a membership of 53, of whom 19 are faculty members, three seniors elected last year, 13 members of the graduating class of 1920, and 15 just elected, who will be regularly initiated at a date to be announced with a few days. The other four members are townspeople who belong to Phi Beta Kappa.

At the meeting held yesterday in Dean Straub's office, Dr. R. C. Clark, president of the society, appointed a committee consisting of Miss Mary Watson, chairman, Dr. W. E. Milne and Prof. Verne McDougale, to make arrangements for an initiation banquet.

Latest reports from officers and members of Phi Beta Kappa in the east are regarded as favorable to Oregon's early receiving the desired chapter.

DEAN ALLEN TO TALK TO YOUNG EDITORS

"Good Ideals In High School
Journalism" Subject.

The program as planned for the conference of high school editors, at 9 o'clock Friday morning, is to include an address by Dean Eric W. Allen, on "Good Ideals in High School Journalism"; and an exhibition by Alfred Powers, of the extension division, of all the northwestern high school papers obtainable. Mr. Powers will make comments and criticisms on the papers and will attempt to pick out the best five in Oregon.

There will be a talk by some high school editor representing a newspaper, one by the editor of a high school monthly, and one by the editor of some high school annual. President P. L. Campbell will give an address of welcome to the visiting high school students. The program is in charge of Alfred Powers, from the faculty, and Harris Ellsworth, from Sigma Delta Chi. Raymond Lawrence will be responsible for the week-end entertainment of the visitors.

Invitations include not only the editors of high school publications but all students who are connected with the papers or magazines. According to Dean Allen, replies are coming in, and a good attendance is indicated. A good many of the students connected with the publications will be guests on the campus over the week-end.

It is expected that advisers of high school publications will be on the campus Friday afternoon, and a conference will be held with them at that time.

VETERANS TO FEAST.

Veterans of the 361st ambulance corps, composed largely of Oregon students, who served with the 91st division overseas in France and Belgium, will hold a banquet and reunion tonight at the chamber of commerce. All members of the corps, which was organized by J. E. Kuykendall, will attend, according to the expectations of those in charge.
