

ORGANIZATIONS TO DRAW FOR ENTRIES IN NEW FETE PLAN

Sororities and Fraternities Will Work Together in Decorating Canoes

COMMITTEE IS APPOINTED

Work Under Way; Publicity is Started; May Stage Dance to Increase Funds

Men's and women's organizations will work together in providing entries for the Canoe Fete. This decision was reached at the meeting of the general Junior Week-end committees last night, following a considerable discussion as to the best plan of cutting down on the number of entries. A meeting will be held of representatives of the various organizations, at which time a lottery will be held, whereby each sorority will draw a fraternity as partner in putting on a float in the Fete. This will cut down the number of entries to about sixteen. This decision is in keeping with the recommendations of the student council, which suggested some time ago that the number of organizations is now too large for a continuance of the old plan of putting on the Fete to be expedient.

Work to Begin Soon

The work on the Canoe Fete will begin immediately as the appointment of a committee by Tom Wyatt, president of the junior class has just been made for this purpose. Harold Simpson, treasurer of the class, is to be chairman of the fete. The other members of the committee are James Ross, Frank Vonder Ahe, Al Krohn, Ruth Fowler, Helen Murdock and Margaret Jackson.

This year considerable more effort will have to be expended on the fete than is usually the case, due to the many changes in the event. The committee is now at work obtaining a lease of the property on which the bleachers are to be erected. This has become necessary as a result of the decision to put up permanent bleachers to accommodate the spectators at the fete over a period of years.

The Canoe Fete committee is planning to secure a date for a student body dance, the proceeds of which will go toward the erection of the permanent bleachers.

Two Posters for Publication

John Braddock, chairman of publicity, announces that all material is ready for publication, and will be sent out within the near future. Two kinds of posters will be sent out to all towns, and principally to high schools. One poster is made up of pictures of the campus, buildings, and other scenes, while the other will be in the nature of cartoons. Letters will be sent to prospective University students in the senior classes of the high schools, and articles sent out to the various town papers.

Constructive work is being started by all committees for the annual campus event. The second general meeting was held last night, and will be a regular event on each Wednesday evening until the time of junior week-end.

EUGENE PASTOR TO SPEAK

Second of Lectures on Christian Faith Slated for "Y" Hut Today

Appealing particularly to the students in the world history and world literature courses will be the discussion led by the Reverend W. H. L. Marshall of the Eugene Congregational church at the "Y" hut this evening, at 5 o'clock. This will be the second of a series of three lectures on "The Main Points of the Christian Faith," and Mr. Marshall's topic this evening will be "The Reality of Religion."

In his last discussion Mr. Marshall dwelt strongly on his belief in the growing conception of God as civilization advances.

"The conference was a great success," said Mr. Putnam, secretary of the "Y" in speaking of the discussion.

PROVINCIAL PRESIDENT HERE

Miss M. Kathleen Murchison, provincial president of Alpha Xi Delta, national women's fraternity, is visiting for the remainder of the week at the Zeta Rho Epsilon house. Miss Murchison is on her way from Berkeley to her home in Seattle.

PLEDGING IS ANNOUNCED

Alpha Delta Pi announces the pledging of Cecile DeVore and Loyce DeVore, of Heppner, Oregon.

SENIORS, SOPHOMORES WIN IN SWIMMING MEET

Winifred Hopson Scores 15 Points for Seniors; Final Contest to be Next Tuesday Night

The seniors won from the juniors with a score of 45 to 23 and the sophomores from the freshmen 41 to 27, in the interclass swimming meet Tuesday night.

Winifred Hopson was high point winner for the seniors, scoring 15 points, which is three first places. As one girl is allowed to participate in only three events this is the maximum score for one swimmer. Muriel Meyers, sophomore, scored 13 points, two first places and one second.

The judges were Miss Emma Waterman, Mrs. Warren Edwards and Gerald Barnes.

The seniors will meet the sophomores and the juniors will meet the freshmen on Saturday at 2 o'clock. The final meet is to be held next Tuesday night.

OLD LINE CONTEST TONIGHT

NINE COLLEGES OF NORTHWEST TO BE REPRESENTED

"Hollywood Ideals Versus American Ideals" is Subject of Earnest Henrikson, of University

Student orators representing nine different colleges of the Northwest will meet tonight at Newberg to compete in the Old Line Oratorical contest, which will be held under the auspices of Pacific College this year. Ernest H. Henrikson, who will represent the University of Oregon, is to speak on "Hollywood Morals versus American Ideals." A gold medal is the prize which is given to the winner.

Oregon will be represented by eight students at the business meeting of the conference which is to be held in connection with the contest. There will be four representatives of each class and four representatives chosen at large. Wanda Daggett, senior; Paul Patterson, junior; William S. Hopkins, sophomore, and Ralph Bailey, freshman, will be four of those who will go from here.

The Old Line contest is the oldest of its kind in the Northwest and in the 20 years of its existence Oregon has won first place more than half of the time. Since 1911 the University of Oregon's orators have received six first places.

In 1911 the contest was won by Carlton Spencer, in 1916 by Walter L. Myers, in 1918 by Abe Rosenberg, in 1919 by Earl Fleischmann, in 1920 by Fred Coley, and in 1921 by Ralph Hoerber.

No changes in the rules have been announced and it is understood that although no time limit will be set for the orations, they are to be limited to 1500 words. Two sets of judges are provided, one to consider the delivery and the other the merits of the composition. Copies of all the orations have been in the hands of the judges for some time.

The colleges which will be represented tonight are University of Oregon, Oregon Agricultural College, Pacific University, Albion College, McMinnville College, Willamette University, and the Eugene Bible University.

Ted Goodwin will represent the Eugene Bible University in the contest tonight.

GRAPH GIVES ENROLLMENT

Curve Carries Idea of Number of Students Since 1902

The increase in registration at the University during the last few years is shown very clearly in the graph that has just been completed by Miss Gertrude Stephenson, chief clerk in the registrar's office.

Miss Stephenson started to plot her line taking as zero the year 1902-03, when there was a registration of 187 students. From then the line worked up gradually, the 500 mark being reached in 1908-09, until the school year of 1918-19 showed an attendance of 1114 students. Then the line makes a startling leap upwards, as in the next year there was registration of 1725. The curve is still rising as the figures for 1920-21 show a registration of 1842, while this year 2190 students have registered.

NEW MEMBERS RECEIVED

Le Foyer Francais Entertains Wednesday Evening at "Y"

At the regular meeting of Le Foyer Francais, honorary French society on the campus, Melville Jones, Lunah Wallace, Neva Service, and Helen Rose were received into the organization. A special program arranged by Wilbur Volton was given in French by Art Johnson. Annabelle Denn played an accompaniment on the piano.

Following the program a half-hour of general conversation in French was enjoyed by the members.

VICTORIOUS TEAMS TO BE HONORED AT STUDENT MEETING

Session for Business of A. S. U. O. to Take Place of Regular Assembly

COMMITTEES TO REPORT

Bill Hayward and Hank Foster to Outline Prospects for Varsity Track Team

A rally will be held for Oregon's championship debaters, for the winning girls' basketball team, and for this year's track team at the only regular student body meeting of the term this morning at 11 o'clock in Villard. "This is the only meeting of the winter term," said Lyle Bartholomew, student president, "and there is only one more before the end of the year. It will be an important meeting, with many reports, and plans will be made for the remainder of the year. All students should attend."

The Oregon debaters, who won the Pacific coast championship will be brought up before the students. The woman who composed the basketball team which defeated O. A. C. will also be on the stage.

The third part of the rally will be in the interest of Oregon's track team, according to Yell King "Obie" Obersteffer, who will have charge of the demonstration. Bill Hayward and Hank Foster, track coaches are to outline plans for the season and are expected to bring out some new phases of the situation.

This will be the last meeting until the one in May, when student body officers are nominated. Several plans for the rest of the year will be formulated.

According to Bartholomew matters of some importance may develop in the reports from the chairman of the standing committees, due to the fact that there has been no meeting since December 4. Among the ones which will report are the Greater Oregon committee, the campus committee, the music committee and the different activities committees.

Not only is it desired to have a large attendance of students but faculty members are urged to come out more than they have in the past. Their presence is wanted as much at the student body meetings as at the regular assemblies.

EUROPEAN TOUR ATTRACTS

Nine More Sign up for Summer Journey; Homerig to Convey Party

Much interest is being manifested in the European trip to be taken this summer under the auspices of the University of Oregon school of music, according to Dr. John J. Landburg who is in charge of the arrangements. A slight change has been made in the arrangements so that the party will sail on the steamer Homeric, which is the largest twin screw in the world. The sailing date, as previously announced, will be July 1.

Recent additions to the party are Miss Clara Myren and Mrs. William Horsefall, both of Marshfield, Miss Amy Dunn of Eugene, Miss Helen Hall of Portland, Miss Gladys Cartwright of Salem, Mrs. Ione Bowman of Cincinnati, Ohio, and Mr. Steuterman of Memphis, Tennessee.

Several others are considering the plan and are expected to sign for the trip within a short time.

GREGORY WRITES ARTICLE

Vocabulary of Normal Third Grade Child is Subject

Dr. C. A. Gregory, of the school of education has written an article on "The Reading Vocabulary of Third Grade Children which was accepted by the Journal of Educational Research and will be published soon.

The article takes up the vocabulary of the normal third grade child. There are nine required books that they must study, according to Mr. Gregory. Any child that can meet the required course will have a minimum vocabulary of 5190 words and with very little outside reading will have a vocabulary of 6000 words.

"Contrary to statements sometimes heard on the streets that the average working man has a vocabulary of 600 words, is far from true, said Dr. Gregory. It would only seem logical to think that the working man would have a vocabulary at least equal to that of a third grade child."

POPULAR CONCERT INCLUDES NUMBERS OF WIDE INTEREST

Opening Selection to Start Promptly at 8 o'clock in Villard Hall

JOHN SIEFERT WILL SING

Overture from "William Tell" Will be Played; Lora Teshner Soloist

The program of tonight's "Pop" (short for popular-priced) concert in Villard hall, by the University Symphony orchestra has been arranged by Rex Underwood, the director, to appeal to a wide range of people, and although it contains none of the so-called "popular" music, it is made up of numbers in which there is an interest for everyone. The opening number will be heard at 8 o'clock sharp. The price of admission has been made low with the hope that the students and townspeople may take advantage of it and hear a class of entertainment that ordinarily would cost several times the 25 cents asked, according to the management.

"William Tell" overture by Rossini, probably the most famous of overtures, will open the program. The cello solo with which the number begins is played by Lora Teshner, and represents the dawn of day. After the dawn comes the storm, which is considered one of the best storm scenes ever portrayed in music. The storm abates and a calm follows in which most of the effect is carried out by the interweaving of counter melodies by flute and oboe. Then, without any warning, comes the march which forms the heaviest of finales.

Miss Teshner to Play
Another notable number is "The Song to the Evening Star" from Tannhauser by Wagner, played by Lora Teshner as a cello solo. This solo will be accompanied by the full orchestra.

John B. Siefert will sing "Walther's Prize Song." This is the most popular aria from "Der Meistersinger," Wagner's only comic opera. He will also have as his accompaniment the full orchestra.

"Valse Triste" by Sibelius, the famous Finn composer, follows. Sibelius describes the state of mind of a fever-stricken woman; follows her through her delirium until she leaps from her bed and dances to the music, finally dropping dead. This number enables the orchestra to bring into play its fullest tone quality.

March is Final Number

For the final number the orchestra presents "Einzugsmarsch der Bojaron" by Halvorsen. The composer portrays the approach of a marching body of men, their arrival and departure. The clarinet first tells of the distant approach, after which the instruments gradually work in until the full orchestra takes up the march. The marchers departure is portrayed by the gradual fading out of the instruments until the clarinet again takes up the solo. The flute is the last to be heard as the marchers retire.

Both the last two numbers were played by the Portland Symphony orchestra in its concert at the opening of the Woman's building and the latter was one of the best received of the entire program. The concert will be over early, so as not to interfere with students.

HONOR SYSTEM IS TOPIC

Discussion to be Held in Meeting of Woman's League Today

A general discussion of "honor," and what it means to campus women, will be held at Woman's League meeting this afternoon at 5 o'clock in Villard hall. Miss Mary Watson, of the English department, will give a short talk on "Honor in Little Things."

Helen Carson will speak on "Honor During Examinations," and Bernice Altstock on "Honor With Ourselves." Four of Miss Winslow's pupils in dancing, Dorothy Miller, Helen Hoefler, Gloria Collinson and Dorcas Conklin, are to dance.

Y. W. C. A. BANQUET APRIL 12

April 12 was decided upon as the date for the annual election and banquet of the Y. W. C. A. at a meeting of the cabinet and finance committee Tuesday afternoon. The banquet will be one of the first events on the association's program for the spring term and will be held in the Hotel Osburn. It is planned to make it a formal affair and all members of the "Y" will be included in the invitation list.

ZIMMERN TO BE VISITOR THREE DAYS NEXT WEEK

Noted English Scholar to Address History Classes; Greece may be Subject of Talks

Professor A. E. Zimmern, the noted English scholar, will visit on the campus on Wednesday, Thursday, and Friday of next week. Professor Zimmern will not address the assembly on Thursday as was originally planned, but will speak in a number of the history classes and at an open meeting on Thursday evening.

The subjects of the different discussions that Professor Zimmern will give during his stay on the campus have not yet been decided, but since he is noted for his work on the Greek Commonwealth he may choose some phase of Greek history. He is also an authority on international questions and was connected with the Foreign Office during the war.

Professor Zimmern will come here from Reed College, where he has been for the past month. It is planned to give a faculty dinner on Wednesday evening in honor of him and Mrs. Zimmern, who will also visit. They will be entertained during their stay in Eugene, at the home of Dean and Mrs. Colin V. Dymont.

FLAT RATE INVESTIGATED

FACULTY DISCUSSES ADOPTING NEW SYSTEM AT MEETING

Payment of Laboratory Fees May be Made Equal For All Students Regardless of Subjects

Dr. A. E. Caswell was appointed head of a committee to investigate the feasibility of substituting a flat rate system for the present system of paying laboratory fees, at a meeting of the faculty colloquium held Tuesday evening.

It was argued that a flat rate system would cause the burden of the lab fee to fall equally on all students, instead of having one pay almost nothing while others pay as high as \$15 for one term. According to statistics presented by Karl Onthank, secretary to President Campbell, the average fee for any one student in one term is approximately \$3.62 or a little over \$10.00 a year.

A flat rate fee for the use of library books was suggested to enable the library to purchase more copies of books which are used in the literature courses thus enabling the student at a small cost to have the books which would cost him a considerable sum should he have to purchase them himself.

One of the principle arguments against the flat rate system was that the present system has proven satisfactory, and that if a flat rate system was established there would be a chance for an increased expense in the laboratories as money could then be drawn from a general fund.

Further statistics, presented by Karl Onthank, showed that there has been a gradual increase in the laboratory fees during the past three or four years. This increase, said Onthank, has been made necessary by the increase in service in the laboratories, and that there will be another increase in the fees next year.

IDEAS OF STUNTS WANTED

Names Must be Turned in to Program Committee by Saturday

The eight organizations which drew positions in this year's April Frolie are to have the names and ideas of their stunts in to the program committee by Saturday of this week, according to Wanna McKinney, chairman. The programs are to be printed this term, as the Frolie takes place the first week of the spring term.

The ideas of the stunts are to be expressed in a two-line verse, a rhymed couplet. Alpha Phi, Alpha Chi Omega, Zeta Rho Epsilon, and Delta Zeta will hand theirs in to Esther Pike, a member of the committee; and Chi Omega, Kappa Alpha Theta, Hendricks Hall, and Kappa Kappa Gamma, to Betti Kessi.

HIGH SCHOOL GETS GAMES

Eight or Ten Contests are Scheduled for Baseball Season

The University high school has commenced the baseball season by scheduling games with the Springfield and Eugene high schools. Coach McIntyre plans on about 8 or 10 games for the season and is now making arrangements with Corvallis, Albany, Cottage Grove and Roseburg.

Out of the seven basketball games which were played in the past season were the games with Corvallis and Cottage Grove. The prospects for the team next year are good according to the coach, who states that all those on the team this year will be in school again next fall.

FINAL INTERCLASS TRYOUTS IN TRACK SET FOR SATURDAY

Hayward Arranges Nine Weeks of Competition for Tracksters

FIRST MEET ON APRIL 8

Prospects for Winning Team not Bright According to Oregon Mentor

Final tryouts for class track teams will be held on Hayward field Saturday afternoon, starting at 2:30. The events will be the 220-yard dash, the 440-yard run, the half mile and the mile. The coaches are anxious to see a big representation from each class as it is all working toward the shaping of conference material.

Rain prevented the regular Saturday competition last week, and has hampered training efficiency with seemingly endless showers. But despite this fact the work is going ahead with a constant turnout.

Trainer "Bill" Hayward has the program made out for his proteges to put them into shape before and between the conference meets. If all these work out successfully there will be nine straight weeks of competition for the tracksters.

Interclass Relays First

The first of the series will be the interclass relays on April 8, one week before the All-state relay to be held here. This will enable the coaches to pick some of their material for that event. Then between the time of the Northwest Relay Carnival at Seattle, April 22, and the Oregon-O. A. C. meet at Corvallis, May 13, two more local contests will be staged. The first of these, the inter-class meet, will come on April 29, and the second, the inter-organization meet, will come on May 6, one week before the Oregon-O. A. C. meet.

The men who show the best form in these meets will take part in the conference meets, according to Hayward, and he hopes to see good material developed from organizations that are not already out.

Men Not Turning Out

"I could go through any of the houses right now," Bill said, "and pick out better track material than is turning out." An inter-fraternity meet may bring men out to compete for their houses that would never come out under any other conditions.

Spiegling of year Bill said that he did not know of a single track event that Oregon stood any chance of winning. "If we beat them, he said, it will be by taking second and thirds in the track events, and coming out on top in the field events." Under these conditions it will take all the men can put into it from now on to put the Lemon-Yellow over the top.

While Oregon may take seconds and thirds in the track events, there is little assurance that she can take enough firsts in the field events to make up the deficiency. However, the aspirants are improving each week, and when the time comes for action they may be able to hand out a few surprises.

HANDBALL SERIES NOW ON

Schedule Announced for Doubles; Sigma Chi Win Singles

The first round of the handball doubles is about over, and any team wishing to take advantage of the privilege of challenging another team will have to schedule the match and get it played off this week, says Coach Barnes, who has this sport in charge. Each defeated team is allowed only one challenge.

After the games this week there will be only four teams left in each of the two leagues, and the semi-finals of the week following will eliminate two of these from each league.

Notice of the games which will be scheduled are posted on the bulletin board in the gym, and are also in the Saturday Emerald, so that all teams should report promptly for their games and should also take the scores to the office immediately after the contest is over.

The doubles and singles are to be averaged together for the final standing in handball, which will constitute only one sport in the doughnut league. The Sigma Chis have already won the singles and are going strong in the doubles, but will have to play a strong game in order to beat the Kappa Sigma team which took second in the singles and so far has been playing a wicked game in the doubles.
