TAILORED AT FASHION PARK

Appreciation

To the associated students of Oregon:

We sincerely thank you for your very liberal patronage the past year and assure you that our store will be ready to serve you next year even more fully and maintain its position as "The college man's shop" in Eugene.

To the Emerald Staff—

We thank you for your untiring efforts and cooperation on the Emerald and congratulate you on the type of paper you have published. You can count on us next year.

Sincerely,

GREEN MERRELL CO.

Something Different

Summer demands something different in clothes—something more informal that will fit in with a days outing.

A Bi-Swing, is a Norfolk of the latest vogue. Our tailors at Fashion Park designed it to give just the right freedom to the shoulders. Custom service without the annoyance of a try-on.
