

FRIENDLY HALL'S NINE AND BACHELORDON'S WIN

Kappa Sigs Beaten, 10-9. and Alpha Taus, 13-9

Friendly hall's doughnut ball team continued its winning streak and defeated the Kappa Sigma team 10-9 yesterday afternoon on the Varsity field. This makes the second victory this week for the Hall in the semi-finals of the doughnut series; the fast Oregon club team was beaten last Tuesday. Judge, pitching for Friendly, was relieved in the sixth inning by Sausser who held the fraternity team scoreless in the seventh. At one time in the game the score was 9-1, but a homer by Krohn of Kappa Sig with three men on bases brought in four runs. After that the Kappa Sigma nine added run after run until within one run of the Hall. Bliss, catching for Kappa Sigs, broke his finger and was replaced by Culbertson.

Batteries: Kappa Sigma, Andre and Bliss, Culbertson; Friendly hall, Judge, Sausser and Olson.

Score:	R.	H.	E.
Friendly Hall	10	8	4
Kappa Sigma	9	7	5

In the second game, Bachelordon walloped the Alpha Tau Omega nine, 13-9. The Bachelordon victory was undoubtedly due to the superb twirling of Harry Meyer, who during the seven innings fanned as many A. T. O.'s. The A. T. O. team started in whirlwind fashion, making five runs in the first frame to the Bachelors' two. During the second round the victors clouted three runs to the losers' one, a homer by Dawson. Neither team scored in the third or fourth. In the fifth frame each team made three runs, including another homer for the Alpha Taus, by Couch. The last two innings were scoreless. Dawson knocked a hot three-bagger, but his team-mates failed to bring him home.

Batteries: Bachelordon, Meyer and Garner; Alpha Tau Omega, Hemy and Blakeley. Umpire, Charles Orr.

Score:	R.	H.	E.
Bachelordon	13	9	9
A. T. O.	9	7	5

CO-EDS HAVE NEW FIELD

Space South of Woman's Building Ready for Girl Athletes

The women's baseball teams are now playing on their new athletic field south of the Woman's building and the co-eds are fast adjusting themselves to a level baseball diamond. Work on the field has been greatly hampered on account of the rain but when the plans as now drawn up have been completed the girls will have an athletic field which even the men might envy, according to Miss Florence Alden, head of the department of hygiene and physical education for women.

Across the end of the field facing University street there will be a tennis court and just back of it will be two volley ball courts. The baseball diamond will be on the end next the outdoor gymnasium where it is now, and a strip next the cemetery will be used for an archery range. In the fall a portion of the field will be used for hockey and outdoor track events may be scheduled for the spring term.

Wallace Reid Coming In Thrilling Story

WALLACE REID starring in PARAMOUNT PICTURES

One of the most elaborate and thrilling motion pictures produced in many months is "Forever," a George Fitzmaurice production for Paramount, starring Elsie Ferguson and Wallace Reid, which will be the feature de luxe at the Rex theatre for three days, beginning Monday next.

Headed by the stars named, the cast in this photoplay is the most imposing ever gathered for a Paramount picture with the possible exception of "The Affairs of Anatol." Elliott Dexter, Montagu Love, George Fawcett and Paul McAllister play the principal supporting male roles. The two feminine parts, next in importance to the "Duchess of Towers," which is Miss Ferguson's role, are played by Barbara Dean and Dolores Cassinelli.

A half dozen or more youngsters are seen in the first part of the picture. Little Gogo Pasquier, who grows up to be "Peter Ibbetson," is played by Charles Eaton, eight years old. Nell Buck, an eight-year-old edition of Elsie Ferguson, is "Mimi," the little girl who becomes the "Duchess of Towers" later in the story.

The opening scenes for the picture were filmed in a most artistic setting—a French garden at Passy, a suburb of Paris. All four seasons of the year are shown in the garden, opening with the springtime.
