

CAMPBELL TELLS OF BILL'S SUCCESS

University Calendar Will Be Made to Conform to That of Other Colleges

At the regular faculty meeting yesterday afternoon President P. L. Campbell spoke briefly on the recent passage of the two bills in the house and senate of the state legislature relating to the University, and reported that the appropriation of \$200,000 to meet the medical school budget and the \$56,000 needed to cover two thirds of the University fire loss last summer were granted by a good majority in both houses. This news comes as a relief to all who are interested in the welfare of the University and the president added that the feeling among the legislators is very friendly towards the institution. He is much encouraged by the outcome of the vote on the University measures as it insures its sound financial condition during the coming biennium.

Calendar to Be Changed

The faculty meeting yesterday was the first that has been held for three weeks for due to the absence of the president from the campus during the session of the legislature at Salem the last two meetings have been postponed. A motion was passed empowering the schedule committee to adjust the calendar of the University for next year after conferring with the officials of other colleges in the vicinity and particularly O. A. C., so that the dates of opening, vacations and the close of terms may come at the same time. This will greatly facilitate the matter of obtaining railroad rates for students to and from college during the year and prevent conflicts in athletic and other schedules. This committee is made up of three members, Dr. W. P. Boynton, head of the physics department, Carlton Spencer, registrar, and Karl Onthank, secretary to the president and Mrs. Clara Fitch is secretary to the committee.

Grade Rule Altered

It was decided by the faculty that hereafter when professors wish to change the grades of students after the grades have been turned in to the registrar they shall refer the change to the scholarship committee rather than

to the faculty as has been the rule in the past. Dean Dymont of the college of liberal arts is chairman of this committee and the other members are Dean Elizabeth Fox, Miss Mary Watson, Dean John Straub and Professor F. L. Shinn.

All members of the University faculty and staff are urged to appear at the registrar's office and sign the payroll this week as it is now ready, and will be sent to the state treasurer early next week.

The meeting yesterday afternoon was very brief and at the end of a half hour all the business had been completed. The next regular meeting will be held February 28.

ward you and your business and will result in greater sales and more good will."

Speaking on "Your Partner in the Bank," Prof. F. E. Folts said that partnerships fail because of lack of confidence. In like manner "you can make a partner out of a banker, but this partnership must be on a basis of confidence." According to Professor Folts there are three things you must do to make your banker your partner; you must know all about your business all the time, you must convince your banker that you know your business, and you must see that the banker knows as much about your business as you do.

Officers elected for the ensuing year are: L. L. Thomas, Marshfield, president; David M. Graham, Eugene, first vice-president; A. G. Hochrodol, second vice-president; W. W. Hill, Portland, third vice-president; E. A. MacLean, Portland, secretary; and Thomas C. Watts, Reuben, treasurer.

MEN'S QUARTETTE SINGS

Program Given at Mercantile Banquet and Rotary Club Luncheon

A program composed of Oregon songs was given by the Men's Glee club quartet at the Rotary club luncheon at the Osburn hotel Tuesday. The quartet, Curtis Phillips, Roy Bryson, Glen Morrow and Aubrey Furry, also sang at the mercantile association banquet held in the Osburn hotel last evening. A musical program was given by Gwaldys Keeney, soprano, Vera Price, contralto, and Glen Morrow, baritone, at the Elks'

club yesterday afternoon for a reception given for the wives of the visiting merchants. Miss Keeney and Miss Price sang "Barecarolle" from Tales of Hoffman, and Mr. Morrow chose for his part of the program a group of four songs, "Highland Joys," Sticksels; "Stars," Rogers; "Sylvia," Speaks, and "Her Rose," Cowens.

THE IMPOSSIBLE MRS. BELLEW

Never have Gloria's silken beauty and emotional fire been so lavishly displayed as in this picture. As the heart-broken wife who resolves to live up to the wild reputation society has given her, she is irresistible. Conrad Nagel, June Elvidge and Robert Cain in the cast at the Castle.

PRISCILLA DEAN AT HEILIG

"The Flame of Life," starring Priscilla Dean, will be seen at the Heilig theater today. Robert Ellis, Wallace Beery, Beatrice Burnham, and Kathryn McGuire handle principal supporting roles under the direction of Hobart Henley.
