In yesterday's games the Phi Gamma Delta and Delta Tau Delta defeated Bachelorlond and Kappa Theta Chi. The Fiji-Bachelorlond game ended 25 to 10 in favor of the Fiji and the Delts outgated the Kappa Theta Chi in a hotly contested battle and won 21 to 18.

The Fiji basketeers worked well together and took a fast game from Bachelorlond. The score at the end of the first half was 12 to 7 but the Fiji came back strong in the second half and made 13 points against three made by the Bachelors.

In one of the fastest games that has been played this season Delta Tau Delta grabbed a 21 to 18 victory over Kappa Theta Chi. It was any ones game until the last minute of play. Gowans and Beaver played the best game for the Delts while Rice and Harding were high point men for Kappa Theta Chi.

The Chi-Psi-S. A. E. game was postponed owing to the illness of several members of the Chi Psi Team.

onslaught like a stonewall. Shields Plays Hard Game According to Bill Hayward, Floyd Shields played a wonderful game at guard. Repeatedly the 'big fellow' plunged through the Washington line to break up plays, while his work on the offense was especially effective. Bud Brown brought back to end from a guard berth played a smashing game and gave added strength to the right wing of the line. Captain Howard worked during the whole game though it was not decided to play until just before the blowing of the starting whistle.

CONCERT-DANCE SALE ON

Tickets Out For Armistice Eve Event in Woman's Building

The ticket sale for the Armistice Eve concert-dance, to be given by the orchestra in the Woman's building, is to begin today. One representative in each of the living organizations, and the members of the Orchestra are to conduct the sale. Opinion, harking back perhaps, as one student expressed it, "to those waltzes that the orchestra played a year ago," seems to be favoring the entertainment.

Rex Underwood, director of the orchestra, brought back with him from Portland last Saturday a collection of the latest dance music that he could find. From it he will select the music for the dance.

The responsibility for the enjoyment of the evening will be divided between the orchestra as a whole and smaller groups made up of orchestra members helped out by a few outside musicians. These smaller groups will furnish the music for the numbers for which the whole orchestra does not play.

The single admission to either the concert or the dance will be 75 cents, to both concert and dance \$1.
