Divorce Problem Discussed by HOURS FOR SHOOTING Judge Tucker

Paper on "Insanity Defense" **Brings Action**

The February issue of the Oregon Law Review which has just been pub. effective, as far as is now known, durlished contains two very interesting ing the spring term, according to a articles read before the Oregon State District Attorneys' Association at Portland during the month of January. judge of the circuit court for Multnomah county, deals with one of the most at the present time, the problem of divorce. The other article was written by Dr. Williamson. The special phase which is discussed by Judge Tucker is that of the courts' jurisdiction in these cases, it being shown that in order to avoid publicity and many times to avoid the possibility of having the 5 p. m. actual facts revealed, many persons suing for divorce file suits in counties in which neither of the parties is resident, so that the court will hear and determine the case without inquiring into the question of proper venue.

Dr. Williamson has Article

of a most interesting paper written by periods. Dr. W. T. Williamson, of the Oregon State Medical Association. The current question of the proper status of the insane in regard to the law is clearly presented, it being pointed out that there should be a greater distinction between criminals and the criminal insane, who should be detained sufficiently long in a separate asylum to amply safeguard community inter- Men to Try Out for Varsity Honors;

Following the reading of this article a committee, consisting of Wm. G. tion with the State Bar Association and o'clock. the State Medical Association. Prize is Offered

Announcement is made of the offering of a prize by Frank H. Hilton, a Portland attorney, in the sum of \$50 to be awarded to the winner of a contest in the preparation and oral presentation of a brief upon some subject of will be the only man swimming the interest in the law of Oregon. The will be announced later.

The Oregon Law review is issued four times a year by the University school swim and especially those who are of law, being sent gratutious to mem- divers, to join the tumbling classes. bers of the bench and bar in this This will help them get the proper form state. The purpose of the Review is to discuss Oregon law forms, give book

The tumbling classes are held every

Monday, Wednesday, and Thursday, at reviews, and to consider current law problems. Notes on recent Oregon decisions are also included.

WORK IN ARCHITECTURE

Awards to be Announced at Supper on Monday; Exhibits for Next Term to be Arranged

The last jury day of the term in the school of architecture and allied arts will be held Monday, March 20, according to an announcement made this morning by Professor Ellis F. Lawrence, dean of the school. Carl Linde and Kunt Roald, prominent architects of Portland will serve as judges for the work of the students in architecture, and N. W. Zanes, instructor in art at Jefferson high school in Portland, and Mrs. Mack, a teacher of art in the schools of Eugene will judge the work of the arts and crafts students.

A luncheon will be given for the judges by members of the faculty Monday noon, and at the close of the judging on Monday evening an informal supper will be held for the faculty and guests at the sculpture studio. The awards will be announced at this sup-

This will be the second jury day of the term for the students in architecture and normal arts, while those who are studying sculpture under Mr. Fairbanks and drawing under Professor Schroff have had no judgings earlier in the term. Plans for the work of the school, awards and exhibits, will be announced soon, according to Dean Lawrence. An exhibit of pastels by Mr.
