

RED MEN'S RELICS GIVEN GEOLOGY DEPARTMENT

Judge Thompson's Collection Donated by W. J. Seaver

The latest gift to the collection of the geology department has been made by W. J. Seaver of Eugene. The group composes Indian relics once in the possession of the late Helmus Thompson, Lane county judge, and minerals gathered by Mr. Seaver.

Stone implements, including mortars, pestles and skimmers' knives, originally came from Tahiti. Judge Thompson's collection was turned over to Mr. Seaver by the heirs, and he presented the relics to the department together with some minerals he had secured. Kimberly blue, a clay in which the diamonds of this south African mine are found, was bought in Chicago at the time of the World fair. A miner gave Mr. Seaver a specimen of almost pure iron known as hematite. This unusual ore was taken from the Gogepie mines, about 16 miles from Lake Superior. Pure copper, called copper float, resembles gold nuggets. This metal was taken from the glacial drifts in Illinois. Mr. Seaver also turned over to the department some buffalo teeth, he discovered near Canada in 1893.

Duplicates of the stone implements have been found in the Philippine islands. Since the natives of the island do not use such articles, the Polynesians, when they came out from southeastern Asia must have lingered in the Philippines, leaving some of their tools, according to Dr. Warren D. Smith.

The collection is on exhibition in the geology laboratory in the Administration building. Owing to lack of space, the gifts have not been permanently placed.

DYMENT HAS LA GRIPPE

Justin Miller to Speak at Banquet of Republican Club

Dean Colin V. Dymont of the college of literature, science and the arts, returned to the campus on Saturday evening from Salem. He is suffering from an attack of la grippe and is confined to his home for a few days.

Because of his illness Dean Dymont was forced to forego a trip to Portland last evening to speak at the Lincoln Day banquet of the Multnomah County Republican club. Professor Justin Miller of the law school went to Portland to take the dean's place and spoke on the subject of "Lincoln and the Soldier."

ZETA KAPPA PSI INITIATES

National Debating Society Takes Ten New Members at Woman's Building

Zeta Kappa Psi, women's national debating society, held initiation ceremonies for ten new members at the Woman's building Sunday afternoon. After the ceremony there was a banquet for the members of the organization at the Anchorage. The following girls were initiated: Marion Lay, Virginia

Pearson, Margaret Morrison, Rosalia Keber, Myrtle Pelker, Mildred Crain, Frances Simpson, Julia Raymond, and Winifred Graham.

Zeta Kappa Psi is an upperclass organization which was nationalized on the Oregon campus in 1913. The new members were elected after the do-not-debate series among the women's organizations closed last term. A number of them are working on the varsity debating teams.

Other active members of the society on the campus are Lurline Coulter, president; Edna Largent, vice-president; LeLaine West, secretary and treasurer; Emily Veazie, Frances MacMillan and Elizabeth Stephenson.

FILIPINOS ENTERTAIN CLUB

Native Costumes and National Music Are Features of Novel Meeting

Filipino night will be observed at the regular meeting of the Cosmopolitan club to be held tonight at 7:30 in the Y. W. C. A. bungalow, the entire program being arranged by the Filipino members of the club. Filipino music, native costumes, and a popular Filipino dish will be introduced, and the boys from the Far East will also sing their national song, assisted by the Filipino orchestra.

Romeo Ronquillo, president of the Varsity Philipinenses, is handling the program, and according to him, the program will attempt to interpret the Filipino people.

GRADUATE WRITES STORIES

Arnold Anderson, a graduate of the University school of journalism with the class of '22, has had a number of signed articles and stories appearing in the Yakima (Wash.) Daily Republic the past few months. One of the more recent stories was a big front-page head on the deportation of some Japanese. He has been on the staff of the Daily Republic since last August as a reporter on courts and sports.

ALUMNI IN HOOD RIVER ORGANIZE ASSOCIATION

Dean Straub Guest of Honor at Oregon Dinner

Officers were elected for the alumni association of Hood River county at a meeting of all the grads and ex-students of Oregon living in that county last Friday, February 9.

The meeting was presided over by R. W. Kelly, who acted as toastmaster for the occasion. The banquet was held in the Oregon hotel.

The officers elected were: president, Roger Moe, ex-'15; vice-president, R. W. Kelly, '07; secretary, Miss Helen Carson, '22; treasurer, Mrs. Allyn But-ton.

Mr. Moe is connected with the Hood River Glacier; Mr. Kelly is a prominent business man in Hood River. Miss Carson was secretary of the associated student body at Oregon last year, and is now teaching in the Hood River high school.

A lantern slide lecture was given by Lamar Tooze, field director of the University gift campaign, showing campus scenes as they were, as they are, and as they will be in the future. Dean John Straub addressed the meeting on the subject of "The University." Mrs. Frances Oberteuffer Moller, a graduate of Oregon, urged the necessity of action on the part of the alumni in actively assisting the University in the gift campaign and other work.

The banquet was held in honor of Dean John Straub. "It was well attended," says Lamar Tooze, "and the interest shown in the organization was very good."

"YOUTH TO YOUTH" AT REX

With a galaxy of commendable players headed by the chic Billie Dove, Cullen Landis, Noah Beery, Zazu Pitts and Edith Chapman, "Youth to Youth," one

of the most clean cut "picture shows" seen at the Rex in many months, ends its two days' showing this evening at that popular Eugene "movie" theater. Depicting the romantic career of a girl who climbed the theatrical ladder from the chorus to the stellar round and there kept her head, rejecting a proposal of marriage with a wealthy manager twice her age and an offer of \$1,000 a week, all in favor of a country lad, "Youth to Youth" provides an hour and a half of worth-while entertainment.

AUTO RACE FULL OF THRILLS

Although quite proud of the driving ability he displayed in his race with a train in "The Dangerous Age," First National attraction showing at the Casino today and Wednesday, Lewis S. Stone declares that he will never again take part in an automobile dare devil stunt for pictures. At three different points in the race he narrowly escaped collision with the train at crossings, and there were any number of times when he braved what would be a grave risk for the average motorist in running above fifty miles an hour on the road paralleling the railroad track.

WHO SAYS MEN AREN'T CURIOUS?

Of course they are. When they read about George's delicious Home-Made Candies, they begin to get candy-hungry. Many have eaten it to find what it's like. When they discover that it's the best candy they've ever had, most of them come back for more. Those who really know the way to a woman's heart will present "her" with a valentine box of candy.

Crabs Carry Clever Cognomens

OF COURSE all old "crabs" we've known of the grouchy class have names. But these of the order of Decapoda and sub-order Brachyura are the far-famed "Louie clan," which when made into one of our unexcelled and inimitable, tasty "Crab Louies" is the last word in an ideal after-the-theatre order. With a "Crab Louie," hot chocolate, and a sandwich the culmination of a keen evening will be effected.
