

## CLASSES IN RELIGIOUS WORK STARTED BY Y. M.

### Discussion Groups Will Meet One Hour Each Week

The "Y" school of religious and ethical education started Wednesday, and regular classes will be continued throughout this term. These will be in the form of discussion groups, meeting one hour each week, under student leadership for the most part. The school has several enrolled in each group. The classes will be limited to 12 men each.

The school has been divided into five main departments, containing in all 15 classes. The work given ranges from a study of economic problems to general religious education. Men may enroll in any particular branch that interests them.

Men are still being enrolled this week, and the "Y" urges all who are interested to come to the hut and find out about the school. Schedules are available, and will be given out upon request. The classes have been so arranged that men can sign up for any vacant hour they have during the week. All freshmen are especially urged to consider the course in "Students' Standard of Action," which is a practical discussion of the problems of university life.

## FRO-TRA-CO OFFICERS NAME FIRST TRIAL SET

Warning Issued to Freshmen Tradition Violators; Penalties to be Meted Out by Order of the O

Warning to freshmen tradition violators was sent broadcast from a meeting of Fro-tra-co freshman honorary society, held Wednesday night. At this meeting sophomore members turned over the reins of the organization to the freshmen who elected officers and made plans to carry on the work of the society.

Tradition breakers will be brought to trial for the first time this term next Wednesday when alleged guilty ones, as found by Fro-tra-co members, will be brought before the Order of the O, assembled in front of the library.

Officers elected for the coming year are: Jess Nelson, Astoria, president; John Simpson, Pendleton, vice-president and Richard Carruthers, Astoria, secretary-treasurer.

## STANFORD REGISTRATION 300 MORE THAN IN 1920

Upper Classes Show Most of Growth; University Loans Will Help Many to Meet Additional Tuition

Stanford University, Oct. 13.—(P. I. N. S.)—Stanford registration figures for the fall quarter have broken all records. The latest total is given as 2,672, an increase of 300 over last fall's record. The significant fact is that most of the growth has come where it can be taken care of best—among the upperclass men. Nineteen hundred and twenty-one students returned this fall, as compared with 1,615 last year.

In connection with this, statistics show that a number of students have taken advantage of the loans offered them by the University, indicating that the increase tuition fee has not discouraged the student of slim financial means from coming for an education.

## CAMPUS SPANISH CLUB ELECTS NEW PRESIDENT

New Members Voted in at Meeting Held on Wednesday; English Speech at Sessions Taboo

El Circulo Castellano, the campus Spanish club, unanimously elected Le Laine West as president at the first meeting of the year Wednesday evening at the Y. W. C. A. bungalow. Both Edythe Wilson, who was elected to the presidency at the last meeting of the organization in the spring term, and Ina McCoy, who was chosen vice-president at the same time, failed to return to the University.

Rita Bidings will fill the office of vice-president. Margaret Scott resigned from the office of secretary and Miss Amelia Eparza was unanimously elected to that position. Margaret Scott will act as reporter.

New members voted in Wednesday evening are: Helen Norcross, Helen Addison, Helen Hoefler, Freda Goodrich, Beatrice Tidd, and Helen McCormick.

It was decided that future meetings should be held on the second and fourth Wednesdays of every month instead of only on the second Wednesday as heretofore, and that the time of the meeting should be changed from 7:30 to 7:15. The next meeting will be October 26, at which time Miss Cuevas will speak.

It was also agreed that a small fine should be imposed upon all those speaking English during business sessions.

Helen Addison was appointed chairman of the membership committee by the president. Helen Hoefler will act as chairman of the social committee, and Beatrice Tidd will be chairman of a committee in charge of arranging meetings.

## ELIOT CLUB PLANS TALKS

Eldon Griffin Will Give First Address At Unitarian Church

Eldon Griffin of the history department will address the reorganized Eliot club next Sunday evening in the Unitarian church. The lecture will be on an oriental subject and is the first of a series of talks to be given by prominent men on the campus.

The Eliot club will meet every other Sunday evening during the school year and is under the auspices of the Unitarian church. Everyone is invited to attend.

Superstition will be the subject of the second lecture. The club has planned for lectures from Dr. E. S. Conklin, Dr. Kimball Young, and Read Bain.

Dr. H. D. Sheldon's subject will be "The Failure of English Protestantism in America." Dean Eric W. Allen will speak on some phase of journals. A lecture will be given at each meeting of the Eliot club.

## HIGH SCHOOLS ENROLLING IN STATE DEBATE LEAGUE

New Cup Offered by Professor DeCou; District Contests to be Followed By Championship Rounds

High schools of the state are beginning to enroll in the high school debating league, according to information received by the extension division. Last year 80 high schools were enrolled in the league and competed for the University of Oregon cup, which was won by the Salem high school. It is now the permanent possession of that school, which was the first in the fourteen years of the league's existence to be winner three times.

The cup was presented to the league by Professor E. E. DeCou of the mathematics department. Professor DeCou has offered another cup this year to the winning high school, which will become the permanent property of the school which is first to win it three times.

The state high schools are divided into twelve districts. District debates will take place between now and next March, and the championship debates will follow. Last year the championship debates were held in Eugene during Junior Week-end.

## 600 MEN REGISTERED FOR GYMNASIUM WORK

### Records in Physical Ability Test Are High

Approximately 600 men are now registered for gymnasium work. This is another high number record for Oregon. The chief aim of the instructors in charge now is to make the gym work as recreational and as pleasant as possible. To reach this end, a large part of the apparatus work has been done away with, and games of all kinds have been submitted in their stead. Classes are now pushing the soccer ball around the lot. Volley ball and touch football will soon take their places along with soccer.

The physical ability test, which has been occupying no little attention among the men on the campus, closed yesterday at noon. A large number of men took this test, which consisted of swimming, running, rope-climbing, bar vaulting and the high jump. The records have not yet been compiled but it is rumored that a number of expert performers were brought to light.

The swimming tank is becoming more and more popular. Between 600 and 700 men made use of the tank during the past week. All the men in the University are urged to make use of the tank and the instruction which is also given. The tank is open, and instructors on hand, daily between 10 and 12 and 2 and 6. Saturdays from 2 to 5.

## CAMPUS HIGH TO HAVE ORCHESTRA INSTRUCTION

Five Beginning Music Classes to be Under Direct Supervision of Professor Rex Underwood

Because of a great increase in interest towards orchestra work among the students of the University high school the public school department of the school of music has decided to organize an orchestra among the prep school pupils.

It is the plan of those in charge to include only young people who can already play in the original group. For those who do not fall in this class but who desire to follow orchestra work five new classes in orchestral music will be organized. Through these classes those who wish will soon be able to join the high school organization.

The new orchestra will be in the charge of Olga Wickberg who has been a student under Rex Underwood of the school of music.

The five proposed classes for the teaching of orchestral instruments will be under the direction of students of the public school music department. All this work will be under the supervision of Mr. Underwood. Instruction will be given in the violin, cello, flute and other wind instruments.

## Smart STETSON Lines for the Vigorous Fall Spirit

It is the snap and spirit of the Fall season that causes men to put new life into action and dress.

A definite reason why the clean lines and smart blocks in the new Fall Stetsons are appealing so strongly to the men of the University who take pride in looking fit.

It is not only the trig styles in our large assortment that calls forth enthusiastic approval, but the new prices—30 per cent lower than last Fall—strike an appreciative response.

Not only a Stetson but your Stetson is here for you. Every hat fully up to that established standard which has been maintained for over half a century.

## Does Your Old Fountain Pen Go On the Blink

in the midst of a lecture or quiz, just when you need it most? If it does, you should

CONSULT

## JIM, the Pen Doctor

at the Co-Op.

What Jim doesn't know about fountain pens would make a fine large book, worth maybe three or ten dollars at the Co-Op, but he will make your old pen work if there is any work in it.

If the old pen absolutely refuses to function, you will find just the one to fill the bill in the large assortment at your own store, the Co-Op.

In the case you will find pens made by the Waterman Company, The Sheaffer Company, Swans and Moores. Every one is guaranteed and the prices are right, ranging from \$2.50 up to the wonderful Sheaffers' lifetime pen, which sells for \$8.75. It's guaranteed for life.

In that case you will find dainty gross-grain ribbons for your pen or pencil. Also a fine assortment of Ever-sharp, Auto Point and Tyne Point Pencils in price from 50 cent to \$5.00.

ALL THIS AT THE

## CO-OP

It's Your Store.
