

SPENCER'S IS GOAL OF HIKERS TODAY

Condon Club Sponsors First Trip of Year; Dr. Smith to Lead

All those intending to go on the Condon club hike to Spencer's butte are requested to meet on the steps of the Administration building not later than 9:00 this morning. Such is the advice of Paul W. Cook, chairman of the Condon club excursion committee. The party will take the 9:11 car for town. After going round the loop on the College Crest car, the expedition will climb to the top of the butte in time for lunch. "Everybody bring their cups, 12 cents car fare and 5 cents commissary fee. If we are fortunate we will find the trip slightly muddy so don't wear your oxfords. Boots are desirable as well as hiking breeches and flannel shirts," said a Condon club member, "and don't forget—the girls don't have to have partners, and the fellows don't have to have girls, and the entire University is welcome to participate."

Dr. Smith to Lead
Dr. Warren D. Smith who has just returned from a two year's stay in the Philippines is to be the leader of the excursion and will give a talk on some phase of geology when the top of Spencer's is reached. Good weather has been ordered so that the entire Willamette valley may be seen. The return to town will be made in plenty of time for the evening festivities.

"These excursions are a continuation of the hikes of last year which the Condon club supervised," continued the member, "and are conducted not only as pleasure jaunts, but also for the purpose of stimulating appreciation of outdoor life and of increasing the participant's ability to take care of himself in the hills and to appreciate the phenomena of nature."

Many Hikes Last Year
Hikes to Badly, the Brae, Lucky Boy mine, Pleasant Hill, Spencer Creek, Goshen, and other points of interest were held every three weeks regardless of the weather, last year.

Later excursions will be conducted once every two weeks, but no definite plans have been made for this term. These will be announced later, but they will probably take in Gillespie's butte, the McKenzie and other beauty spots within walking distance of Eugene. The program may even include a week-end trip to some spot in the Cascade mountains or the Coast Range.

Kodaks Called For
All those having kodaks are requested to bring them so that the different spots visited may be snapped. These pictures will be numbered and mounted on stiff paper and placed in some conspicuous place in the geology department so that all those wishing may have orders filled. This was a great success last year and a number of excellent pictures were obtained.

Dr. Smith was head of the geology department here for six years previous to his visit in the Philippines and is familiar with the country about Eugene, and can explain any of the features observed.

him to the limit it is a certainty that the Vandals will put up the hardest fight of their schedule. Returns of the game by quarters is being arranged for by the management of both the Rex and the Castle theaters down town.

Idaho Had Hard Schedule

The fact that Idaho has lost both her conference games does not indicate that the Vandals have a weak team. Their schedule was an impossible one; three hard games on successive Saturdays and now a fourth this afternoon. Idaho opened the season against Whitman and defeated the Missionaries 3-0, the following week their team, crippled by the loss of Bob Fitzke, star drop kicker, went down to defeat before the heavy Washington team by a scant 2 point margin on a safety. Idaho was outweighed 20 pounds to the man by Bagshaw's aggregation but the plucky Argonauts outfought the Huskies. Then last Saturday the Vandals met the Cougars and though they went down to defeat they lead the Staters throughout the contest and Welch's men with some brilliant playing and a lot of luck put over 13 points and won the game 18-9. Whatever the outcome of the game it is due to be some battle for Mathews has put a world of fight into his team and they never know when they're ticked.

\$50,000 CHECK GIVEN

year's attendance of over 30 per cent. Because of the limitation of the size of classes in order to maintain the highest standards, there were about sixty prospective students who were unable to gain admittance.

The construction of the main unit of MacKenzie hall enables the instruction of the 120 students of the first two years without crowding. It provides also excellent facilities for research and teaching.

Students Come from Afar
The registration this year has representatives from Oregon, Washington, Idaho, California, Nevada, Montana, Utah, Iowa, Minnesota, Missouri, Michigan and Saskatchewan. Applications were received from more than twenty states.

The \$50,000 gift is one of a number made to the University within the last two years, aggregating approximately a half million dollars.

Since the middle of September of this year twenty gifts have been made to the University.

chairman of the committee. Manager McClain of the Co-op has had 15,000 of the envelopes printed and is selling them at 10 cents a bundle. The envelopes are printed in three colors, showing two football players in the position of run and tackle, and the word "Homecoming" blazoned in red across the top, with the date, game and a square white space below for the address. Students are urged to use them as much as possible in the next two weeks.

Advertising Is Beneficial

"Concentrated advertising by the student body in the use of these envelopes will work wonders," said Leith Abbott. "Let the students send a letter in one of these envelopes to all their relatives and friends all over the United States, and everyone will know that Oregon is on the map." The committee will also ask the Eugene stores to use the envelopes as much as possible.

As another means of reminding the people of the state of the homecoming of Oregon's clans, the committee is negotiating with some of the prominent radio stations in Portland, regarding the advisability of putting on a program, via radio, of Oregon songs by the glee clubs, and a word or two from the University's notables, before Homecoming.

Bungalow Will Be Open

The Bungalow will be open to alumni and other guests during the Homecoming week-end according to the usual custom. The guests can get their lunches there if necessary, as everything
