

FROSH QUINTET BEATS ROOKS IN FAST GAME

Score 19 to 15 in Contest Full of Thrills

O. A. C. IN STRONG FINISH Oregon's Team Work Better Than That of Rivals

The Frosh won the first of their series with the rooks yesterday afternoon by a 19 to 15 score. The game was fast and well played, with the breaks slightly favoring the rooks. The Aggies were no doubt handicapped by the loss of two of their best men, Ridings and Blakeley, neither of whom will play in the games over here.

King, Crandall and Alm for the freshmen showed the best brand of ball, with Crandall as high point man with 9 of the 19 markers opposite his name. Brower played the best game for the rooks. Bono, who went in toward the end of the game, made six points.

Frosh Make Wild Passes
The score should have been larger for the frosh passed up several open shots and also made a great number of wild passes which lost them points.

The score at half time stood 13 to 5 for the frosh, and five minutes before the end of the game the Oregon yearlings had a lead of 10 points, but an entire change in lineup for the rooks, put added pep into their teamwork, and they had succeeded in cutting the lead to four points when the final whistle blew.

The rooks notwithstanding the fact that they have played a great many more practice games than the Frosh, had much the poorer team work, and never planted themselves firmly for their shots. The Frosh missed a great many chances for shots because of their eagerness to pass to their teammates, but played together better than in any game so far.

Stage Fright Felt.
Both teams at first were suffering from an acute attack of stage fright, but soon snapped out of it and started scoring. Neither King, for the frosh, nor Stoddard, for the rooks, seemed to be able to locate the basket with their free throws, as King missed four out of six while Stoddard made only one out of the same number of tries. King got very few open shots, and made only one basket, but played a good floor game.

The second game of the series will be played as a preliminary to the Varsity game and will start at 6:45 sharp, as the Varsity game has to be over and the floor cleared off by 9 o'clock.

The Lineup:
Frosh (19) Rooks (15)
King 4 F. Stoddard 1
Crandell 9 F. Johnson 2
Poulson 2 C. McCart 2
Alm 2 G. Steele
Haines 2 G. Brower 2
Jones was the only frosh substitute used. Rook substitutes were Baird, Williams, Murray, Brown (2 points), and Bono (6 points).

UNIVERSITY RADIO CLUB ADOPTS CONSTITUTION

Officers Elected; Students Interested in Wireless Eligible to Membership

The University Radio Club at a meeting held Thursday formally adopted a constitution for the guidance of its members. This constitution provides for two classes of membership; active and non-active. The distinction between these grades is made due to the fact only regularly licensed operators are allowed to operate a radio set.

Students holding licenses are eligible to active membership and will be assigned regular "watches" at the club station where they will handle the traffic in exactly the same manner as is done by commercial stations.

Any student interested in radio is eligible to non-active membership and will enjoy all privileges of active membership except that they will not be allowed to operate the club station unless the regular operator is on duty. This should provide an incentive for the assistant to work for a license. Working under the regular operator's direction, he will soon be competent to apply for active membership.

It is intended to give a short lecture once a week on the theory and practice of wireless telegraphy for the members.

The club will send its own messages to any part of the coast without charge, so when a member needs to send in a hurry call for his overdue check, he will

be able to have the message in his parents hands within a few hours.

An election of officers was held, the result being that Don Woodward is president; Garrett Lewis, vice-president; and Paul Hoppe, secretary-treasurer.

Regular meeting will be held on the first and third Tuesdays of each month at 5 p. m. at the journalism "shack." All persons interested are invited to come.

CROCKATT GIVES COURSE FOR PORTLAND BANKERS

University Credit Given for Economics Class Taught by Member of Oregon Faculty

A course in principles of economics, similar to the course now offered on the campus, is given in Portland, under the auspices of the American Institute of Bankers, every Friday night by Professor Peter Crockatt of the department of economics. The course which is open to all members consists of 12 lectures, each an hour and a half, and regular credit is allowed for those who desire it.

The American Institute of Bankers has a membership in Portland of over 700 active members, and is offering four series of courses for members who desire to become more proficient in banking methods.

The other courses offered are Federal Reserve Systems, Money Banking, Investments, and Practical Banking. These are given by prominent bankers of Portland.

This is the first time that the University has cooperated with the American Institute of Banking in offering courses since Dean Morton, formerly head of the school of commerce, left the campus.

'MIGHTY OREGON' FOR PREP

HIGH SCHOOL STUDENTS TO SING COLLEGE SONGS

"Mighty Oregon" will be sung throughout the state by the grade and high school students, Alfred Powers, head of the visual instruction of the extension division, said yesterday. Albert Perfect, who holds the copyright for this song, has given permission for it to appear in the next publication of "The Oregon Songsters," which is put out by the Oregon Teachers and published at Salem.

OREGON STUDENTS LOSE WIDE RANGE OF ARTICLES

Umbrellas, Stick Pins, Knives, Books in Assortment Collected by University Janitors

Have you lost anything? Articles ranging all the way from a stick pin to an umbrella have been found by the janitors on the campus. Almost every janitor has a large assortment of these valuables which he is holding for the owners. All that is necessary for the owner to do is to give a proper description of anything that he has lost.

Four complete pairs of gloves, three or four odd gloves, two pocket jack-knives, one fountain pen, one service pin with two stars, one R. O. T. C.

cap emblem, all these and many others such as textbooks and umbrellas are ready for the owner.

One janitor suggested that a general lost and found agency be established in order that students will be able to find their lost goods without going all over the campus. Another suggestion was made to the effect that a public auction be held occasionally in order that the surplus goods be disposed of and that the money be turned over to the student body treasury.

Most of the above mentioned articles will be found in Villard hall or in the library although some are held by other janitors in their respective buildings.

COME IN AND SEE THEM ALL

REX
Soiled, muddy shoes! That's where you lose, appearances will tell.
Here in this chair I'll put a glare upon them something swell.
I'll also fix those yellow kicks and make them black as night;
No acids used, no shoes abused, with black I treat you white!
Each pair I shine is right in line with patent - leathers, pard!
Selected stock that none can knock, so keep this little card—
It points the way to the only kinds:
They are the **Right-way Real.**
