

The Opening of

EUGENE'S NEW MODEL, MODERN GRILL

YE TOWNE SHOPPE

TONIGHT---8 o'Clock

Music by the Harmony-Saturated Sextet
Jack Myers' Mid Nite Sons

YOU will have a delightful evening at Ye Towne Shoppe's "open house" tonight. You will be amazed at the beauty of the new place, and will be pleased with the prompt courteous service and dainty wholesome food. Our plan is to make this evening a big event for you and for ourselves—frankly we want you to become acquainted with this new establishment; we invite you to inspect every detail of the store.

AND fun—there won't be anything else but, for when these six young fellows get started on their harmony, well you know "The Mid Nite Sons," don't you? They are the talk of the campus, and its worth an evening to hear them. They will play here all evening, adding jest and joy to the event. If you are the least bit interested in seeing, hearing and eating, be sure and visit Ye Towne Shoppe tonight.
