

# SUSAN CAMPBELL, ALPHA PHIS WIN

## Virginia Owens Is Taken Out of Game With Asthma; More Contests This Eve

The Alpha Phis and Susan Campbell hall were winners in the do-nut games yesterday. The Alpha Phi-Alpha Chi Omega tilt resulted in a score of 20 to 9 in favor of the first and the total of 33 points for Susan Campbell against 6 for the Delta Gamma hoopers.

Marjorie Vail was responsible for most of the baskets made by the Alpha Phi team. Golda Boone, forward for Susan Campbell was credited 10 baskets, but the entire team is a star team, said Grace Sullivan, head of basketball, during last night's contest.

On Wednesday, the Kappa and Susan Campbell teams were victorious when the former played the Pi Phi in a 21 to 7 game and the Chi Omega team was humbled 16 to 0 by Susan Campbell. Both the games were well fought, the losing players putting up a good scrap against the victors. The Susan Campbell hoopers showed unusually good team work.

Virginia Owens, guard for the Chi Omegas, was taken out of the game after the first half, due to an acute attack of asthma. Dr. Savage, University physician, was called and Miss Owens was removed to the infirmary. Her condition is greatly improved, according to a report given out last night.

Today at 5 o'clock, the Alpha Phis are scheduled to meet the Kappas, and the Delta Gammas will play Chi Omega.

The lineup for yesterday's games were as follows:

Alpha Phi	Alpha Chi Omega
H. Chase	C. Broders
J. Hefflinger	W. Brown
S. Lamberson	M. Baird
I. Dale	M. Dustin
M. Vail	H. McCormick
J. Reid	L. Stephens
Susan Campbell	Delta Gamma
F. Baker	P. Bondurant
M. Schroeder	G. Noren
M. Schroeder	M. Clerin
T. Kampen	P. Boyer
G. Boone	H. Tillinghast
C. Heckman	M. Fisher

## JOURNALISM STUDENT PROMOTED TO MANAGER

Maurice H. Hyde, '17, Now Advertising Director of Big Portland Firm; Harry Smith Assists Him

Word has just been received on the campus of the promotion of Maurice H. Hyde, '17, to the position of advertising manager of Lipman, Wolfe and Company of Portland. Harry A. Smith, '21, is now assistant manager.

Hyde had been working on the department store's advertising staff just one year previous to his appointment, December 1. Smith has been with the concern since July 1. Both started as copywriters. Lipman Wolfe and Company have one of the largest department stores on the Pacific coast, and use several full pages of advertising in the newspapers every day.

After graduation, Hyde began his journalistic career as editor of the Stanfield Standard, later becoming telegraph editor of the Eugene Daily Guard. He worked also for some time on the copy desk of the Portland Oregonian and the San Francisco Bulletin before accepting a position as copywriter for Lipman, Wolfe and Company a year ago. While on the campus he was editor of the Oregonian in 1917, was active in other student journalistic work, and was a member of Sigma Delta Chi and Delta Tau Delta. Smith, who also was a journalism student, was editor of the Emerald during his first senior year. He was a member of Sigma Delta Chi, Hammer and Coffin, Sigma Upsilon, and Friars.

## LAWYER TO SPEAK SUNDAY

Frank Bayley of Seattle to Speak at Methodist Church Next Sunday

Under the auspices of the Y. M. and Y. W., Church Co-operation committees,

there will be a union meeting held next Sunday at the Methodist church at 6:30.

Frank S. Bayley, a lawyer of Seattle, will speak on the subject, "Christianity from the Business Man's Point of View." He is well known to many student groups of the Northwest and has spoken on the campus on several occasions. The musical program will be announced later.

## SIGN FOR VACATION WORK

Any students planning to do correspondence work during the holidays should sign now whether he is registering new, or only to complete work already started, according to Dan E. Clark of the correspondence department. After registering in the department, the permission of the dean of the school in which the work is to be taken must be obtained so that papers coming in can be read and returned.

Eight students have already registered, several for the first time and some who started the work last summer but failed to finish.

## HOPKINS APPEARS IN IN FINAL CONCERT HERE

### Classical and Modern Numbers Given in Program

George Paynter Hopkins, instructor in piano at the school of music, gave a recital Wednesday night in the Methodist church, assisted by Edyth Ernst Hopkins. The concert is the last one he is expecting to give before leaving for New York.

Mr. Hopkins' program consisted of classical and modern numbers, the first part being Beethoven's Sonata, Op. 31, No. 3. For the modern group Mr. Hopkins chose "Moment Musical," Schubert-Ornstein, a Debussy group, of which "Golliwog's Cake Walk" is perhaps the best known, and Moszkowski's Grand Valse de Concert. Mr. Hopkins' interpretation of the Moszkowski number was particularly good, because while in Paris he studied under him, and so got the composers interpretation of his work. Mr. Hopkins completed his program with a Jensen, Schumann and Scholzer composition.

Edyth Ernst Hopkins, soprano, made her first public appearance in Eugene when she sang last night. Mrs. Hopkins has an unusually clear voice, with considerable depth and charm, and completely delighted her audience.

## MISS THOMPSON SHOWS VIEWS TAKEN IN SPAIN

New Constitutions for Spanish Club Submitted by Committee Is Adopted

Miss Anna M. Thompson, instructor in the language department, entertained the members of El Circulo Castellano at the meeting held Wednesday night in Oregon hall with a display of photographs she had taken during several years spent in Spain. Pictures of castles, of historic structures, and of places which had featured in history were shown by Miss Thompson. Helen Hofer was in charge of the program for the evening.

The new constitution for the organization, prepared by Helen Addison and Raymond Burns, was submitted and approved. Another committee, composed of Helen Addison, Virginia West, Norma Wilson, Manuel Semenario and Edgar Blood, was appointed to select new members and petitioning members. Persons having had two years of high school Spanish can apply for petitioning membership.

Action was taken at the meeting to provide for a full program of activities next term. Officers of El Circulo Castellano are Hubert Schenck, president; Norma Wilson, secretary; Helen Hofer, vice-president; LeLaine West, treasurer; Freda Goodrich, reporter; Felipe Gamboa, historian.

## CLUB PAINTS OREGON SEALS

The task of hand painting approximately 2,000 Oregon seals for envelope stickers was undertaken by the Sculpture club at their regular meeting Wednesday evening. The seals are of two sizes to suit large and small envelopes. They will be sold by members of the club and the proceeds taken to pay for a show case, gift of the club, to the Murray Warner art collection.

## CHRISTMAS PROGRAM AT LEAGUE MEETING

### Entertainment Today Will Be Given by Freshmen

The last Women's League mass meeting of the term, held yesterday in Villard hall, was given over to the presentation of a Christmas program by the girls' freshman commission. Once a year the Y. W. C. A. and Women's League come together for a joint meeting, as a grand finale to the term's work and activity.

The program, including a violin solo and a vocal duet, began with several musical numbers by the freshman girls' chorus, composed of twelve members of the commission, with Katherine Lyon at the piano. Favorite Christmas carols were sung. The feature of the program was the presentation of Van Dyke's "The Other Wise Man," accompanied by a reading of the story by Ruth Park. A group of forty-seven slides were secured from a Portland film company, vividly portraying the story in colors. Concluding the program, the chorus lead while the entire assembly sang, "It Came Upon a Midnight Clear."

## League Glee Club Considered

Preceding the program a short business meeting was held, and plans for next year's work were outlined by Bernice Altstock, president. The organization of a Women's League glee club is being contemplated for those who wish to sing and do chorus work, and who enjoy this sort of activity. The chorus will always be ready when called upon in connection with campus affairs, and will be beneficial both to the league and the choristers. Ruth Akers is in charge of the organization of the chorus.

A call for new ideas for raising money for the foreign scholarship fund was made, and girls were urged to think of means over vacation and to submit any plans to Miriam Swartz, chairman of the scholarship fund committee. The "cracker and milk" sale which Elizabeth Griggs has been conducting is proving successful and the sales will continue throughout the coming term. The sale of Hershey bars will, however, be discontinued.

## Sophomore Women Appointed

Edwina Riches has recently been appointed to Women's League executive council as sophomore representative. It was thought necessary to have a representative of the sophomore women in the council to act as a medium between members of the class and Women's League, and to cooperate with the dean of women. A regulation of campus clubs is being considered by Women's League. It is thought that there are too many unnecessary organizations existing on the campus, and that a condensation would be much more effective. Further action upon this will be taken at the beginning of next term.

Other questions of importance, such as the perfection of the "point system" and plans for a matinee dance and a student body dance, were laid aside until next term. Women's League will nevertheless be busy during the Christmas holidays with the Christmas College ball at the Multnomah hotel, under the direction of Georgia Benson.

## OPENINGS FOR TEACHERS

Education Department Receives Calls from Schools in Several States

The education department has been receiving a number of calls for teachers to go to all parts of this state and to places in other states. The salaries offered range from \$150 to \$200 a month. Teachers are wanted to finish out the school year starting either now or after the Christmas vacation. Those who are interested in these

## FOR EVERY DEGREE of Lead Ingersoll Pencil

A serviceable, simplified writing tool that holds the style of lead most suitable for your particular collegework. Seven different grades available.

Made economically by mass production methods and sold at prices which make wood pencils a luxury.

The STUBBY—shown here—of Rolled Silver with ring for watch chain costs \$1.00.

See this and other Ingersoll models at your stationery or cooperative store.

Ingersoll Redipoint Co., Inc. Wm. H. Ingersoll, Pres. 461 Fourth Ave., New York City

positions should register at once at the employment bureau at the Education building as there are a number of calls for teachers to finish out the school year.

## STUDENTS TO DESIGN BUILDING VESTIBULE

Court and Sculpture Work of New Arts and Architecture Structure Done by Department Majors

Students in the school of architecture and allied arts are to design and execute the entrance to the vestibule of the new art school and also the court of the art building.

The sculpture work, which will be done entirely by students, is to be a panel composed of a group of figures in relief. An attractive idea in connection with this panel is the use of sculpture with mosaic.

The panel is to be made in cast stone, a process which has rarely been used heretofore but which is coming into use by sculptors. Lorado Taft is using this process in his Fountain of Time which he is making for the city of Chicago and which will cost, when completed, nearly \$1,000,000.

The sculpture work of the court will take several years to finish. "The court when completed promises to be very attractive," Avard Fairbanks, professor of sculpture, said, "and will give evidence of the talent to be found at Oregon."

## Eclipse of the sun

THIS is the month when the sun is outshone, and we mortals draw greater warmth and sustenance from that homely provender—mince pie. It is the warmth of the holiday spirit, which causes human hearts to glow when temperatures are lowest. Mother's cooking—the family united—Christmas trees and crackling logs—what would this world be without them? In promoting the family good cheer the college man's part is such that modesty often blinds him to it. It would hardly occur to the glee club man to sing over the songs of Alma Mater for the still Dearer One at home. The football man would scarcely suspect that his younger brother is dying to have him drop-kick for the "fellers". The Prom leader would not presume to think that among those sisters who have been waiting to share his agility at fox-trot may be his own sister. And in general, college men would scorn to believe that any conversational prowess they might possess on books, professors or campus activities could possibly interest a certain Gentleman Who Foots the Bills. But just try it, all of you. The welcome you get will warm the cockles of your heart. This suggestion, amid sighs as they look back across the years, is the best way a bunch of old grads here know of wishing you "Merry Christmas".
