

## HIGH GRADES RECEIVED BY HONOR FRATERNITIES

Beta Gamma Sigma With 1.57 Heads  
List; Organization Standings  
Are Announced

Grades of the various honorary and professional fraternities on the campus are considerably higher than the University average of 3.57, according to a grade bulletin issued by the Registrar yesterday, containing as many of the reports as could be obtained. Beta Gamma Sigma, men's honorary commerce fraternity, heads the list with an average of 1.57. Two of the members, C. Carl Myers, and Chester Zimwalt are honor students in the school of business administration. Members are: C. Carl Myers, Charles Van Zile, Chester Zimwalt, Virgil DeLap, Malcolm Hawke, and Frank Miller.

Phi Delta Kappa, men's educational fraternity, was second with an average of 1.88, while the women's educational fraternity, Pi Lambda Theta, was third with 2.10. The Condon club, a chapter of the Geological and Mining Society of American Universities, with 2.31, was fourth.

This is the first time that honor fraternity averages have been compiled by the registrar's office, and the results show that the students elected to membership in the various organizations display exceptional scholastic ability, as well as being active in other ways.

It has been impossible to secure a complete list of the organizations. Those which have been obtained follow according to rank:

| Name                | Average |
|---------------------|---------|
| 1. Beta Gamma Sigma | 1.57    |
| 2. Phi Delta Kappa  | 1.88    |
| 3. Pi Lambda Theta  | 2.10    |
| 4. Condon Club      | 2.31    |
| 5. Beta Alpha Psi   | 2.33    |
| 6. Pot and Quill    | 2.44    |
| 7. Theta Sigma Phi  | 2.65    |
| 8. Mu Phi Epsilon   | 2.82    |
| 9. Alpha Kappa Psi  | 3.05    |
| 10. Phi Delta Phi   | 3.07    |
| 11. Phi Theta Kappa | 3.10    |
| 12. Phi Mu Alpha    | 3.30    |
| 13. Sigma Delta Chi | 3.42    |
| 14. Ad Club         | 3.50    |
| University Average  | 3.57    |

## GIRLS ARE CONVALESCING

Two University Women Operated on for  
Appendicitis Last Week.

Two University women are now in the Eugene Hospital, recovering from operations for appendicitis. Emily A. Perry, Hendricks Hall, senior women's basketball captain, was operated on last Saturday afternoon and is reported by the University health department to be doing nicely. Her mother, Mrs. Lena Perry, of Tacoma, Wash., has come here to be with her.

Dorothy Jarman, a freshman of Susan Campbell Hall, daughter of C. D. Jarman of Bullards, Coos county, is also reported to be recovering rapidly from a similar operation. Her mother is here attending her.

Both girls are under the care of the University physicians.

## STANFORD REWARDS STUDENTS

Stanford University, Berkeley, Calif., Feb. 20.—(P.I.N.S.)—Stanford University will hereafter officially recognize and reward high scholarship both during the undergraduate course and in granting degrees. The bachelor of arts degree will be awarded this year and in succeeding years "with great distinction" to about the upper twentieth of the class, and "with distinction" to the next tenth in point of scholarship record in the university. The remainder will receive, as in the past, merely the A. B., indicating the completion of four years of satisfactory work. Among the undergraduates about one-tenth of those completing the first two years of work will be awarded honors for excellence, and about thirty will be selected each spring and designated "Stanford Scholars."

## LIFE SAVING DRAWS 11; COURSE TO OPEN TODAY

Red Cross Certificates to be Given to Those Passing Tests; Three Faculty Men Enrolled

The first class in the course of life saving, to be conducted by Gerald Barnes, of the department of physical education, will be held at 11 o'clock this morning in the men's gymnasium.

At the present time 11 men are signed up for the course. They are: Brazier, Kuhn, Branstetter, Kurashige, Evans, Janey, Peck, Houston, Miller, Onthank and Whitaker. The three last are faculty members.

Barnes says that he would like to have a larger class, as double the number already signed could easily be handled.

Beside the class at 11 o'clock Tuesday, classes will be held at 4 o'clock on Tuesday and at the same time on Thursday.

The first instructions will be in the learning of proper strokes, after which the carries and breaks will be taken up, according to Barnes. As soon as the student becomes proficient in all of the phases of the course an examination will be given him, which, if he passes, will bring him a Red Cross life guard certificate.

The examinations will be given by Eddie Durno, who holds a certificate as an official Red Cross examiner.

## ALPHA TAU OMEGA WILL OCCUPY NEW BUILDING

Fraternity Leases House Being Erected on Thirteenth Opposite Co-op; to Cost Over \$10,000

The new frame building in course of construction on Thirteenth street opposite the Co-op, is to be occupied by Alpha Tau Omega fraternity, according to word given out yesterday. A three year lease has been obtained from F. O. Taylor, who is building the house. It is estimated that it will cost between \$10,000 and \$12,000.

The house which is to contain 16 rooms, is being built according to specifications submitted by the fraternity. The lot was bought recently from Beta Theta Pi and building operations were started immediately. The contract calls for completion by August 1, at which time possession will be taken. It is thought now that it may be done by May or June.

The house occupied at present by the fraternity is situated on Oak street between Eleventh and Twelfth streets. It has been the home of this organization for the past 10 years. It is not known who will occupy the house next year.

## EUGENE DEFEATS CAMPUS HIGH

## PHILIPPINE GEOLOGY TOPIC

Articles by Dr. W. D. Smith Printed in Scientific Bulletin

A series of articles by Warren D. Smith, professor of geology in the University, appears in a publication which contains the proceedings of the First Pan-Pacific Scientific Conference, which was held at Honolulu, last August. The articles consist of a resume of geological conditions in the Philippine Islands, where Dr. Smith has been engaged in extensive research for nearly two years.

In the small publication appears an article by Professor C. H. Edmondson, formerly in the department of zoology in this University, and at present head of the department of zoology in the University of Hawaii.

## DR. LOVEJOY TO SPEAK

Dr. Esther P. Lovejoy, noted Oregon doctor who spent several months in Europe during the war, and who has written one of the most successful war books, will speak to the freshman girls this morning in the vocational guidance class which meets at eleven o'clock in Villard hall. As Dr. Lovejoy is considered to be one of the most interesting women speakers who have come to the campus this year all women of the University are invited to hear her.
