Delta Tau Delta retained its unbroken string of wins in the Doughnut series by defeating Oregon Club No. 2 last night 24 to 12, Kappa Theta Chi ran up the largest score of the season against Beta Theta Pi when they won 44 to 4. Oregon Club No. 1 took its game from Friendly hall 21 to 9, and A. T. O. won from Phi Sigma Pi in the games played yesterday.

In the first game between Oregon Club No. 1 and Friendly hall the passing of both teams was poor, but the Oregon Club converted their shots oftenest and won out. Sloan and Fraser showed up best for the winners while, Martinson played the hardest game for Friendly.

The game between Kappa Theta Chi was featured by the shooting of Frank Rice, who made 30 of the 44 Kappa Theta Chi points. Zimmerman and Rice played stellar ball for the winners and Edlund was the best performer for the Betas.

Delta Tau Delta took a fast contest from the Oregon Club No. 2 by a score of 15 to 9. Smith and Beaver were responsible for the clubmen's defeat, each getting three baskets.

A. T. O. took a hard fought game from Phi Sigma Pi 24 to 12. Young, with 10 points, was high point man for the Phi Sigs, while Broecker and Couch played the best ball for the winners.

All men who were called out for the varsity basketball squad, with the addition of Rice, are requested to report to the men's gym tonight at 9 o'clock for practice.

GIFTED PIANIST TO PLAY ON CAMPUS NEXT MONDAY

Miss Winifred Byrd, Native of Oregon Has Just Completed Successful Season in East

On November 21, students and faculty members will have the opportunity of hearing Miss Winifred Byrd, a native Oregonian, and one of America's most talented pianists. Miss Byrd began her career in New York and has just completed a successful season in the East. The fact that Miss Byrd won distinction on a single season is of interest because up to the time of the World War, America was slow in recognizing her own artists until they had won distinction in Berlin, Paris or London.

Miss Byrd recently played in Portland and has made arrangements to play here November 21. The admission here will be \$1.10, which is much less than she generally charges because she is especially desirous of playing before the University students. Miss G. K. Talbot, head resident of Hendricks hall will have charge of the sale of tickets.

Norton Winnard, vice-president of the A. S. U. O., called for a report of the various Homecoming committees. Frank Carter reported that a sufficient number of rooms to accommodate the Homecoming guests was not yet obtained. The alumni headquarters and general information booth will be located in the Woman's building this year. Jim Say asked that cars be at the station to meet returning grads. "Everybody must cooperate to assist the alumni," said Say. Ella Rawlings, in charge of the campus luncheon, announced that the luncheon would be

held in the men's gym, instead of in the Woman's building as first planned. Dean Robbins, of the commerce department, spoke about the hard work members of the committees were experiencing. "One of the biggest occasions in your life is the chance to see Oregon whip O. A. C." said Dean Robbins, as he pointed at the beaver and was greeted with much applause. He told the students that the big show was well worth 75 cents, and asked all students not to forget to donate that sum for the campus luncheon. Maurice Eben reported on the Homecoming dances.

Noise Rally Keynote

Yell King "Obie" stated that noise is to be the keynote of the great Friday night rally. "The alumni will get a big kick out of that rally," said "Obie." "We will give them lots of fireworks to play with and make them feel at home."

A genial "hello" to every alumnus by the students should be a feature of Homecoming. President Campbell asked that alumni not connected with organizations be cared for. President Campbell also wished the Oregon Knights success and assured them that the faculty approved of the organization.

rally, but it will have more of a prominent part in the parade than in the past. Each organization is supposed to see that it's alumni gets seats on the alumni special.

While the burning frosh pyre is illuminating the hills adjacent to Eugene and sending its roaring flames skyward, speakers will address the crowd from the platform, where the team, coaches, and many notables will be seated. This feature is booked to last for three quarters of an hour. After this, the street dance. "Ole" Larson is chairman of the dance committee. University street will be cleared off and well lighted, with a bandstand erected in the center. It is understood that this dance will last until the crowd gets tired.

YELLOW BALLOONS WILL BE FEATURE AT GAME

Brighter Color Effect Desired by Oregon Women; Chrysanthemums to be Displayed as Usual

Men are not the only ones who can pull rooster's stunts at the Homecoming game, say the girls of the University. As their stunt they have planned a brand new feature, for each girl will be armed with one toy balloon.

Thus the problem of the lack of color in the girls' rooster section has been solved. The balloons will be a lemon-yellow. Chrysanthemums will be worn this year but as they present a weak color effect, it is thought that balloons will produce an effect that will equal if not overshadow the color array of the "Aggie" girls. The balloon proper will be attached to a small stick, which can easily be attached to a wrist band, so the traditional hand-clapping will be possible.

The Homecoming committee has chosen Bernice Altstock chairman of this feature. A total of 1500 balloons have been ordered and will be placed on sale at 10 cents each. A representative from each girls' organization will be selected to effect the sale and distribution. They will also be on sale at the gates of Hayward field before the game starts. "It is imperative that each girl procure a balloon," says Bernice Altstock, "for the success of the feature depends upon it."

ARCHITECTS JUDGE TODAY

Whitehouse and Jacobberger Coming From Portland to View Work

Morris H. Whitehouse, and Joseph Jacobberger of Portland, will be the judges of the work of the architecture department, which will be judged today at the Jury day of the school of architecture and allied arts. Mr. Whitehouse has just presented two panels of the Parthenon frieze to the department, the gift arriving on the campus last week.

A banquet for the judges and all majors in the school will be given this evening at 6:30, at the Osburn hotel. Everett Babcock of Portland will address the students of the school at this time. Tickets may be purchased from Cleo Jenkins, chairman of the committee in charge.

YOU ASKED THE RED CROSS

to assist in caring for your soldiers and sailors and their families during the war.

THE RED CROSS RESPONDED

to your request, and has gone on the assumption that you expected this service to continue as long as there was need.

THE OBLIGATION STILL EXISTS.

The number of ex-service men needing hospital treatment is constantly increasing. In 1921 there were eight times as many ex-service men in hospitals under government care as there were in 1919. There will be even more in 1922. Thousands of ex-service men still need assistance in filing claims arising out of their war service.

THE RED CROSS STILL SERVES

the men who are suffering because of their service during the war. During the past year the Red Cross expended ten million dollars for the benefit of ex-service men and their families. The Lane County Chapter served 306 disabled ex-service men, and assisted in the adjustment of 1335 claims. The need for this kind of service on the part of the the Red Cross will be fully as great during the coming year.

ARE YOU STANDING BY THE RED CROSS

in its efforts to carry to completion the duty which you placed upon it? Consider this question carefully, and remember that the continuance of the Red Cross in Lane County depends on YOUR support during the Fifth Annual Roll Call which is now in progress.

THIS IS THE FIFTH ANNUAL ROLL CALL.

At this time it is necessary for the Lane County Chapter to know whether or not you want it to continue during the coming year the work which it has been doing for the ex-service men of the county. Remember that the greater part of the money you contribute to the Red Cross will remain in Lane County for the work of your local chapter.

What Is Your Answer?
