

## HENDRICKS HALL WINNER OF BASKETBALL TITLE

### Laraway Cup Taken in Game With Oregon Club

Hendricks hall won the final game of the women's doughnut basketball series from the Oregon club team by a 21 to 12 score yesterday afternoon in the indoor gymnasium. She now claims the title of champion of the house teams, and the Laraway cup, now held by Gamma Phi Beta, last year's doughnut champions, will be her property during the coming year. Oregon club and Hendricks were the champions of their respective leagues and both maintained an unbroken record of victory until last night's game.

#### Long Distance Shots

Charlotte Howells, Oregon club forward, was the outstanding star of the game and scored the total of her team, 12 tallies, including two exceptionally pretty long distance shots. Her team, however, was not strong enough to meet superior teamwork of the Hendricks girls. Especially noteworthy was the work of Emily Perry and Mary Hathaway, Hendricks hall guards, who played throughout without a single personal foul scored against them. Bernice Corpron and Grace Sullivan, Hendricks forwards, shot practically the same number of baskets. Grace Snook replaced Grace Sullivan when the latter was disqualified three minutes before the final whistle blew. Helen King, Hendricks, and Wilma Chattan, Oregon club, starred as centers.

#### Good Material Brought Out

Eleven houses entered the doughnut series this year, which has been most successful, according to Miss Emma Waterman, basketball coach. The interest shown by the houses was commendable, she said, and a great deal of material was brought out which can be used in the class and varsity teams later in the year.

"The final game," said Miss Waterman "was a pleasing climax to a most interesting series. The girls played exceptionally good basketball considering the fact that they had practically no outside coaching."

Margaret Russell, president of Woman's Athletic Association attributed much of the success of the doughnut games to the efforts of Emily Perry, head of basketball in W. A. A. The series this year has attracted an unusual number of rooters and a small admission fee was charged for the final game.

#### Lineup and Officials

The lineup follows: Hendricks Hall Charlotte Howells, F.; Grace Sullivan Kitty Sartain, F.; Bernice Corpron Camilla Anderson, C.; Mildred Crain Wilma Chattan, C.; Helen King Alberta McMonies, G.; Mary Hathaway Pearl Lewis, G.; Emily Perry Substitutions: Grace Snook for Grace Sullivan. Miss Alden, referee, Miss Waterman, umpire.

## FRESHMAN BASKETEERS HOLD PRACTICE DAILY

Chemawa Indians to be Played Here January 16 and 17; Squad to be Picked This Week

The frosh basketball squad had a workout Saturday afternoon against the fast University high five. The game was in the nature of a practice for both teams and no score was kept, but according to Coach Durno the frosh won the game by quite a margin.

About 35 men are out for the squad now but the number is to be cut down sometime this week and only 12 or 15 of the better men will come out at the regular practice hour. The rest of them will take basketball as their gym work, and if they develop sufficiently will be added to the regular squad.

The men are turning out regularly at 4 o'clock, for despite the fact that many of the best men are ineligible, the contest for places on the team is to be close. The time during the practices so far have been taken up with individual coaching, practicing footwork, and shooting. A little team work has been attempted, but no team has been selected.

The first games of the season will be with Chemawa as preliminary to the Varsity games with Idaho here, January 16 and 17. The team will have time to round into shape by that time and should put up a good game against the Indians.

## Y. W. PLANS BIG SALE

Advisory Board Will Collect Things on Campus and in Eugene

At a meeting of the advisory board of the Y. W. C. A. yesterday afternoon, it was decided to hold an "all-town, all-University" rummage sale on January 27 and 28. New furnishings are needed for the bungalow and the sale is planned to provide a fund for that purpose.

Committees will collect anything from toothpicks to furniture, and all houses, both sororities and fraternities, will be asked to contribute. The advisory board will also make a canvass of the town and the sale will be held somewhere on Willamette street.

## SPONSOR-SPONSEE DANCE WILL BE HELD SATURDAY

Snappy Music, Stunts, Eats and New Lottery System to be Featured of All-Women's Bust

Snappy music—surprise stunts—and tasty eatables will be the features of the Sponsor-Sponsee dance to be given by the Women's League in the women's gymnasium from 2:30 to 5:30 next Saturday afternoon. Every woman on the campus is invited—freshmen and new comers especially, and according to all indications every one can anticipate a regular "bust." The music is going to be lively and will consist of a three piece orchestra. The stunts, the nature of which only the committee knows, will be snappy and unique, guaranteed to surprise. It is not announced yet what there will be to eat.

Contrary to custom the lottery for choosing the sponsors and sponsees will be held at the dance instead of preceding it and a novel way has been devised to provide an upperclass sponsor for every underclass woman. When arriving each girl will be given a number designating a certain group. The groups will be gathered in different parts of the hall and partners will be selected from these groups. In this manner every girl will be provided with a partner who will see that she has a good time.

The committee in charge of the dance is: Elsie Lawrence, chairman; Lenore Cram, Evangeline Foster, Agnes Christie, Eleanor Kilham, Norma Wilson, Boom Cannon, Emily Perry, Maurine Elrod, and Helen Harper.

Fifteen cents will be charged, the proceeds to go toward the Women's League loan fund.

## BONFIRE MAY BE SMALLER

Annual Frosh Blaze May be Limited in Size and Cost by Faculty

How big should a freshman bonfire be? Though the last one was larger than any before, the next one may not be so big. Bonfires that take all the waking hours of some freshmen, make a huge hole in the freshman treasury and cause a whole list of flunks do not seem universally desirable. The problem may be solved at the next faculty meeting, for a measure limiting the freshman bonfire in size and cost will be presented. The size will probably be limited to 20 feet square and 25 feet high, and the cost to \$125. The reason is that the effort expended in the bonfire seems to be the cause of a good many flunks in the freshman class.

## NEW POLICY SUGGESTED

Franco-American Universities to Have Closer Relations

Discussion of a policy to set Franco-American University relations on a sound administrative basis was the purpose of a letter received recently by President P. L. Campbell, from Julien J. Champeoic, director of the Office of National Universities and French schools.

Arrangements have been made so that by presenting credentials to Dr. Champeoic at his New York office, 30 per cent rebate on passage may be obtained by any person traveling on a strictly

educational mission. This includes Franco-American Exchange professors and lecturers, trustees and officers of the American University Union, exchange scholars, American students elected by a University or accredited association, and academic bodies, to fellowships or scholarships for study in French universities and institutions.

## VESPER OFFERING TAKEN

Services to Become Self-Supporting in Future; Next Meeting Sunday

The offering is to become a regular feature of the University Vesper service, it was decided at the meeting of the Vesper committee last Saturday morning.

The services are expected to become self-supporting in this way. The fund will be used to pay for programs, new music, singers and speakers. The surplus will be paid for vestment gowns for the singers.

At the next vesper service, Sunday, January 15, at the Methodist church, President Carl G. Doney of Willamette University will speak. The speaker for the service to be held February 12, is Rev. William H. Boddy, of Hood River. Bishop W. O. Shepherd of the Methodist church of Portland, will speak at the services on March 12.
