Delta Tau Delta strengthened their position among the league leaders by defeating Phi Sigma Pi, 30 to 8; Oregon clubs No. 1 and 2 defeated Alpha Tau Omega and Beta Theta Pi respectively, and Bachelorion defeated Sigma Chi, 22 to 13, in yesterday's doughnut games. All of the games played last night were hard fought and fast.

Delta Tau Delta took a rough and hard fought game from Phi Sigma Pi, score 30 to 8. Gowans, lanky Delta Tau center, was responsible for 14 points while Beaver tossed in eight points for the winners. Young, at forward, played good ball for the losers.

Oregon Club No. 2 widened the gap between them and Beta Theta Pi by defeating the Betas, score 30 to 18. McCallum and Stone were the most consistent score getters for the winners. Edlund executed a number of difficult shots for the losers and was responsible for ten of their 18 points.

Sigma Chi fought hard but lost to Bachelorion, score 22 to 13. Bachelorion's victory was largely due to the perfect trajectory of Black. In the last two minutes of play Black was laid out by a fall on the floor but finished the game. Burton and Bennet divided honors for Sigma Chi.

Oregon Club No. 1 defeated Alpha Tau Omega, 18 to 10 in a speedy game. Fraser, at guard played a good game for Oregon Club and Blakely starred for A. T. O.

## INTRAMURAL RELAY RACE IS LATEST CAMPUS SPORT

16 Organizations Represented in Race November 25

The intramural mile relay race is a new feature that has been added to the doughnut league activities.

The relay will be held the weekend following Homecoming, if that date is available, according to "Hank" Foster, assistant varsity track coach. Men from 16 organizations on the campus will participate, 8 men from each house making a total of 128 men in the meet. This total will be divided into groups of 64 men each, which will be designated as group "A" and "B".

Group "A" will again be divided into two sections, "C" and "D" and group "B" into sections "E" and "F". Sections "C" and "D" will run a race to decide the best team in group "A" and a race between "E" and "F" to decide the winning team in group "B". The winners of group "A" will compete with the winners of group "B" for the championship of the meet and the first eight points, while the losers will have a consolation race for the last eight points.

The points of his race will be given on the same basis as any other doughnut activity, and will count a great deal in the final reckoning of the league's activities in the spring.

### FROSH TOLD OF ATTITUDE

President Campbell Tells First Year Class Old Rivalry Gone

Oregon's attitude toward O. A. C. during the Homecoming visit, was ex-

plained to the members of the freshman class, at the meeting last night in Villard hall. President P. L. Campbell in a short talk made clear that the old feeling of rivalry was past and that Oregon students were hosts to the O. A. C. rooters while they are on the campus. Lyle Bartholomew, student president, promised the cooperation of the upper classmen, if assistance was needed in protection of the bonfire. Dean Straub, urged that the freshman consider the quality of the fire before the quantity. Yell King Del Ober-tueffer announced that work on the bonfire would be discontinued today between the hours of 4:15 and 5:15, in order that all freshmen would be able to attend the yell practice.

A letter of thanks to the electrical company for their cooperation with the bonfire committee was approved.

start on the line. In the backfield, "Tubby" Ingles' seven league boot will function most effectively against the Aggie rushes. "Russ" Gowans, a Lanky lad with a good eye and a long reach will in all probability guard Oregon's goal. Morgan Staton will fill one of the backfield berths, while Dwight Parr and Dick Sundleaf will possibly be stationed near the scoring domain. Several positions will be filled at the last minute.
