

FROSH PREPARE FOR BIG BATTLE

Game With Columbia Expected to Be One of Hardest in Season's Schedule

When the Oregon freshmen tangle with the Columbia University eleven on Hayward field Saturday, they will undoubtedly face one of the toughest aggregations in the season's schedule. The Portlanders have a team which averages close to the 180 mark, composed of men who are all playing their second year together.

Last year the Columbians bucked up against some of the best football prep school elevens of the Northwest and managed to win the majority of their games. This year they are out for the prep school championship of the Northwest and appear to have a good chance to "cop" the title. In their first game of the season last Saturday at Corvallis they played the O. A. C. Rooks off their feet in a hard fought contest and only for a blocked kick in the last quarter would have been victors. Coached by Clipper Smith, an ex-Notre Dame star of three years and now a mainstay on the Multnomah club team, the lads from the metropolis are experts in the famous Notre Dame shift which has proved successful for many years in the Big Ten conference. They are expected to attempt this frequently against the freshmen Saturday.

Lineup Has Many Veterans

Every man in the Columbia lineup is a consistent player and will probably have the advantage of superior weight. A massive and well-drilled line supported by an equally heavy, smashing backfield will make the visitors formidable opposition for Baz Williams' crew. Schulmerich, captain and full-back for the Portlanders, has already gained a reputation in Northwest football circles as a hard man to stop. In every game last year he was the outstanding star and in the O. A. C. battle last Saturday he made consistent long gains. Beside Schulmerich the Columbia squad have several others of no mean ability. Hicks, Collins, and Johnson are worthy mates for Schulmerich in the backfield while McElhaney, tackle, is an experienced gridder.

Frosh Strong on Defense

Realizing the formidability of their opponents, Baz and his yearlings are bending every effort to get in shape for Saturday's fracas. Tuesday night they put in a hard scrimmage against the varsity and gave them a hard battle. The babes show up extremely well on

the defensive but are noticeably weak on the offensive.

The coaches are working hard to remedy this failing before the Saturday game. In fact the yearlings scrimmage with so much fight that three more men have been added to the list of injured. Purvine, a halfback, is laid up with an injured toe. Shreeve, another halfback, and Mosier, an end, are also temporarily incapacitated. None of the three will probably get into the fracas Saturday. Maddux, another promising backfield prospect, has been forced to quit the squad, but these handicaps do not seem to phase the ardor of the first year men. "Although we will be outweighed considerably, I am confident that we will show plenty of fight," was Baz's comment last night on the forthcoming game.

AMBITIOUS PLANS FOR WOMEN'S HIKE MADE

Houses to Have Promoters to Encourage Attendance

Walking, which has been a minor sport in the athletic calendar of most University women, is coming to the front this year if plans formulated by Mildred Crane, head of walking, materialize. Each organization is to have one girl in its house to encourage bigger turnouts for the hikes, which will begin this term and continue through the year. Letters are awarded to the girls making the highest walking average. The girls winning letters for the past year were awarded them at the W. A. A. meeting Tuesday. They are Dorcas Conklin, Lola Kezler, Stella Hadlund, Echo Balderee, Emily Veazie, and Harriet Veazie.

Hockey practice has been under way for more than a week now, but too few girls have turned out. Game will be run through November if the weather permits. Practices come at 5, Mondays and Tuesdays for sophomores and seniors, and Wednesdays and Thursdays for freshmen and juniors.

Basketball practice will not begin until November, but further announcement will be made through the Emerald. Girls who anticipate entering any swimming events are urged to come out now and get in condition.

In order to receive any award by the Woman's Athletic association, the winner must be a member of the organization. So far Chi Omega is the only house to go one hundred per cent strong in membership, but the campaign is still open. At the meeting Tuesday, Georgia Benson was elected secretary of W. A. A. and Teke Haines, treasurer.

PHI DELTS ANNEX FAST GAME FROM BETA TEAM

Delta Tau, Sigma Nu and Fijis Win Contests

In the fastest game played so far in the Do-nut leagues, the Phi Delt defeated the Betas, 28 to 15. At the end of the first half the Betas lead 12-10, but in the second canto the Phi Delt braced and showed more team work. Hobson, Slade and Wright located the basket and began to rain them in at regular intervals. For the losers Phillips scintillated with several long baskets. Haynes did some excellent guarding during the game and showed flashes of his old time form on the fresh team. The score: Phi Delta Theta, 28 Beta Theta Pi, 15 Phillips 11.....F..... Hobson 6 Calloway 2.....F..... Slade 10 Haynes 2.....C..... Proctor Smith.....G..... Wright 8 Piper.....G..... Watson 4 Oberteuffer.....S..... Dunn Walters.....S..... Roberts Ireland.....S

Referee: Goar. The Phi Sigma Pis forfeited to the Oregon club.

The most evenly matched game of the season was played last night, the Delta Taus winning from the Sigma Chis, 21 to 20. Although it was the first game the Delt played this season they showed good team work and lcom up as one of the strong teams in the league. Russ Gowans saved the game by shooting a foul after the final gun. The score: Delta Tau, 21.....Sigma Chi, 20 Smith 2.....F..... Palmer 8 Hill 8.....F..... Sorsby 5 Gowans 9.....C..... McCabe 1 Sherman.....G..... Ringle 4 Jost 2.....G..... Peck 2

The Sigma Nu won over the A. T. O.'s only by the low score of 12 to 11. Neither team showed much practice and time was taken out once in each half for wind. Carson made all but one point for the A. T. O.'s making two of them from the center of the floor.

The lineup was: Sigma Nu, 12 A. T. O., 11 Dudley 6.....F..... Carson 1 Eoff.....F..... Hempt 1 Stars 4.....C..... Vonder Ahe Bryson.....G..... Gillenwaters 1 Stenall 2.....G..... Groth

Although the Chi Psis were defeated by the Fijis 20 to 6 they showed improvement over their last game. The ball was around the Fijis basket most

of the time but they failed to put the ball through the hoops. The game was very uninteresting and both teams showed lack of practice. The lineup: Fijis, 20 Chi Psi, 6 Godel 2.....F..... Swindells Staley 4.....F..... Sargent McMillan 6.....C..... Oliver 2 Shaefer 8.....G..... Gant 2 Kelly.....G..... Burk
