Special Program Arranged for Annual Occasion

The first general association meeting for the spring term of the Y. W. C. A. will be held at 7:15 in the Bungalow tonight. ## INCREASE IS 171 STUDENTS

All Counties but Jefferson Represented in University of Oregon

All except one of the thirty-six counties in Oregon are represented at the University. Multnomah with 581 students leads the list and Curry county with two students has the smallest representation. Jefferson is the only county not represented. Comparison of the fall term last year to the cor-

responding term this year shows an increase of 171 students.

In practically all of the counties the representation has increased considerably but in proportion to population the percentage is about equal. Eastern and southern Oregon counties show smaller representation than the other sections of the state. This is probably due to the fact that more students from these sections are attending other institutions. O. A. C. gets a considerable number of students from these counties.

### HAROLD LLOYD AT HEILIG

"Harold Lloyd is undoubtedly the most consistent performer in the movies—a tireless young man in horn-rimmed glasses whose energy and ingenuity are on tap twelve months in the year."

That's what Bob Sherwood, motion picture critic of Life, had to say about the comedian who opens today at the Heilig Theatre in his seven-reel Pathecomedy, "Safety Last." But after seeing the first seven-reel comedy ever produced and after having laughed from beginning to end until our sides ached, we will say more. Lloyd is dynamic in the world of laughter, and when I say "Safety Last" is the greatest comedy ever produced I am not using superlatives. Well, see it yourself!

### 6 PLEDGE TO UNION FUND
