UNIVERSITY OF OREGON, EUGENE, OREGON, THURSDAY, MAY 19, 1921.

NO. 135.

STATE HIGH SCHOOL DEBATE TEAMS HERE FOR ANNUAL CONTEST

Championship To Be Settled By Forty-four Young Sneakers.

ELEVEN INSTITUTIONS SEND REPRESENTATIVES

Six Semi-Finals To Be Held This Afternoon; Final Comes Friday

Standings of the teams are: Salem 8, Eugene 7, Grants Pass 7, Knappa 6, Lostine 5, Corvallis 4, Heppner 3, Coquille 2, Klamath Falls 1, The Dalles 1, Burns 0.

The results of last night's high school preliminary debate contests are: Coquille, affirmative, lost to Knappa, negative; Burns, affirmative, lost to Grants Pass, negative; The Dalles, affirmative, lost to Salem, negative; Eugene, affirmative, won from Burns, negative; Eugene, negative, won from Lostine, affirmative; Salem, affirmative, won from Corvallis, negative; Corvallis, affirmative, won from Heppner, negative; Grants Pass, affirmative, won from The Dalles, negative; Lostine, negative, won from Klamath Falls, affirmative; Knappa, affirmative, won from Klamath Falls, negative; Heppner, affirmative, won from Coquille, negative.

High school students from all parts of the state are in Eugene, not only to enjoy Junior Week-end, but to participate in the debate contest which has been an Oregon tradition for 14 years. The state has been divided into districts, and the best team of each is sent here each year. Last year Corvallis high school won the state championship.

Eleven four-member teams are here, and the first of the debates were held last night. The finals will be held Friday afternoon at 2 o'clock in the Y. M. C. A. hut, the University high school assembly room, and the assembly room in Oregon hall. The question for the debates is: Resolved, That the United States Should Own and Operate the Railroads.

Houses Are Entertaining.

The visiting debaters are being entertained at the different houses and halls on the campus. Six semi-finals will be held this afternoon at 3 o'clock. Raymond Andrews will act as chairman for the debate held in room 3 of Oregon hall. Professor Earl Packard, Dr. R. C. Clark and Professor W. C. Dalzell will be the judges. Boyd Iseninger will be the chairman of another debate to be held in room 4 of the same building, with Professor T. J. Bolitho, Karl Onthank and Miss Julia Burgess as judges.

Wanda Daggett will be the chairman for another. Harold Donnelly, M. H. Douglass and Alfred Lomax will be the judges for this debate, held in room 5 of the Oregon building. James Ross will also act as the chairman for one held in room 11 of the same building. Dr. M.

391 PATIENTS TREATED AT INFIRMARY IN APRIL

Maladies Varied and Numerous; Sore Throats and Colds Are On Increase.

During the month of April more persons were treated for colds and sore throats at the University infirmary than for any other cause. A total of 107 of these cases were treated, 69 of these cases being women and 38 men.

Examinations and prescriptions were given to 92, 36 women and 56 men, and 25 cases of infections of various kinds were doctored.

Poison oak had as usual its large quota of cases, there being 43 cases of this poison treated.

During this month 49 persons were doctored for minor injuries, 6 for blisters, 6 for headaches and indigestion and several for various other maladies.

A total of 391 patients were treated at the infirmary during April; 202 of these patients were women, 189 were men.

A total number of 36, of whom 8 are men and 28 women, were bed patients during this month.

An average of 19 women and 12 men called at the dispensary each day during the month of April.

BACHELORDON WINS IN OPENER OF SERIES

Doughnut Baseball Started; Delta Theta Phi Out

The doughnut baseball series got under way at 5 o'clock yesterday afternoon on Cemetery Ridge, when the Bachelordon team ruined all chances for championship of the Delta Theta Phi nine, by defeating them 8-3. The seven innings of play were characterized throughout by many errors and much harmless swatting on both sides. Throughout the greater part of the contest the Bachelors held a slight lead over their opponents, but the final victory was very uncertain until the last man was out.

The winners started things off by scoring two runs in the first inning. In the fifth inning Bachelordon put three more runs across and their opponents one, making the score 6-3 in favor of the former, and in the sixth they added two more, making the final score 8-3. The losers were unable to add more to their list in the seventh, none of the first three men up getting to first. The line-ups follow:

Bachelordon—	Delta Theta Phi—
Clark	1b Hillary
Wood	2b Eben
McCort	3b Gloss
Webber	ss Snyder
Benedict	p Mercer
Kelly	c Berg
Campbell	rf Langlois
McIntosh	cf Crow
Cabell	lf Covalt

There will be no more games played until after Junior Week-end. The one scheduled for this afternoon between Chi Psi and Friendly Hall will be played the first of next week. Team captains are requested to watch the bulletin board in the gym for further dope.

VARSITY SWIMMERS AND MULTNOMAH TO HOLD MEET JUNE 11

Fast Races Predicted; Dope About Even. Sav Hedges And Cody, Coaches

ALL-COAST CONTEST EXPECTED NEXT YEAR

'Bus' Douglass to Head Team Mickey Wilsey Captains Polo Players

The dual swimming meet scheduled with the Multnomah Amateur Athletic Club in Portland will be held on June 11. Due to a conflict in dates, the previous time of June 4 had to be canceled, and the contest set for a week later.

Six events are on the program, not including the water polo game which will be staged after the speed and distance events. The events include the 50 yard and 100 yard sprints, the 200 yard swim 100 yard back stroke and four-man 200 yard relay, and plunge for distance.

The arrangements for the meet are being handled for Oregon by Joe Hedges student instructor in swimming. Both Hedges and Cody, of Multnomah, predict that all of the races will be fast. So even is the dope that it is practically impossible to make predictions as to the outcome of many of the events.

Two Captains Named.

"Bus" Douglass will head the swimming team in the Multnomah meet and Mickey Wilsey will captain the polo players. These men were selected at a meeting of the swimming team Tuesday night.

Oregon's chances are assured only for some of the places in the various events. Douglass is expected to place at least second in the 200 yard swim, which is his best race. Mickey Wilsey, Lyle Palmer and "Hap" Hazard will enter in the sprints, but will have some lively competition from the clubmen at the hands of Harrison, Colly Wheeler and Alonen.

The Lemon-Yellow is assured of two places in the 200 yard back stroke. Mickey Ringler can be counted on for second place and George Neil for third. Jack Pobochnko, of Multnomah, who is the holder of the northwest record for this distance and stroke has been counted on to finish first.

Relay Appears Even.

The relay race as yet seems an even break, with Oregon perhaps holding the edge on the argument. The team of four men will be picked from Douglass Wilsey, Hazard, Palmer and Neil.

The polo team has been practicing regularly under the guidance of Fred "Duke" Howard. "Duke" was a member of the A. E. F. water polo team and is considered one of the crack players on the coast. His work has been handicapped by many minor obstacles during the past few weeks, but his aggregation expects to give the Portlanders a run for their money.

Beside the swimmers who will enter in the speed and distance events, who are trying for places on the polo team "Frenchy" DePauw and Joe Merchie are

(Continued on Page 2)

COAST TENNIS MEET STARTS HERE TODAY; 6 COLLEGES ENTERED

Washington, Stanford, O. A. C., Stanford and W. S. C. to Be Represented

OREGON IS CLASSED IN CELLAR DIVISION

Phil Neer, Holder Of Title For State Of Oregon To Play For Stanford

With lack of practice, due to bad weather, as their main obstacle, Coaches Lawrence and Warner will send their Lemon-Yellow tennis pair into the first rounds of the Pacific Coast Conference tennis tournament this afternoon.

Local dopesters have it that the race for top place is between Washington California and Stanford, with California having a little the edge on it, and Oregon, O. A. C. and W. S. C. battling for cellar positions.

Drawing for positions in the meet will be held today at 1:30 and games will start at 2. During the contest, which will last for three days, each man will play singles and every team will have a doubles match to start things off. The Oregon coaches will probably act as judges.

In speaking of the tournament, Coach Sam Warner says: "These games will be easily the fastest played on the local courts. The Oregon players desire that you support them just as you would a football team. They are going to do their best and although they hardly expect to win the meet, they have a chance to come out near the top. We are not charging to see the meet and it is hoped that a good share of the students will turn out."

Bates and Levy, of California, and Webber and Heale, of W. S. C., arrived yesterday afternoon and the other teams are expected this morning.

The Oregon Aggies will be represented by two entries, Ken Joy and Caldwell, while the University of Washington has four men to enter in the tournament. These are Don Waller, Marshall Allen, Bill Taylor and Lang. Allen is rated as the best man on the Sundoggers' team. He defeated Phil Neer at Stanford last year, but he in turn was defeated by Jimmy Davies of the Stanford team. Lang, of Washington, was the champion of the frosh team at the northern school last year.

The Stanford entries of Neer and Davies are expected to show up in great form. Phil Neer, of the Cardinals, at one time held the northwest title and at present holds the title for the state of Oregon and the British Columbia district. Davies and Neer arrived in the north from Palo Alto the first of the week and have been playing a series of exhibition matches in Portland.

Carroll Webber and Merrill Heale, who are representing Washington State College, have already defeated the University of Idaho team in a dual match at Pullman early this season and they will no doubt give a good account of themselves in the matches here.

Smith and Westerman, of Oregon showed that they are to be reckoned with in the tournament by their defeat of the Multnomah Club players here last Saturday, and the California and O. A. C. teams are considered among the best.

ARTHUR HICKS HONORED

Mildred Hawes Has Highest Grades of Those Chosen By Honor Society.

Through a typographical error—the substitution of a wrong line—the name of Arthur Hicks, a major in Romance language, was omitted from the list of those chosen to membership in the University Honor Society Tuesday afternoon. Hicks, who is a senior, had one of the highest scholarship averages of those admitted.

The highest was that of Mildred Hawes, whose mark was 1.12 for the two years of her work taken in this University. The highest possible average under the new system of grading, which counts honors as 1, is the grade of 1. Only two of the 15 students admitted by the honor society had averages as low as 2, for the whole of their courses.

DR. BOVARD BACK FROM EAST.

Dr. John F. Bovard, dean of the school of physical education, has just returned from an extended trip in the east, where he has been visiting department of physical education in different schools and universities.

FORMER EDITOR HERE FOR WEEK-END EVENTS

Leith Abbott, Now of Pendleton Tribune, Will Visit Friends On Campus Several Days.

Leith Abbott, last year's editor of the Emerald, arrived in Eugene Wednesday noon and will spend a week visiting friends on the campus. Leith was elected track captain this year but has been working on the Pendleton Tribune this year.

Abbott will return to Pendleton before the 26th, when an industrial show will be held in the Round-Up City. The Tribune is planning a booth in the exhibit, with Oregon's former editor as "Exhibit A." The Tribune's leased wire telephone is to be installed in the booth and ex-Editor Abbott will pound out the news "miles per" before the eyes of the public.

RUBLE ELECTED AS EMERALD MANAGER

Unofficial Action Is Taken By New Executive Council

Webster Ruble, for the past two years a member of the business staff of the Emerald, was named manager of the Oregon Daily Emerald for the coming year at an irregular meeting of the new Executive Council last night. The vote was unanimous in favor of Ruble. Other candidates were Harris Ellsworth, Emerald manager in 1919, Oregon manager in 1920, and manager of the Lemon Punch this year, and Arne Rae, a junior who has had experience in management of other newspapers, and is at present connected with the Morning Register of Eugene.

Ruble is at present assistant manager of the Emerald, and last year was advertising manager. He has taken an active part in affairs of classes and the Y. M. C. A. as well, and has helped in the management of other University publications.

The election of the new Emerald manager necessitated the calling of the first meeting of the new executive council since the adoption of the new constitution. Since the faculty members have been appointed, but no alumni member elected, the appointment of Ruble will necessarily have to be affirmed by the council when it functions properly next year.

"Ruble has shown by his consistent work on the business staff that he has the makings of an excellent manager," said Raymond Vester, present manager of the Emerald. "There is no doubt that next year's Emerald will be successful under the management of Ruble."

Ruble will take over his new duties upon the completion of the Emerald's present year, on June 4. In order to enable him to go ahead with plans for next year, it was deemed advisable to have the council appoint a manager immediately instead of waiting for a regular meeting of that body next fall.

STUNTZ WILL SPEAK TODAY AT ASSEMBLY

Eloquent Orator To Bring Message Of Far East

Bishop Homer Clyde Stuntz, of the Methodist Episcopal church, who since his ordination to the ministry in 1884 has been active in church affairs, will address the student body this morning at the regular weekly assembly at 11 o'clock. Bishop Stuntz was made a delegate at the recent national conference of his church at Portland and, according to press reports, was the most eloquent of the orators who addressed the gathering.

With a record of church work extending over a period of 37 years, being most of the time in India and the Far East as the representative of the foreign missions of the M. E. church, Bishop Stuntz' talk to the students today will have added interest for many who enjoy the remarks of one with a versatile career in many lands and who has accomplished much in his chosen field.

Bishop Stuntz' advent into the foreign mission field was as missionary to India where he served from 1886 to 1895. He returned to the Far East in 1901 as superintendent of missions of the M. E. church for the Philippine Islands, where he remained until 1907. During his stay in the Orient the bishop gathered the material for his published volume, "The Philippines and the Far East," containing a large amount of information concerning our island possessions.

ENTRIES COMPLETED; FOUR COLLEGES ARE SET FOR COAST MEET

Conference Rules Limit Number of Members of Team To Twelve

4 OLYMPIC ATHLETES WILL COMPETE HERE

Straighaway May Be Moved Across Field In Front Of Grandstand

With the completion of the list of entries yesterday everything is in readiness for the starter's pistol in the Pacific Coast Conference Track and Field Meet which is scheduled to begin at 2:30 o'clock, Saturday afternoon on the new oval on Hayward Field. Oregon's new \$10,000 track will be officially opened by the conference meet, although the first meet to be held on the track was that of the Oregon Aggies and the Lemon-Yellow athletes last Saturday.

According to Bill Hayward, director of the meet, the conference rules call for a 12-man team only and although the entries from a number of the other institutions already exceed that number, it will be necessary for the trainers and coaches to cut their squads down to conform to the rules. This will give each team an equal advantage in minimizing the number of events which they can place entries in. At present Oregon has 16 men listed, while the Oregon Aggies are credited with 15 men, Washington State with 13 and the University of Washington 14. The teams are expected to begin arriving on the campus today and tomorrow morning in order that the athletes may be given a chance to limber up after their trip.

Olympic Athletes Here.

According to the entry list at present, three members of the United States team which competed in the Olympic Games at Antwerp will be seen in action at the conference meet here. Eldon Jenne, star pole vaulter of the Washington State College team, will be entered in the pole vault and in the high jump. Gus Pope, discus hurler of the University of Washington team, the second member of the United States team, will be entered in the discus and shot put events. Arthur Tack, of Oregon, holder of the Pacific Coast record in the javelin who was a member of the United States javelin entries in the Olympic meet, will be entered in the javelin, shot put and discus events Saturday.

With favorable weather conditions, everything points to several Pacific Coast records to be broken, but rain or shine the oval will be in first class condition for the meet. The finishing touches have been put on the track this week and it has been rolled and packed until the cinder paths are in the best possible condition. The matter of placing the straightaway and finish posts in front of the grandstand instead of the bleachers on the opposite side of the field is still under consideration, but if it is practical this change will be made.

Numbers To Be Worn.

The entries will wear their numbers and these have been arranged so that Washington entries will wear the numbers between 1 and 20, the Washington State College entries will wear those between 20 and 40, the Oregon Aggies will wear the numbers between 40 and 60, and those over 60 will be worn by the Oregon men.

The University of Southern California will not be represented and only the four northern members of the Pacific Coast Conference will take part in the meet. The names of the entries from the various schools, their numbers and

(Continued on Page 2.)

PRIZE PUT UP FOR SONG

Seabeck Contest Begun and Loving Cup Awarded to Winners.

The Seabeck song contest has begun and Jean Mackenzie is in charge of all original productions handed in from girls on the campus. Every year all the groups of college girls who attend Seabeck sing an original song and a silver loving cup is awarded for the best song. Last year the cup was won by the Whitman girls. Their song had two verses and was written to the tune of "Yale Boating Song."

The subject matter of these songs must be something pertaining to the conference or Seabeck. Any girl on the campus who cares to write words for the song can see Miss Mackenzie or Miss Dinsdale. Any help will be appreciated. College girls with musical instruments are urged to bring them to the conference so that there will be lots of music.

Oregana Out; First 200 To Be Circulated Today

The 1921 Oregana will be delivered this morning during assembly hour at the different organizations on the campus, where they will be taken in charge by especially appointed agents and distributed to the members of the houses. Owing to the slowness in the binding, there will not be as many copies ready as expected, but about 200 copies will be distributed. A number will be left at the Co-op for those who are living in town.

The first copy to be given out will be the leather-bound copy, which is to be awarded the Phi Sigma Pi house for being the first organization to have a hundred per cent subscription list for the Oregana.

An unusual feature of this year's annual is the cover which, unlike the accustomed green and gold covers of previous annuals, is done in shades of green and brown. The name Oregana and the Oregon seal have the appearance of tooling on leather. The border also represents something quite different in harmony with the cover, it is in shades of dark forest green and brown, with a design of pinecones and needles used as a background for the chief figure in the border, which is the Pioneer.

(Continued on Page 4.)

SENIORS WILL ACT FOR MOVIE CAMERA

"Nothing But the Truth" Ready to Present

The final dress rehearsal of "Nothing But the Truth" will be held tonight. If the critics who attend are of the same as those who have already seen the staging in the senior play, they will be enthusiastic boosters for the production.

Most of the houses on the campus have already planned to have two or more frosh in line at the ticket window of the Eugene theatre a dozen or more hours before the box office opens at 10 o'clock Friday morning.

The two latest announcements in regard to the play are that the curtain will rise at 8:15 sharp, Friday night, and that houses which buy too many tickets will not have the privilege of returning any. Practically all of the houses on the campus are planning to take their Junior Week-end guests to see "Nothing But the Truth," according to the manager.

Besides their appearance Friday night the senior actors will be "shot" in a scene or two by the Junior Week-end movie camera, which is to record all the activities of the celebration.
