

NEWS EXCHANGE TO BE RADIOED

Communication With O. A. C. Will Again Be Tried; Operators Wanted

Another attempt will be made by the Emerald to exchange news items by radio with Oregon Agricultural college this year. Arrangements have been made with Garrett Lewis, local commercial operator, to use his broadcasting station, K D Z J, to handle the messages for the University of Oregon.

The department of physics at O. A. C. will care for the articles to and from the Barometer at Corvallis.

The Emerald installed its own station last year and communication was successfully established until the government directed that operation should cease pending classification of this type of service. This question has now been settled with the result that a conference was recently held between Jacob Jordan, of the department of physics at the agricultural school, and Donald Woodward, representing the Emerald, at which it was decided to start the service about October 15.

Mr. Jordan received notice from the radio inspector that the situation had cleared and that the school could proceed with the work. It is thought that reports of games and other special items only will be handled at first. In addition to sending to the Barometer, Lewis will broadcast results of games and any other University news of interest for all stations to pick up.

Lewis, who is an Oregon student, requests that any operators desiring to operate the station should sign up a list posted on the bulletinboard in the library. Sleeping quarters will be provided for the operators at the station located at 1271 Emerald street.

The communications will be transmitted by wireless telephone so that any receiving stations may be able to get exchange news first hand.

RELIEF OF TRAFFIC SEEN

Paving of Franklin Boulevard Hailed As Solution of Bad Congestion

The paving of Franklin boulevard from the Eighth and Eleventh avenue railroad crossings to the city limits, which is nearing completion, will afford two additional routes over which the Pacific highway traffic may run. Up to this time practically all of the highway traffic has been routed over Thirteenth avenue.

Because of the single outlet to the highway the traffic over Thirteenth

avenue has been exceptionally heavy throughout the year and has become a menace to the students, who have to cross the thoroughfare on their way to classes.

In addition to the improvements on Franklin boulevard, Kincaid street is being paved between Eleventh and Thirteenth avenues. With the completion of these two projects the campus will be completely surrounded by paved streets.

FRESHMEN GRID SQUAD ROUNDING INTO SHAPE

Turnout Is So Large That Coaches Drop 18

After three workouts under the watchful eyes of head coach Baz Williams and his able assistants "Skeet" Manerud and Dot Medley the freshmen football squad is now slowly but surely rounding into shape for its opening game with the Mt. Angel collegians. The second night of practice saw one of the largest turnouts of Frosh gridsters in the history of the University, 65 in all assembling on Kincaid field.

Lack of equipment and the fact that many of the new arrivals were inexperienced and turned out for the purpose of learning something about the game forced the coaches to weed out 18 of the number, leaving only the heaviest and most promising on the squad. Because of the short time in which to whip an eleven in shape the yearling mentors must dispense with the teaching of the fundamentals of football and proceed at once with plays and formations. Those who desire to learn something about football will have a far better opportunity by turning out for the spring practice, say the coaches.

The first cut leaves a nucleus of about 45 men on the squad but it is expected that this number will again be swelled before the end of the week, as there are suits and equipment for at least 18 more. Among the new men who are making a good showing are McMillan, formerly a center with Columbia University of Portland, and Jack Bliss, a Berkeley high school star who last year was named as tackle on the California all-star interscholastic squad. Bliss is handicapped by an injury to his knee received in practice Tuesday night but is expected to be back in the game by at least a week.

The first real scrimmage for the first year men will be held Saturday morning on the practice field south of Hayward grandstand. After this workout Coach Williams will probably make another cut and will continue to wield the axe until a squad of about 35 is obtained, which is the number that will be carried through the season.

OPEN HOUSE TO BE SATURDAY NIGHT

Congestion in Houses Will Be Relieved by Extension of Time to Midnight

Open house for this term will be held Saturday night beginning at 7 o'clock and through an extension of time will continue until midnight. The general plans and line of march will be practically the same as they were last year. Because of the increased number of organizations it will be necessary for the men's schedule to keep moving rapidly and on schedule time. Miss Bernice Altstock, president of Woman's league and a committee consisting of Miss Dorothy Cushman, president of Oregon Club, Miss Kate Pinneo, president of Pan-Hellenic association, and Miss Ellen McVeigh, president of Susan Campbell hall, will formulate the schedule line of march which will be announced later.

Oregon club and all women not associated with living organizations will receive at Y. W. C. A. bungalow.

The social calendar for the term as furnished by Mrs. Elizabeth Fox De Cou, dean of women, follows:

- Oct. 6. Y. M. party at bungalow.
- Y. M. party at hut.
- Oct. 7. 3-5 p. m. Reception of dean of women and Woman's League, open to all students.
- 7:30 p. m. Open house.
- Oct. 13. Student receptions at churches of the city.
- Oct. 14. Freshman acquaintance party. Open date for other class parties.
- Oct. 20. Y. M.-Y. W. mix.
- Oct. 21. Student body dance.
- Nov. 3. Student body dance.
- Nov. 10. Homecoming rally.
- Nov. 11. 10 a. m. Alumni meeting. Noon, Homecoming luncheon. Football game. U. of O. vs. W. S. C.
- Homecoming dance.
- Nov. 17. Homecoming dance.
- Dec. 1. or 2. Frosh Glee.

The University players of the dramatics department will present plays on Oct. 19, 20, 21; Nov. 9, 10, 11; and Dec. 14, 15 and 16.

P. E. AWARD IS ARRANGED

Names of Winners Will Be Engraved On Bronze Plaque in Gym

Acknowledgement of athletic distinctions in the physical ability examinations will be given to five high-point men out of each of the four classes and the high-point man in the University.

According to Professor H. A. Scott, director of physical education, the score will be determined by the proficiency which the men display in each particular test. Thus if a man high-jumps four feet (the minimum), he is given one point; then more points proportionately to each successive height.

The physical ability examinations may be taken by anyone; but freshmen who wish to elect a certain sport must first be able to pass the examination at least by the minimum number of points.

The tests, called a Pentathlon, consist of the following five events and minimum requirements to pass them:

- High jump 4 ft.
- Bar Vault 4 ft. 4 in.
- Rope Climb 25 ft. in 25 sec.
- 100 yd. Run 27 seconds.
- 100 yd. Swim 2 min. 30 sec.

Last year about 200 men passed the tests out of a total of 750. This year the results are expected to be about the same. Those who pass the tests may specialize in either boxing, wrestling, swimming, golf, track, handball, or football.

The results of all those who have taken the physical ability tests will be posted in the basement of the Men's gym.

"GRANDMA'S BOY" POPULAR

Judging by the way the audience at the Eugene theatre are receiving Harold Lloyd's newest comedy in five parts, "Grandma's Boy" exceeds the liveliest expectations for this much-discussed and widely heralded film.

With its philosophy, romance, exciting clashes, satire on human weaknesses, pathos and optimism, "Grandma's Boy" is unlike anything Lloyd has ever done and displays the star as an actor of broader scope than his most ardent admirers have known.

Harold Lloyd has never been seen to such excellent advantage as in "Grandma's Boy," and never was there such a comedy as this. It closes its local engagement today.

PLEDGING ANNOUNCED

Delta Tau Delta announces the pledging of Alvin Hill, of St. Helens.

Phi Sigma Pi announces the pledging of Rodney Johnson and Marvin Blahn of Portland.
